The Church On Target Achieving Your Congregations Highest Potential:

The Book of Church Growth Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't *The Church on Target* Joe S. Ellis, 1986 **Transforming Neighborhoods a Life at a Time** Tim Wallingford, 2016-08-11 This book is a modern application of the apostles strategy to fulfill the Great Commission Jesus walked over 3 000 miles through neighborhoods throughout Palestine Jesus commanded his disciples to go into a neighborhood find a worthy person stay with them and meet the neighbors The disciples first showed love to them by meeting physical needs Only then would they share Gods love story the gospel of Christ Today most churches focus on attracting the neighbors into the church but this is not working Less than 20% of Americans now regularly attend church and by 2050 if the church doesn't change it is estimated attendance will drop to 11.7% This can be reversed if we adopt Jesus evangelistic strategy This book shows how Luke packaged the never changing gospel for ten different types of neighbors the hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual give answers to over one hundred questions about spiritual matters Pursuing the Full Kingdom Potential of Your Congregation George W Bullard, 2009-08-01 Full Kingdom potential says George Bullard is a journey not a destination To reach your full Kingdom potential its pursuit must be your enduring passion and desire Drawing on his more than four decades of experience in congregational leadership Bullard offers not just another process for congregational redevelopment He learns from the past to take congregations on a spiritual journey that is open ended custom made and locally owned His focus is on capacity building in each congregation calling for a narrative approach to futuring in the life of congregations that responds to new things God is seeking to do in and through members of the congregation From the TCP Leadership Series *Understanding Church Growth* Donald A. McGavran, 1990-07-12 Author Donald A McGavran is considered a founder of the Church Growth Movement in America In this 3rd edition of his standard work McGavran analyzes the causes methods and strategies for successful church growth both in America and abroad **The Cumulative Book Index**, 1988 A world list of books in the English language **Leading Beyond the Walls 21293** Adam Hamilton, 2010-09-01 Good pastoral leadership is not a by the numbers proposition It is a matter of heart and soul of devoting the whole self to the vision God gives for the congregation in which one serves Yet neither is it purely intuitive it requires hard careful thinking about the directions and details of the path down which God calls When Adam Hamilton became pastor of the United Methodist Church of the Resurrection its membership consisted of himself and his family Ten years later the church averages between five and six thousand worshipers per weekend Throughout this remarkable period Hamilton learned many serious lessons about both the broad visions and the specific details of pastoral leadership Bringing a depth of analytical skills often lacking in visionary

leaders in this book he goes beyond simply telling the story of Church of the Resurrection He shares the questions that he learned to ask about the largely unchurched population to which Church of the Resurrection has reached out Further he demonstrates what he learned by listening to the answers to these questions and how doing so has made possible a number of strategically crucial decisions the church has made One of those crucial decisions was to make more traditional forms of worship and praise the center of the congregation s life The result is that the example of Church of the Resurrection offers pastors and church leaders especially those in mainline denominations the realization that they need not completely change their liturgical and theological identity in order to reach out to the unchurched Drawing on his own experience as well as the detailed research on the characteristics of highly successful congregations he undertook during a sabbatical leave Hamilton offers pastors and other church leaders solid substantive thinking on steps that congregations can take to become centers of vibrant outreach and mission Also available in Adobe Ebook 9780687026753 Microsoft Ebook 9780687027491
