The Circle A Haiku Sequence With Illustrations:

Circle David Lloyd, 1993-01-15 David Lloyd's verses are a genuine contribution to the literature of haiku. They capture an image, a moment in time and engrave it in the memory for all time. This is the mark of good haiku as indeed it is of good verse in general. His haiku can excite the senses as in "See the sharp needles forever sewing the sky / To the pine branches Free of irony except the irony of nature which sets the tone calls the shots with a not always recognizable impartiality their perceptions are too clear for comment". Flowing downstream between the mountain pines, A bird's embryo Dogwood blossoms Their edges turning brown Recalling legends Poetic magic raised to a higher power by the author's pen and ink vignettes complementing each verse Eye pleasing and evocative these sketches open little doors to experience.

Behaviour David F Marks, 2025-04-28 This ground breaking book presents a revolutionary new synthesis for the science of
mind and behaviour The book explains how behaviour and mental processes are unified within a single system of
psychological homeostasis A new Law of Equilibrium holds that mind and behaviour persistently strive towards safety
security and stability The book creates a unified approach for the entire psychology discipline free from the divisions of a
problematic past The author and a select group of highly qualified contributors present psychology as a full blooded natural

science with axioms laws and empirically supported principles Any person and any library with an interest in how the mind works will find here a fascinating story and gripping analyses of motivation feelings emotions habits addictions stress altruism well being trauma paranormal experiences waking and sleep The volume catalogues unprecedented levels of empirical support for a psychological theory with a 97.4 percent rate of prediction from an array of well documented contributions
