Scottish Stories of Fantasy & Horror Peter Hanning, 1988 **The Clans of Darkness** Peter Haining.1971 The Clans of Darkness: Scottish Stories of Fantasy and Horror; Foreword by Angus Wilson Peter Haining, 1971 The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art Reassessing John Buchan Kate Macdonald, 2015-09-30 A collection of edited essays on the novelist John Buchan 1875 1940 author of among many other works The Thirty Nine Steps 1915 Witch Wood 1927 and Sick Heart River 1940 It considers Buchan's writing and reputation from the perspective of the twenty first century and examines Buchan's major fiction and non fictional writing Then and Now Anna E. Altmann, Gail de Vos, 2001-10-15 Altmann and de Vos are back with more great ideas for exploring contemporary reworkings of classic folk and fairy tales that appeal to teen readers If you loved New Tales for Old Libraries Unlimited 1999 this new work will be sure to please Following the same format each story includes tale type numbers motifs and lists of reworkings arranged by genre and suggestions for classroom extensions INSIDE Beauty and the Beast Jack and the Beanstalk Tam Lin Thomas the Rhymer and five fairy tales by Hans Christian Andersen A History of Moonville, Ohio and a Collection of Its Haunting Tales William M. Cullen, 2013-09-25 A History of Moonville Ohio and a Collection of its Haunting Tales Revised Edition is an updated version of a previous work the author had published back in 2008 This revised edition contains more detailed history about Moonville and its surrounding towns such as Zaleski on how they came to be most notably that Moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town and that Zaleski was named after a Polish French financier who never came to America to see his namesake town This revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern Vinton County Ohio mainly covering those who had been involved in train accidents surrounding the still standing tunnel as these trains came barreling through the area plus there are a few tales of murder as well There are also a few light hearted tales most notably that of a well known English author who had passed through Moonville on his way to tour America back in the late 1860s as well as a story about some feisty sisters in Athens who took on the expanding railroad There are human interest elements in all of this most notably to me is the story of the Dexters who had been enslaved in Virginia escaping in the 1860s having made their way to Moonville in order to live out their lives in freedom This book is about preserving the history of a mining town that began back in the 1850s thriving for nearly fifty years before it began its long slide into history though not completely forgotten for it had been once a vital part of Ohios history especially in the days leading up to the American Civil War and that is why I wrote and revised this work for Moonvilles history is a part of Ohios history Science Fiction and Fantasy Literature, Vol 1 R.
