

PRAYER FOR CLOSENESS TO GOD

"The Lord is my shepherd, I lack nothing. He makes me
lie down in green pastures, he leads me beside quiet
waters, he refreshes my soul.

He guides me along the right path, for his name's sake.
Even though I walk through the darkest valley, I will fear
no evil, for you are with me; your rod and your staff, they
comfort me.

You prepare a table before me in the presence of my
enemies. You anoint my head with oil; my cup overflows.
Surely your goodness and love will follow me all the days
of my life, and I will dwell in the house of the Lord
forever.

Amen"

The God of Intimacy and Action Mary Albert Darling, 2019-03-05 Acclaimed evangelical speaker and writer Tony Campolo teams up with spiritual director and teacher Mary Albert Darling to reveal some gems from the liturgical Christian tradition to Protestants who may be ready for a refreshing change While steeped in their own evangelical tradition the authors are not afraid to venture back into Christian history and reclaim practices that have long been considered exclusively Catholic including Centering Prayer along with works by Ignatius Loyola and Catherine of Siena as excellent spiritual tools to help evangelicals grow in faith and love for the poor A vital theme in Campolo and Darling s work is that spirituality is not solely an individualistic practice but must lead Christians to love and help the oppressed True Christian mysticism they posit is not an either or proposition That s because the nexus between evangelism and justice is to be found in Christian mysticism

Intimacy with God Dr. Mishael Carson, 2025-01-03 Have you ever felt a yearning for something more in your relationship with God A longing that stirs deep within your soul whispering that there s a closeness a richness and a love waiting to be discovered In a world filled with noise distractions and endless demands the invitation to experience true intimacy with God often feels like a distant dream But what if that intimacy is not only possible but closer than you ve ever imagined Throughout history God has consistently invited His people into a relationship marked by closeness and communion From the intimate conversations He had with Adam and Eve in the garden to Jesus tender call to abide in Him Scripture reveals that God desires to dwell with us to walk alongside us to speak to us and to know us deeply Yet many of us struggle to move beyond surface level spirituality We may attend church read our Bibles and pray but something still feels missing What does it truly mean to have an intimate relationship with God How can we live in His presence and experience His love in

transformative ways Imagine waking up every day with a profound sense of God's presence where His voice guides you His peace sustains you and His love fills the empty spaces in your heart Imagine walking a path where the Creator of the universe is not just a distant figure but your closest companion where every moment is an opportunity to grow deeper in trust love and purpose This is the life God invites you to live a life of unbroken fellowship with Him The journey may not always be easy but the rewards are eternal and life changing This book is your guide to discovering that life Together we will explore what intimacy with God truly means the biblical foundations that reveal His desire for relationship and practical steps you can take to cultivate closeness with Him Whether you are new to faith or have been walking with God for years this journey will reignite your passion and draw you nearer to the heart of the Father Are you ready to step onto the path and embrace the intimacy He offers Let's begin this journey toward the abundant joy filled relationship with God that your soul has been longing for

Christian Dogmatics Carl E. Braaten,Robert W. Jenson,2011-07 Volume 1 discusses dogmatics the Trinity the identity of God creation sin and Christology Prayer: a Force That Causes Change David Williamson,2008-06-25 This book is a call to prayer a call from lethargy and apathy that is so common today to effective prayer This is a call to unlimited prayer prayer that has great power and obtains wonderful results Christian prayer is a source of great blessing and it is a means of focusing God's power and might on our needs and problems It brings great answers if we will pray Why limit prayer when God gives breathtaking answers when we pray Prayer has great power and brings wonderful results It is like unleashing a dam of water the pent up power rushes out of the reservoir and the power affects everything it contacts it brings change This

book is a series of articles on prayer A Call to Prayer is the first of four volumes on the prayer life These articles were originally published in the online newsletter Voice of Thanksgiving The articles are intended as lessons in prayer written to promote thinking about prayer and to encourage further exploration of an effective prayer life They were also written to foster a growth in devotion to God and the Christian life of faith These articles are intended to encourage going to the Holy Spirit School of Christian life and prayer where we learn to pray not just prayers but effective faith filled prayers The Oxford Companion to Christian Thought Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors who hail from twenty countries represent as wide a range of perspectives as possible Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays *Anti-Epicurean Polemics in the New Testament Writings* Stefan Szymik, 2023-10-09 Stefan Szymik analyses New Testament texts in terms of polemic and anti Epicurean rhetoric To what extent and how did Epicurus and his philosophical thought influence the first Christian Churches How did Christians react to Epicureanism Although the New Testament only includes one account of an encounter between the Apostle Paul and the Epicureans Acts 17 18 the probability of their contacts was high given the popularity of Epicureanism in the Roman Empire in the first century CE As a vital component of Hellenistic Roman culture Epicureanism should be taken into account in research on the New Testament becoming a point of reference and part of the content of comparative analyses

Hungry for Life David J. Blundell, 2010-02-24 Hungry For Life has articulated a bold vision to see the world transformed by a global movement of compassion and justice evidenced by the eradication of needless suffering However this vision will only be realized when selfless values and resulting actions are lived out by an ever increasing number of Gods people The author presents a concise summary of physical poverty in the developing world and spiritual poverty in the developed world

Against the backdrop of these problems he then paints a biblical picture of a compassionate community of faith comparing the contemporary Western Church against what it was intended to look like The final section includes the core value changes necessary for the Church to rediscover its place as a relevant force of love and compassion This book is a prophetic call for followers of Christ and specifically their leaders to move away from religious institutionalism and move toward lives of simplicity and compassion

For the Record Timothy Brewington II, 2017-07-26 FOR THE RECORD takes the reader through the emotional journey of faith and fear as the author is confronted with his own mortality at a very young age There is a tight thread of faith hope and family that connects each chapter The author reveals the emotional rollercoaster of organ transplantation and how he had to adjust to his new normal post bone marrow transplantation The reader will also discover the authors understanding of divine intervention and how his experience shaped his view of himself the world and God The author skillfully uses the biblical context as the backdrop to aid the reader in seeing themselves in every story The reader will be challenged to look at the difficulties of life from a new perspective A perspective that will allow the reader to embrace every experience as a lesson and therefore opportunity for growth The end of the book equips the reader with the necessary tools to face the challenges of life with confidence and clarity

Christian Life 101 I Wish I Knew These Things Robert Odam, 2008-09 Do you ever wish that you knew some very basic things about God when you first committed your life to Him This book is an exposition into how the truth and power of the Word of God can transform the lives of the people who believe in Jesus Christ Do you know that God is the ultimate symbol of trust and commitment to all who need to depend on someone There is a far reaching benefit from godliness that cannot be obtained apart from faith because faith in God through Christ Jesus is a firm foundation upon which we who believe can truly rest Faith gives substance to something that does not exist physically but can be conceived in our hearts spoken about and believed in The believer cannot pursue purpose without gaining a deep and life changing revelation of his identity in Christ Jesus This book is worth reading Read more A Christian for more than 15 years Robert Odam has studied basic Christian growth taught Bible study classes and designed and directed new converts classes His book is based on subjects he personally developed and taught in his current church when he was superintendent of Bible study classes He believes the topics in this book are as relevant today as ever and it will continue to be as long as there are more Christians coming to God Robert Odam is currently a minister in his church in Crystal Minnesota Dr Robert Odam is also a full time Family Practice doctor who works out of a medical clinic in Minneapolis Minnesota

The Seven Days of the Heart Muhyiddin Ibn 'Arabi, 2008 Providing a precious glimpse into the real practice of the mystical life within the Sufi tradition this volume marks the first time any of Ibn Arabi s prayers have been translated into another language The 14 prayers include not only the most astounding expressions of devotion and contemplation but also an unparalleled depth of knowledge of union The very structure of the prayers is itself a mode of contemplation making for a unique spiritual experience

Fundamental Theology Guy Mansini, 2018-01-12 Fundamental Theology is fundamental

because it is about how we see the mysteries of God his Christ the Church and the sacraments of the Church It is about how these things show themselves how God shows them to the eyes of faith If Christ and the Church are things shown fundamental theology is about the very showing itself Talking about the showing poses the risk however of losing sight of the things shown and drifting off into abstractions By continually referring back to the things shown this book will answer many of the questions that arise when we ask about the nature and necessity of Scripture and Tradition Magisterium and Dogma Faith and its praeambula In this second volume of the Sacra Doctrina series Fr Guy Mansini takes the reader on a tour through the essence and meaning of Catholic fundamental theology This title will serve as an excellent textbook for upper level undergraduate graduate and seminary students Book jacket **The Place of the Spirit** Sarah

Morice-Brubaker, 2014-08-28 Is there any way to talk theologically about the Trinity and place What might the placedness of creation have to do with God's triunity In *The Place of the Spirit* Sarah Morice Brubaker considers how anxieties about place have influenced Trinitarian theology both what it is asked to do and the language in which it is expressed When one is nervous about collapsing God into created horizons she suggests one is apt to come up with a model of Trinity that refuses place Distance becomes a primary way of situating the divine persons in relations to each other Conversely theologians who wish to avoid a too remote God likewise recruit Trinitarian language to suit that purpose They too use language that encourages the importance of place expressing triunity in terms of coinherence and mutual indwelling And yet suggests Morice Brubaker the question has received full on attention in other areas of ethics philosophy and systematic theology *The Place of the Spirit* calls for Trinitarian thought to avail itself of those insights and offers some ways in which it may do so
