The Cloud Unknowing:

The Cloud of Unknowing Elizabeth Ruth Obbard, 2008 Those who turn to spiritual classics for guidance and inspiration often find their style daunting The original texts still have much to offer but their diction and idiom chosen for another era and audience pose an obstacle to many contemporary readers The Cloud of Unknowing for Everyone is the latest in a series that aims to make some of the greatest Christian teachers accessible to all The Cloud of Unknowing written by an unknown fourteenth century author points out that all we can know of God is slight God in Godself is unknowable to our limited intellect and thought Only love can bridge the gap love like an arrow of longing simple straightforward and direct All who feel called to a life of prayer will be captivated by the balanced precise and practical insights of The Cloud In her retelling of this classic Obbard invites contemporary readers to join previous generations who have discovered the riches of this classic text *The Cloud of Unknowing and Other Works*, 2001-08-30 Contains The Cloud of Unknowing The Mystical Theology of Saint Denis The Book of Privy Counselling and An Epistle on Prayer Against a tradition of devotional writings which focussed on knowing God through Christ's Passion and his humanity these texts describe a transcendent God who exists beyond human knowledge and human language These four texts are at the heart of medieval mystical theology in their call for contemplation calm and above all love as the way to understand the Divine

The Cloud of Unknowing, 2018-06-12 A marvelously readable translation of the great Middle English classic of Christian mysticism now part of the beautifully designed Shambhala Pocket Library collection This anonymous fourteenth century text is the glory of English mysticism and one of the most practical and useful guides to finding union with God ever written Carmen Acevedo Butcher's new translation is the first to bring the text into a modern English idiom while remaining strictly faithful to the meaning of the original Middle English The Cloud of Unknowing consists of a series of letters written by a monk to his student or disciple instructing him or her in the way of Divine union Its theology is presented in a way that is remarkably easy to understand as well as practical providing advice on prayer and contemplation that anyone can use Previous translations of the Cloud have tended to veil its intimate even friendly tone under medieval sounding language Carmen Butcher has boldly brought the text into language as appealing to modern ears as it was to its original readers more than five hundred years ago

The Cloud of Unknowing Anonymous, 2022-05-17 The Cloud of Unknowing is a seminal work of mystical theology composed in the late 14th century presenting a unique blend of contemplative prayer and traditional Christian thought Written in Middle English the text employs a distinctive epistolary style addressing a spiritual seeker on the path to divine union The author emphasizes the limitations of human knowledge when approaching God advocating for a form of prayer that transcends intellectual understanding encapsulated in the metaphorical cloud that obscures divine truths This work is part of the broader mystic tradition resonating with the themes of unknowing and divine love found in the writings of figures like Julian of Norwich and Meister Eckhart The anonymity of the author adds an aura of universality to this mystical classic suggesting that the journey

toward God is deeply personal yet shared among believers Often interpreted as a response to the burgeoning interest in mysticism during the medieval period the author s insights reflect both personal spiritual experiences and the larger cultural context of contemplative practices emerging within Christianity at the time For those seeking a profound exploration of spirituality that transcends dogma *The Cloud of Unknowing* is an essential read Its meditative guidance and rich theological insights offer timeless wisdom for contemporary seekers encouraging readers to embrace the mystery of faith and the transformative power of unknowing

The Cloud of Unknowing HarperCollins Spiritual Classics,2004-08-31 Written by an anonymous English monk during the late fourteenth century *The Cloud of Unknowing* is a sublime expression of what separates God from humanity and is widely regarded as a hallmark of Western literature and spirituality A work of simplicity courage and lucidity it is a contemplative classic on the deep mysteries of faith Lift up your heart to God with a humble impulse of love and have himself as your aim not any of his goods Set yourself to rest in this darkness always crying out after him whom you love For if you are to experience him or to see him at all insofar as it is possible here it must always be in this cloud and in this darkness *The Cloud of Unknowing*

The Cloud of Unknowing (Annotated) Anonymous Anonymous,2020-10-28 *The Cloud of Unknowing* Middle English *The Cloude of Unknowing* is an anonymous work of Christian mysticism written in Middle English in the latter half of the 14th century The text is a spiritual guide on contemplative prayer in the late Middle Ages

The Cloud of Unknowing Anonymous,2023-12-21 *The Cloud of Unknowing* is a seminal work of late 14th century mysticism that intricately explores the complex relationship between the human soul and God Written in the form of a theological guide it employs an accessible yet profound style characterized by a lyrical simplicity that unveils the depths of contemplative prayer The text invites readers to henceforth forsake intellectual reasoning in order to experience divine love emphasizing the necessity of love over knowledge in one s pursuit of union with the divine Grounded within the context of medieval spirituality it embodies the tension between scholastic thought and experiential faith offering insights that resonate profoundly with the spiritual seekers of all eras While the author remains anonymous the work is often associated with the mystic tradition likely informed by the burgeoning contemplative practices of the time The author s intimate familiarity with the writings of the Church Fathers and the mystics such as Meister Eckhart and Julian of Norwich shines through suggesting a richly developed spiritual practice This context of spiritual yearning reflects a broader societal desire for direct communion with God moving away from dogma into personal experience For those yearning for a deeper understanding of the mystical path and the essence of divine encounter *The Cloud of Unknowing* serves as an illuminating guide Its timeless wisdom encourages readers to embrace the mystery of faith and the transformative power of love This work is a must read for scholars theologians and anyone seeking to enrich their spiritual journey

The Cloud of Unknowing William Johnston,1996-07-01 William Johnston an authority on fourteenth century spirituality and specifically on the writings of this unknown author provides a substantive and accessible introduction

detailing what is known about the history of this text and its relevance throughout the ages Also included here is the author s other principal work The Book of Privy Counseling a short and moving text on the way to enlightenment through a total loss of self and consciousness only of the divine

The Cloud of Unknowing Anonymous Anonymous,2020-02-07 The Cloud of Unknowing Middle English The Cloude of Unknowing is an anonymous work of Christian mysticism written in Middle English in the latter half of the 14th century The text is a spiritual guide on contemplative prayer in the late Middle Ages

The Cloud of Unknowing John P. H. Clark,1995

Cloud Devotion David G. Robinson,2020-01-07 A personal invitation to walk with God through of the great classics of Christian spirituality This book of daily devotions is based upon The Cloud of Unknowing In this edition Robinson sought to remain as true as possible to the voice of this medieval classic Cloud Devotion follows the original Middle English text sentence by sentence with Robinson s own translation and paraphrase divided work into 366 small portions with a Scripture passage related to the theme from each daily reading My heart has yearned for this book I wanted a guide to help me savor and reflect on the spiritual classic The Cloud of Unknowing David has insightfully discerned how we might do this The partnership of this unknown ancient writer and this known living pastor is masterful I invite you into the clouds with the slow reading of this book Dr MaryKate Morse author and mentor professor of formation and leadership

The Cloud of Unknowing Evelyn Underhill Anonymous,2025-01-30 The Cloud of Unknowing written by an anonymous 14th century English mystic is a seminal work of Christian mysticism It offers practical guidance on contemplative prayer and the pursuit of divine union through love and surrender The version edited by Evelyn Underhill includes her insightful commentary which helps modern readers understand the text s depth and significance The Cloud of Unknowing offers timeless wisdom for seekers yearning for a direct experience of the divine Its teachings on humility love and the mystery of God provide a path to spiritual depth and intimacy with the sacred making it a cherished resource for contemplatives and mystics across generations

The Cloud of Unknowing Anonymous,2016-12-29 The Cloud of Unknowing is an anonymous work of Christian mysticism written in the latter half of the 14th century The text is a spiritual guide to contemplative prayer Be willing to be blind and give up all longing to know the why and how for knowing will be more of a hindrance than a help This 1912 edition was edited by Evelyn Underhill and contains her introduction

The Cloud of Unknowing Evelyn Underhill,2007-05-01 Unlike many mystics who celebrate ecstasies visions voices the scent of strange perfumes and the hearing of sweet sounds he believed that the key to a closer relationship with God required private thought and prayer and the elimination of all other distractions He distrusted psychic phenomena believing they were the accidents rather than the substance of the contemplative life and quite possibly the work of the Devil He felt that such hallucinations led only to self deception and brought the believer no closer to God Humorous at times and written in plain English The Cloud of Unknowing is intended for the general reader especially the beginner in contemplation unsure about how to overcome initial difficulties British writer of prose and poetry EVELYN UNDERHILL 1875 1941 was a fellow of King s College

for Women and King's College and was the first woman to lecture to the clergy in the Church of England Through her radio appearances and her stint as editor of the political magazine *The Spectator* she was a familiar voice in British public life between the wars She authored more than 30 books some under the pseudonym John Cordelie including *Concerning the Inner Life and Radiance A Spiritual Memoir* *The Cloud of Unknowing* Evelyn Underhill, 2002 Most probably written by a cloistered monk sometime during the 14th century this Christian classic ponders the significance of contemplation and prayer More than a discussion of the author's own spiritual experiences it is a revelation of how all can share in them One of the most realistic of mystical writers he draws his illustrations of divine mercy from the homeliest incidents of friendship and parental love Benedictine monk Laurence Freeman provides an enlightening introduction **The Cloud of Unknowing** 1400 Anonymous, 2017-02-20 *The Cloud of Unknowing* is an anonymous work of Christian mysticism written in the latter half of the 14th century The text is a spiritual guide to contemplative prayer Be willing to be blind and give up all longing to know the why and how for knowing will be more of a hindrance than a help This 1912 edition was edited by Evelyn Underhill and contains her introduction **The Cloud of Unknowing (Annotated)** Anonymous, 2020-12-24 A classic of Christian mysticism this marvelous guide to the contemplative life originated with the reflections of an unknown 14th century priest who believed that a cloud of unknowing separates people from *The Cloud of Unknowing* Anonymous, 1922 Written anonymously *The Cloud of Unknowing* is a treatise which discusses the human soul and how God interacts with it to form each person's spiritual journey A manual of prayer and God split into seventy five short chapters this book is intended to be read slowly so that the author's comprehension is maximized First written in Middle English during the 15th century the words are archaic but made comprehensible by author Evelyn Underhill who performed edits upon the original text in the early 20th century Unusually for the period this treatise is imbued with plentiful good humor and a gentle tone The author does not seek to preach oppressively or with threats of damnation but instead offers readers a relaxed thoughtful yet devoted manual of faith and advice on living a joyous spiritually mindful life Although the book is old the wisdom and guidance it offers is imbued with timelessness Evelyn Underhill an author who wrote extensively on the subjects of mysticism and spiritual experiences was fascinated by this surviving work of the late Middle Ages It was apparently written as private advice between a pupil and master and was not intended for wide publication Underhill explains her affinity to this text in her introduction identifying it as a prime example of Christian mysticism and noting past examples wherein mystics and spiritualists have influenced Christianity **The Mysticism of the Cloud of Unknowing** William Johnston, 2024-10-22 Available in a new digital edition with reflowable text suitable for e readers In this comparative work Jesuit priest and Zen meditation advocate William Johnston offers a contemporary reading of the fourteenth century Christian mystical work *The Cloud of Unknowing* and its powerful message of God's unconditional love in the face of despair **The Cloud of Unknowing** Anonymous, 2021-06-26 *The Cloud of Unknowing* is an anonymous work of Christian mysticism written in the

latter half of the 14th century The text is a spiritual guide on contemplative prayer The book counsels students to seek God through intense contemplation motivated by love and stripped of all thought This is brought about by putting all thoughts and desires under a cloud of forgetting and thereby piercing God's cloud of unknowing with a dart of longing love from the heart This form of contemplation not directed by intellect involves a spiritual union with God through the heart
