

"The Coaching Parent fills a significant gap in coaching literature. I was especially gratified to discover how much importance and space is given to the building of self-confidence in all its forms. This is the foundation stone for life and needs to be set early. Who better to do it than parents."

### **Best and Fairest Sports Parenting**

Nathan Burke, 2023-06-01 Every parent wants to do the right thing by their sports playing children The problem is that no one tells us exactly what the right thing is Best and Fairest Sports Parenting is designed to outline exactly what the right thing looks like and to increase the level of enjoyment between parents and their kids Your child may go on to become a professional player and that's great if it's what they want However the best outcome you can hope for is that when they grow into adults you can both reminisce about their formative sports playing years with heartfelt fondness enjoyment and love

*How to Be a Parent Champion and Add Magic to Your Family* Alan Wilson, 2011 Every purchaser has free access to monthly community calls to share challenges successes and practice new skills as they work through the book Parent Child Relationships are tricky to understand and gradual changes in your relationship with your child can go unnoticed Children's behaviour and attitudes can make parents feel remote and unheard at a loss to understand their child's performance at school their child's lack of attention self care or respect for others Desperate to provide the best life chances for their child parents are often advised to focus on the child but the harder the parent tries to help the harder the child pushes back As their child grows a happy family life becomes a more distant memory Rebellious teenage years may be traditional but a bad relationship with your teenager is not inevitable You can be happy and comfortable being a natural parent seeing your children from a different perspective capable and confident in meeting challenges Schools Aware Campaign Alan Wilson's second book How to be a Parent Champion and add magic to your family is the lynchpin of the approach he's bringing to schools helping them to let parents know there is a way to contribute to improving their child's outlook that they don't have to rely entirely on the resources of the school to manage behaviour and attitudes to learning and attainment That perhaps it isn't necessary for behaviour to attract the attention of specialists before you can improve the attention and behaviour of your child If you're a parent teacher or governor and think your school would welcome an approach to explain how we can work together to promote strong parent child relationships as a method for behavioural change increased engagement and attainment please contact Alan at [parentchildrelationships@gmail.com](mailto:parentchildrelationships@gmail.com) and he'll prioritise
