Mosaic Tile Company Larisa Harper, 2022-03-25 Founded in 1894 the Mosaic Tile Company was the dream of two ceramic pioneers who intended to manufacture innovative ceramic mosaic murals while also dominating the utilitarian market One of the largest such companies in the United States at the time MTC's most significant contribution to the burgeoning Ohio pottery industry was the development of innovative and varied proprietary tile production and installation methods Compared to its emphasis on mosaic murals MTC's utilitarian and giftware goods were produced in limited quantities and were not well received at the time making them rarer today This book chronicles the history of ceramic creativity in Zanesville Ohio from its earliest days as a bustling town before the Great Depression through its recovery in the 1960s It examines the Mosaic Tile Company's whole history the bygone details of this long lost business its products and its employees and incorporates images and postcards illustrating its products in each chapter *Muskegowuck Athinuwick*

Victor P. Lytwyn, 2002-03-06 The original people of the Hudson Bay lowlands often known as the Lowland Cree and known to themselves as Muskegowuck Athinuwick were among the first Aboriginal peoples in northwestern North America to come into contact with Europeans Muskegowuck Athinuwick challenges long held misconceptions about the Lowland Cree and illustrates how historians have often misunderstood the role and resourcefulness of Aboriginal peoples during the fur trade era Although their own oral histories tell that the Lowland Cree have lived in the region for thousands of years many historians have portrayed the Lowland Cree as relative newcomers who were dependent on the Hudson's Bay Company fur traders by the 1700s In Muskegowuck Athinuwick historical geographer Victor Lytwyn shows instead that the Lowland Cree had a well established traditional society that far from being dependent on Europeans was instrumental in the survival of traders throughout the network of HBC forts during the 18th and 19th centuries
