The Coffee Table Of Witchcraft And Demonology:

The Coffee Table Book of Witchcraft and Demonology Paul Huson, 1978 **Mystical Origins of the Tarot** Paul Huson, 2004-05-26 A profusely illustrated history of the occult nature of the tarot from its origins in ancient Persia The origins of the tarot have been lost in the mists of time Most scholars have guessed that its origins were in China Egypt or India Huson has expertly tracked each symbol of the Minor Arcana to roots in ancient Persia and the Major Arcana Trump card images to the medieval world of mystery miracle and morality plays A number of tarot historians have questioned the use of the tarot as a divination tool prior to the 18th century But the author demonstrates that the symbolic meanings of the Major Arcana were evident from the time they were first employed in the mid 15th century in the popular divination practice of sortilege He also reveals how the identities of the court cards in the Minor Arcana were derived from a blend of pagan and medieval sources that strongly influenced their interpretation in tarot divination Publisher marketing **Lure of the Sinister** Gareth Medway, 2001-04 A frequent writer on comparative religion and the history of occultism Medway begins by exploring what a Satanist is and why people worship Satan then looks at such topics as the history of Satan and the Pact Satanic crime hell on earth sex slaves of Lucifer and the relationship between paranoia and conspiracy He explains that as a Pagan he does not believe in Satan but neither does he believe in Christianity but knows Christians are real Annotation copyrighted by Book News Inc Portland OR **Catalog of Copyright Entries.
