Giacomo Fasano **Stop Aging, Start Living** Jeannette Graf, M.D.,Alisa Bowman,2007-09-11 Though other skin care experts have identified free radicals and cellular inflammation as key triggers to the breakdown of healthy skin renowned dermatologist and former National Institutes of Health fellow Jeannette Graf M D has discovered a way to prevent these saboteurs from developing in the first place rather than just treating the symptoms they ve caused Based on the scientifically groundbreaking premise that our cells and consequently our skin can only function best when the pH balance of our body is at its proper level Dr Graf s four part plan focuses on changing your body s ratio of acids to alkalines Most of us tend to eat three acidic building foods like sugar refined carbs meat and dairy for every one alkalizing food dark green leafy vegetables

garlic onions olive oil lemon fruit nuts and seeds and whole grains the reverse of the ideal ratio And while changing your diet is important food is not the only way to shift this ratio or reverse the cell aging that s affecting your skin The plan also includes detailed information on daily alkalinizing cocktails quality calcium mineral supplements probiotic supplements good bacteria in a bottle how to assess your skin and care for it accordingly choosing the right cleansers moisturizers and treatments that will give you the most noticeable results hint many of these products line the shelves of your local drugstore the joy prescription activities that can add exhilaration and laughter to your life and increase the neuropeptides in the brain that actually rejuvenate skin cells nutrients in foods that enhance cell energy production and cell signaling But don t just take her word for it Stop Aging Start Living is filled with testimonials from her patients Whether you want to see results fast with her twenty four hour kickstart plan ease into it with the two week prescription or just incorporate a few Stop Aging Start Living strategies into your life as they suit you you ll come away looking and feeling incredibly younger
