My dear Father

I have been out of town since last my pleasant afternoon we sat together and this is the first opportunity I have had to write you. I will not elaborate. I have the most agreeable and pleasant trip. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things.

THE LETTERS

I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things.

I am much interested in the similarity between the letters I have written and my people cannot agree. I thought I was the only one who was large rather a number of the words of the Protestant. This is a great deal. The letters, which follow in various places, are given for information. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things. I have been to the most beautiful places and have seen the most beautiful things.

The Collected Works Of Am Klein

Abraham Moses Klein

The Collected Works Of Am Klein:

Short Stories A.M. Klein, M.W. Steinberg, 1983-12-15 A M Klein's reputation as a writer on his poetry and to a lesser extent on his remarkable poetic novel *The Second Scroll*. But he also wrote many short stories over a period of more than a quarter of a century. Until now few people have been aware of their existence; many exist only in manuscript form and most of those that were published appeared in magazines that were not readily accessible to the general reading public. This volume brings them together. Klein's range of themes and styles in his short fiction as in his poetry and in his journalistic writing is broad. He draws on his Jewish experience focusing on legends, festivals and ceremonies, well known character types and familiar aspects of Jewish life in the synagogue in the home and on the streets. Klein was not limited however by his Jewish concerns for he also wrote social and political satire and parodies of the detective story and of literary debates. His pervasive sense of humour is often closely associated with his feeling for the macabre producing a quality of black comedy that is distinctly Kleinian. The stories in this volume are an invaluable addition to the canon of Klein's works and their publication will extend and reinforce his already considerable reputation.

A.M. Klein The Letters A.M. Klein, 2011-12-10 In the final volume of the *Collected Works of A M Klein* Elizabeth Popham completes the process of restoring the public voice of one of Canada's most respected authors. *A M Klein The Letters* is the first compilation of a significant body of Klein's correspondence. Using his communications to construct a compelling narrative, Popham traces Klein's career from his apprenticeship to great critical success and his tragically premature silence. The content of Klein's letters gives new resonance to his works, most notably to his critically acclaimed novel *The Second Scroll* (1951) and his Governor General Award winning *The Rocking Chair and Other Poems* (1948). In his exchanges with publishers and scholars, Klein glosses his own writing and argues for the integrity of his poetic vision. Samplings of his correspondence with Seagram's Distilleries clarify Klein's controversial role as ghost writer and PR consultant for Sam Bronfman. A valuable resource for understanding Canadian literary modernism, diasporic Judaism and the culture of Montreal, *A M Klein The Letters* is a remarkable portrait of an important Canadian literary figure of the twentieth century.

Notebooks Abraham Moses Klein, 1994-01-01 The fiction, criticism and memoirs collected here focus on Klein's exploration of the role of the artist.

A.M. Klein: Complete Poems A.M. Klein, 1990-12-15 It is for his poetry that A M Klein is best known and most warmly remembered. This collection includes all Klein's poetry, both original works and translations from Hebrew, Yiddish, Aramaic and Latin. Many of them, coming from all periods of his careers, have never been published. The poems are arranged chronologically according to date of composition. This makes possible for the first time an appreciation of Klein's poetic development. The editor's introduction places this development in the perspective of Klein's life and time and in particular explores Klein's lifelong struggle to reconcile his dual vocations as both a Jewish and a modernist writer. The textual apparatus identifies all authoritative versions for each poem and lists all emendations and all substantive variants in both published and manuscript versions. The explanatory notes

gloss obscure terms and references They also provide a rich context for appreciation and interpretation by drawing connections with Klein s life his wide reading and his work as a whole Wherever possible Klein s own numerous but scattered comments on his poems have been cited

Literary Essays and Reviews Abraham Moses Klein,1987 The passionately held views of A M Klein are focused in these essays on literature and the arts Ranging from the formally theoretical to the intensely personal they reflect the enthusiasm and the conviction characteristic of all Klein s writing Among the subjects that come under the critic s unblinking eye are various genres of Jewish literature illuminating not only on their own terms but also for what they reveal about Klein s Jewish poems There are also essays on Canadian American English and European literature as general subjects and others on specific works and individual writers including the acclaimed articles on James Joyce Throughout this collection is heard a critical voice sharpened with erudition and enriched with emotion The essays are framed with an introduction which presents a thematic analysis and a biographical chronology which places the essays in the context of Klein s life and work as teacher poet novelist and critic

Beyond Sambation A.M. Klein,1982-12-15 The broad range of A M Klein s interests ideas and activities is reflected in this selection of articles editorials and reviews a selection that also displays the qualities that distinguished all his creative writing and the highly idiosyncratic nature of his style The writings in this volume span a most critical juncture in human affairs a period that witnessed the Great Depression the rise of fascism Nazism and communism the Second World War and the emergence of the State of Israel As a journalist Klein did more than record the events he gave expression to the feelings of his people and helped shape their responses His wide reading sensitivity and intelligence made him a perceptive observer and keen analyst while his command of language his passion rhetoric and wit made him an eloquent spokesman These qualities enabled him to carry out the responsibilities as he saw them of chronicler and champion Though Klein s major concern was with the Canadian Jewish scene his interests were part of the mosaic of Canadian history and his work forms a chronicle and a commentary on events of world wide significance Klein s journalism relates frequently in both substance and language to his poems and fiction and thus provides a context for the study of his creative writing It also reveals aspects of his personality values and commitments contributing to our understanding and appreciation of one of Canada s foremost writers
