The College President Handbook James Soto Antony,Ana Mari Cauce,Lynn M. Gangone,Tara P. Nicola,2022-08-23 This volume combines specific recommendations observations and takeaways filled with candor humor and uplifting stories for one of education s most challenging roles FROM THE FOREWORD An indispensable manual for the most demanding position in higher education The College President Handbook supports campus leaders in becoming powerful and effective stewards of their institutions This comprehensive guidebook offers clear counsel in the form of candid essays by highly regarded current and former college and university presidents from across the nation It pairs their

expert appraisals with research and data to examine the critical issues that define the role today The book s contributors acknowledge the broad skill set that presidents and their executive teams must cultivate in order to achieve success Beginning with a macro view the contributors address the universal questions of vision that each higher education leader must consider critically and understand strategically Why be a president How should campus leadership engage with our board of trustees What tone should our actions communicate to stakeholders The book s chapters offer concrete tactical advice in a range of key leadership areas and emphasize essential career skills such as managing financial resources and strategic planning The contributors speak to student facing concerns as well as institutional interests and discuss personal issues specific to the office such as weathering controversy attaining work life balance and planning for post presidential life Drawing on the unique expertise of peers and predecessors this work will prove to be a core resource for anyone who is or aspires to become a president or chancellor in higher education

### **The College and University Counseling Manual**

Shannon Hodges, Kimber Shelton, Michelle Lyn, 2016-08-28 Campus counseling services today must face the challenges of greater diversity and complexity on campus while making do with fewer resources In order to be maximally effective they must be willing to engage with other services within and beyond the campus itself This comprehensive manual for campus mental health and student affairs professionals is specifically designed to provide the most current information available regarding critical issues impacting the mental health and educational experiences of today s college students It is unique in its focus on outreach beyond the walls of the counseling center and how counseling services can coordinate their efforts with other on and off campus institutions to expand their reach and provide optimal services Written for both mental health counselors and administrators the text addresses ethical and legal issues campus outreach crisis and trauma services substance abuse sexual minorities spiritual and religious issues bullying and aggression web based counseling and psychoeducational services The authors of this text distill their expertise from more than 30 years of combined experience working and teaching in a variety of college and university counseling centers throughout the United States The book serves as both a comprehensive text for courses in college counseling and college student affairs and services as well as an all inclusive manual for all college and university mental health and student affairs professionals

**Key Features Offers**  
comprehensive up to date coverage of college counseling center practices and programming Provides a unique focus on integration and coordination with other student services within and beyond the campus Covers a wide range of counseling services including academic and residential Discusses critical contemporary issues such as substance abuse response to violent and traumatic events internet bullying and diversity concerns Written by authors with a wide range of experience in counseling services and other student affairs
