**History Of Australia (Volumes 5 & 6)** Manning Clark,1999-09-13 Manning Clark s six volume history is one of the masterpieces of Australian writing It is also one of the most passionately debated visions of Australian history in which the struggle to realise an Australian nation is played out on an epic scale A History of Australia 1888 1945 covers Federation the Boer War and World War I s Gallipoli It finishes with the story of an emerging Australian identity at the point of its greatest trial the outbreak of World War II This is not a general Australian history it does not attempt to cover all aspects and it is not a definitive or quantitative analysis It is a work of art a living and breathing account of the remaking of a primitive continent history come alive

**History Of Australia (Volumes 3 & 4)** Manning Clark,1999-09-13 Manning Clark s six volume history is one of the masterpieces of Australian writing It is also one of the most passionately debated visions of Australian history in which the struggle to realise an Australian nation is played out on an epic scale A History of Australia 1824 1888 takes the story of Australia through the momentous discovery of gold and the separation of Victoria from New South Wales to the centenary of the coming of European civilisation to Australia on 26 January 1888 The story is one of destruction as well as construction the destruction of the Aborigines and the construction of an essentially English bourgeois society and the taming of an alien and seemingly sterile land This is not a general Australian history it does not attempt to cover all aspects and it is not a definitive or quantitative analysis It is a work of art a living and breathing account of the remaking of a primitive continent history come alive

**The Colonization of Australia : The Wakefield Experiment in Empire Building** Richard Charles Mills,2021-11-09 In The Colonization of Australia The Wakefield Experiment in Empire Building Richard Charles Mills delves into the intricate socio political landscape surrounding Australia s colonization during the 19th century Employing a meticulous historical narrative combined with analytical rigor Mills examines Edward Gibbon Wakefield s theories of colonization and settlement arguing how they shaped the structural and cultural dynamics of Australian society The book is rich in primary sources illustrating how the Wakefield Experiment was not merely a colonial venture but a radical social experiment that sought to create a new societal order amid pervasive imperialism Through vivid storytelling and scholarly engagement Mills situates this experiment within the broader context of British imperial ambitions and colonial policies Richard Charles Mills is a distinguished historian whose research interests lie at the intersection of colonial studies and socio political theory His extensive academic background and field research in Australia provide him with a unique lens through which to analyze the complexities of colonial endeavors Mills s intellectual journey was shaped by a commitment to understanding the lasting impacts of imperialism on indigenous peoples and the socio economic structures of post colonial societies fueling his passion for writing this book This book is an essential read for scholars and enthusiasts of colonial history as it unravels the profound implications of the Wakefield Experiment for Australia and its ongoing debates about identity land and heritage Its comprehensive analysis will enlighten readers about the nuanced relationships between

colonizers and the land they sought to dominate making it a valuable addition to the discourse on imperialism and its enduring legacies In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
