The Colors of His Love Dee Brestin, Kathy Troccoli, 2002-09-15 Following the success of the highly acclaimed *Falling in Love with Jesus* Dee Brestin and Kathy Troccoli give women the encouragement needed to become radiant women of Christ. *The Colors of His Love* will help women go deeper with Jesus by applying the secrets from John's first letter learning to clothe themselves in Christ's love. Instead of being a washed out beige living mediocre lives they can become radiant with the colors of love. Using art as a literary theme throughout the book facets of God's love are paralleled with colors giving women vivid pictures of how the imprint of God's love can change their lives. This art theme will be carried out visually in classic masterpieces that illustrate biblical stories of God's transforming love such as Esther Doubting Thomas and the Good Samaritan. Includes such chapters as Embroidered with Gold It's Not Easy Being Green True Blue Red is the Color of the Blood that Flowed Down *Am I Not Still God?* Kathy Troccoli, 2002 In an intensely personal narrative highlighting her own struggles Troccoli shares her journey to understand suffering in the face of a loving God **Archangel Raphael** Mary LaSota, **Journey to the West: A New Perspective (Full-Color Comic Edition)** Teacher Xiaoge, This book vividly recreates the entire process of the Eighty One Calamities from the perspective of various demons. With a unique viewpoint witty language and clear organization it offers a fresh take on Journey to the West. While retaining the story's framework it provides a more vivid depiction of key demon characters in each chapter helping to prevent children from experiencing aesthetic fatigue or boredom when reading the original Journey to the West *Colors of His Love* Kathy Troccoli, Dee Brestin, 2002-10 **Transformed by Oneness into His Likeness** Christine Nelson, 2013-03-27 Do you feel stagnant in your relationship with God? Perhaps you desire to know the Father more intimately having a clear channel of communication and fellowship with him. Walking in Oneness is an insightful study that will help you understand the kind of relationship God wants to have with you. Exploring ten key principles this book will give you a clear picture of the Father's heart toward you. God created man so that he could have fellowship with him. This book illustrates how this fellowship and oneness is fulfilled by Jesus and how it can be fulfilled by you. Christine Nelson aims to reveal many truths about the fellowship that Jesus shared with the Father while candidly sharing about her journey and fellowship with God *Moms at the Well* Tara Edelschick, Kathy Tuan-MacLean, 2024-04-30 Motherhood is hard. Really hard. That's why we need a well. For centuries neighborhood wells served as gathering spaces that provided community and relationships for women. This seven-week Bible study offers a modern-day well for mothers to gather and experience the God who invites us into a process of spiritual transformation *Collision of Realities* Lars Schmeink, Astrid Böger, 2012-05-29 Even though the fantastic in its most inclusive definition has been a part of our culture for as long as it exists it has not been a prominent feature of European academic interest. With its inherent transgressive moment the fantastic allows for an ideal space of the cultural negotiation of political social and physical boundaries which should place it at the center of popular cultural research not as is the case at

its periphery But the commencing boom of fantastic themes in contemporary media production has facilitated a paradigmatic change in research prompting a wide interest in the fantastic in all its forms from fantasy to horror from fairy tale to science fiction This volume addresses this growing interest by reviewing the status of research on the fantastic in Europe so far and by providing a necessary outlook for the future In the essays current trends such as the liminality debate as well as established discourses as for example on genre theory are brought together to show interested researchers a network of interdisciplinary from literary media and social studies approaches towards the fantastic
