## **The Comfortable House:**

**The Gentleman's House** Robert Kerr,1865      **The Gentleman's House** Robert Kerr,2012-03-08 This 1864 guide to stately home building for gentlemen by a leading architect includes a history of British domestic life      *The Comfortable House* Alan Gowans,1986-01 Surveys the varied architectural styles of the free standing single family American suburban home many of which were ordered from catalogs      Comfort in the Eighteenth-Century Country House Jon Stobart,2021-09-21 Country houses were grand statements of power and status but they were also places where people lived This book traces the changes in layout the new technologies and the innovations in furniture that made them more convenient and comfortable It argues that these material changes were just one aspect of comfort in the country house feeling comfortable was just as important as being comfortable Achieving this involved the comfort and solace to be found in daily routines religious faith and above all relationships with family and friends Such emotional comforts and the attachment to things and places that embodied and memorialized them made country houses into homes      **Annual Report of the Commissioner of Labor** United States. Department of Labor,1892      **A History of European Housing in Australia** Patrick Troy,2000-06-22 This collection of essays first published in 2000 was the first systematic attempt to explain the social administrative technical and cultural history of European housing in Australia Written by a collaborative team of scholars from a wide range of disciplines it explains how Australian housing has evolved from the ideas brought by the first settlers and what makes Australian housing distinctive in social terms This book covers a broad range of topics including the ways in which houses reflect social values and aspirations the relationship between houses and gardens the home as a site of domestic production and consumption and an exploration of how housing provides the basis for developing a sense of community The book will be invaluable for students of urban affairs and those engaged in housing and the design professions as well as policy makers and analysts in the public and private sectors      *House documents* ,1893      Bradshaw's monthly railway and steam navigation guide George Bradshaw,1862      *Comfort in Contemporary Culture* Dorothee Birke,Stella Butter,2020-10-06 Comfort is a prominent and highly loaded concept as popular discourses on cosy environments safe spaces but also the importance of getting out of your comfort zone attest This volume is the first to investigate comfort as a cultural narrative and emotional touchstone in contemporary culture Taken together the contributions to the volume offer an overview of different approaches to and conceptualisations of comfort in linguistics in literary media and cultural studies and art history They showcase how comfort serves as a valuable lens to analyse contemporary artworks and developments e g live theatre broadcasting or political interventions in the US American media sphere      *The Baptist Home Mission Monthly* ,1897      *Bradshaw's continental [afterw.] monthly continental railway, steam navigation & conveyance guide. June 1847 - July/Oct. 1939* George Bradshaw,1856      **The Preservationist's Guide to Technological Change and the American Home 1600-1900** Lee Perry,2000-08-11 Book Description This work is an exploration of American building technologies as

they evolved during the period between colonial times and nineteen hundred The manuscript consists of six chapters and an historical glossary of building construction related terms The chapters cover technological developments in house framing masonry materials and techniques plumbing heating lighting and architectural details and finishes The glossary of terms follows the meanings of building terminology as it developed over the course of three centuries The intent of this work is to create a detailed if not utterly comprehensive body of information tracing the way in which our homes changed as they mirrored the impact of technological change on all aspects of the American condition We are and have been from the start a nation of ardent techno junkies The technological evolution of our homes offers a useful and clear metaphor through which to trace the evolution of our technological development and related national character through primary focus on the concrete and practical aspects of the technologies of residential architecture Author Bio Lee comes from a New England background and has both a lifetime of building experience with historic structures and a formal advanced education in the field of historic preservation For the past ten years he has worked as a project manager on a variety of high profile museum projects

The North British Review ,1852      *Small Houses of the Twenties* Sears, Roebuck and Company,1991-06-01 Excellent reproduction of rare catalog illustrates and describes 86 different types of houses and bungalows still in evidence across America Over 300 photographs illustrations and floor plans with full descriptions comprise an invaluable sourcebook for study authentication or restoration of antique articles or architecture

Embodied Utopias Amy Bingaman,Lise Sanders,Rebecca Zorach,2003-12-16 Utopia has become a dirty word in recent scholarship on modernism architecture urban planning and gender studies Many utopian designs now appear impractical manifesting an arrogant disregard for the lived experiences of the ordinary inhabitants who make daily use of global public and private spaces The essays in Embodied Utopias argue that the gendered body is the crux of the hopes and disappointments of modern urban and suburban utopias of the Americas Europe and Asia They reassess utopian projects masculinist feminist colonialist progressive of the late nineteenth and early twentieth centuries they survey the dystopian landscapes of the present and they gesture at the potential for an embodied approach to the urban future to the changing spaces of cities and virtual landscapes

The Canadian Home Marc Denhez,1994-09-01 Would you want to live in a factory molded cube made of plastic asbestos and UFFI With an H bomb shelter and the nuclear furnace underneath Or a house designed by God to harmonize with the cosmic Muzak The Canadian Home explains how our housing came to be including the pagan origins of colonial homes why Tudor is not Tudor and where so many predictions went wrong But the book is not just about tastes and floor plans it also celebrates technological innovation from prehistoric Inuit windows of stretched seal guts to the R 2000 house and habitation in space For the first time records of the Canadian Home Builders Association have been opened to reveal the power plays of bureaucrats developers architects and financiers and how they affect the quality affordability and choice of our housing today Fiery debates over the sublime and the ridiculous e g 1940s architectural articles on whether Toronto should be bombed are

set against the backdrop of Canadian politics and industrial history Whether the reader's interest is in construction politics or home decor this book explains why the roof over our heads is the way it is Pierre Berton In his fascinating study of Canadian shelter Marc Denhez takes us on a 20 000 year journey from the days of the cave the tipi and the igloo to the H bomb shelter and the mobile home This is in short a lively as well as an erudite study of the development of housing It deserves a permanent position on any library shelf If you live in a house or own one or build one if you have a roof over your head read this book A housing book with punch and humour immensely enjoyable Charles Lynch author journalist and former governor of Heritage Canada     Pilate and Herod Harvey Stanley,1853     **American Agriculturist** ,1925     **The Greatest**

The Greatest British Classics Ever Written encapsulates an unrivaled collection traversing the comprehensive spectrum of British literature. This anthology presents a curated selection of works that showcase not only the evolution of literary styles but also the thematic depth which has characterized centuries of English writing. From the cerebral comedies of Oscar Wilde to the haunting gothic tales of Ann Ward Radcliffe and the pioneering science fiction of H. G. Wells, this collection emphasizes the diversity and significant contributions of British literature to the global canon. Standout pieces capture the essence of human condition, societal shifts, and the unending quest for identity and belonging within varied historical and socio-political contexts. The authors and editors hailing from different epochs bring together an impressive array of backgrounds, literary movements, and philosophical ideologies. This melting pot includes the romantic disillusionment of the Brontë sisters, the sharp social critique of Charles Dickens, the existential musings of T. S. Eliot, and the pioneering narratives of Mary Shelley. Their collective works represent a cross-section of the historical nuances, cultural shifts, and the rich literary heritage of the British Isles, revealing a shared lineage of exploration, innovation, and a profound inquiry into the human spirit and societal constructs. For aficionados and newcomers to British literature alike, this anthology offers a unique opportunity to immerse oneself in the rich tapestry of British literary genius. The Greatest British Classics Ever Written is more than just a collection; it's a journey through time, offering a panoramic view of the ideas and aesthetics that have shaped not only British literature but also the global literary landscape. Readers are encouraged to delve into this meticulously curated anthology to experience the breadth of insights, the evolution of literary forms, and the dialogue fostered between the era-defining works of these seminal authors. It's an essential volume for those seeking to understand the legacy and continued relevance of British literary contributions to world culture.
