The Coming Restoration:

The Coming Restoration Kenneth E. Hagin, 1985-06 This anointed minibook explains the move of the Holy Spirit today to restore the power authority and character of Christ in the Church and in the lives of believers **The Coming Restoration** Bert M Farias, 2022-08-11 The purpose of revival is to restore life to the Church and to bring reformation where necessary Revival and revivalism are only one step toward the original standard and design of God The Divine standard is for a Spirit filled Church of love and power and a mature man in Christ There is a coming restoration in the Church that will produce a glory that will be greater than anything we've ever seen God's remnant people are pregnant with a giant baby called The Coming Restoration and the manifestation of the glorious sons of God on the earth In this hour Jesus is building strong local churches that reflect His own image of grace and truth through the restoration of character doctrine power and authority in His people and the fullness of the Spirit especially in His servant leaders and those who govern The Word says the government will rest upon His shoulders and His disciples kept that in view when each city became the local seat of His government This is why when we read Scriptures it speaks of the called out assembly of Ephesus or the called out assembly of Corinth or Philippi etc In essence Jesus was instructing His disciples to build His government with His saints in each city united together as one local body the local expression of His Kingdom They were thus to bring in His authority and glory on this earth through Jesus their Lord and King **2036** Bruce Reynolds, 2010-08 **The Coming Man** James Elishama Smith, 1873 **The Coming New World Order** Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who's world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man's vision and his world ruling government that has only produced war or God's vision and Christ's world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don't heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming *The Coming Kingdom* C. A. Rominger, 1908

The Coming Kingdom of God Eric M Hill, Unique Study Guide on the Second Coming of Christ If you are excited about the coming of the Lord you're going to love this book If you'd like to be able to look in one place to see what every New Testament book says about your eternal inheritance in the coming kingdom of God you're going to love this book Written Conversationally and Easy to Understand The Coming Kingdom of God is a unique and easy to understand reference that

Patrick Jensen,2020-12-16 The Coming Winter is a work for pastors by a pastor about Paul the pastor The work seeks to integrate both a personal story of contemporary pastoral ministry within the rubric of Timothy s story as a benefactor of Paul s guidance in and through the epistle of 1 Timothy The book seeks to guide the local church pastor through conflict management polity liturgy and healing from woundedness **The Coming Decade** United States. Congress. Senate. Committee on Labor and Human Resources,1979 *An answer to a Pamphlet [By D. Pae.] entitled, "The Coming Struggle."* ,1853 **The Road To Restoration** Thomas Fitzhugh Sheets,2016-10-23 While I have worked on this project for two years about halfway through I told my pastor that I felt like I was taking on the whole John 3 16 Christian culture While I have never believed that at the moment of belief or surrender we receive the keys to the kingdom I have come to the understanding that Jesus is telling Nicodemus who He is and what He is going to do at His second coming He takes care of the sin problem and shows that He has the power over the death in His first coming initiates the age of true righteousness and sets the stage for His second coming It is at this time that He lifts the curse and completes the promise made to Abraham reveals who the children of God are and establishes His kingdom here on this earth On that Day the dead in Christ will come out of the grave and meet Him in the air We have a choice of whether to believe that Jesus completes the work of salvation at His first coming or His second coming There are so many scriptures that place the complete work of salvation at His second coming that I find it difficult to believe that He completes this work at His first coming It comes down to mankind s desire for instant gratification In Luke 9 there is a passage where Jesus before He picks up His cross once and for all time talks specifically about who He is and what He has come to do at his first coming In that passage he tells His disciples that they too along with all those who choose to follow Him must pick up their cross daily This does not appeal to the instant gratification crowd but it is where faith begins Where our faith journey begins determines where our journey will end *The Coming of God* Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian

eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God

The Second Coming of Our Lord ,1885 The Majesty of God's Law: Its Coming to America ,

The Majesty of God s Law is a study of the history and development of the only system of law which was revealed by God himself That is why it is called God s Law The Psalmist described the supreme excellence of God s law when he said The law of the Lord is perfect converting the soul the testimony of the Lord is sure making wise the simple The statutes of the Lord are right rejoicing the heart the commandment of the Lord is pure enlightening the eyes Psalms 19 7 8 The entire code of God s law is carefully enunciated in the five chapters of this book Under this judicial system there are only about a hundred statutes required to govern a community state a nation and the world But this is only possible when these laws are in the hands of the wise and virtuous judges In order to make the system work the people must be taught the law and then they must enter into a solemn covenant to honor and sustain the precepts When Moses gave this law to the ancient Israelites he said it could make them most peaceful prosperous and powerful people in the World However it was revealed to Moses that the people of the age would violate its precepts He then learned that it would not be until the latter days that this law would be lived the way it was originally designed The American Founding Fathers picked up on that promise because it appeared to them that it would be in this choice land where this great promise would one day be fulfilled Nevertheless they recognized that the Constitution was the indispensable foundation for such an inspired system of prosperity justice and peace When they saw the Constitution would gradually unravel they knew that this character of liberty would have to be restored in all its pristine power by some future generation And they knew this would have to occur before God s law could be inaugurated Someday God s law is coming to America It could come rapidly after a period of cleansing and reform even in our day And since Moses said it would eventually transpire there needs to be a generation of Americans trained and motivated to put it into effect Dr Skousen has prepared this present study in hopes that it might be of assistance

The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the

end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective

Access Behind the Veil Dr. Michael Petro ,2015-11-12 Many in the Church are waiting with expectation for the second coming of Christ The parable of the wedding feast in Matthew 22 tells us that the Church the Bride was invited to the wedding but didn't come In 2 Thessalonians Paul warns that the second coming would be preceded by a great falling away and Matthew 24 says that if these days were not cut short then even the elect could be deceived With thousands of Christian denominations preaching a different gospel let us examine Scripture from the earliest perspective which is that of the Early Church The Early Church Fathers were the spiritual sons of the apostles who learned directly from Jesus They tell us what the end would be like and unlock the deeper meanings of Scripture While many today are waiting to be raptured these apostolic men believed that the glory of God would first manifest in His Church The apocalypse often misunderstood to mean the end of the world is simply two Greek words put together apo to destroy and kalypto the veil The Book of Revelation is about destroying the veil to enter back into the glory of God These revelatory teachings were passed down and preserved for hundreds of years yet for the most part the opposite is being taught in the body of Christ today Jesus tells us in Matthew 17 that Elijah is coming and will restore all things This Elijah spirit is upon us now to make the way straight through revelatory teaching of Scripture and to bring the fear of the Lord back to wake up the sleeping Church while there's still time The Early Church taught that without Elijah preparing and sealing the Church not one would be saved At the same time under the leadership of the Catholic Church a second sealing is taking place with all

major Christian denominations coming into covenant with Islam Buddhism and Hinduism saying there are many ways to God The great apostasy is here but nothing will stop this final move of God The world will see a full restoration of His glory on Earth as it is in heaven Through revelation or an apocalypse let us step behind the veil to have full access to the glory of God and His redemptive plan for us as His children For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea Hab 2 14

The American Quest for the Primitive Church Richard Thomas Hughes, 1988 The dream of restoring primitive Christianity lies close to the core of the identity of some American denominations Churches of Christ Latter day Saints some Mennonites and a variety of Holiness and Pentecostal denominations But how can a return to ancient Christianity be sustained in a world increasingly driven by modernization What meaning might such a vision have in the modern world Twelve distinguished scholars explore these and related questions in this provocative book
