Hilary St. George Saunders, 2016-01-18 I am not worried about the fighting I know you re fairly bloody minded But I want to speak of discipline during the battle You must get ashore if you have to swim and I hope some of you will return as you ll be very useful for the next show The words of a Commando officer to his men before they stormed the beaches of Sicily under heavy machine gun fire sum up the swashbuckling devil may care spirit of the toughest fighting men produced the Commandos For their raids and battles far behind enemy lines in France North Africa Sicily Italy and Burma the men in the Green Beret have become a legend This book shows how this legend was forged     **Combined Operations; The Official Story of The Commandos** Hilary St. George Saunders MC, 2016-07-26 This is an astonishing absolutely absorbing account of the accomplishments of those picked men from the Royal Navy the British Army and the Royal Air Force who work with U S Rangers and others of the United Nations in what is known officially as Combined Operations or more popularly the Commandos So far as possible without giving aid to the enemy it is the complete story of the Commandos since the very beginning of their activities commencing

with the experimental attacks on Norwegian islands and proceeding with more ambitious attempts on the Continent In quick succession follow highly dramatic accounts of the assault on southern Italy the evacuation of Crete the defeat of the French in Syria the daring penetration of the enemy's line in Libya culminating in the suspenseful stalking of Rommel's headquarters the assault on St Nazaire the capture of Madagascar the Dieppe raid the invasion of North Africa The book is utterly without heroics and yet is all heroism The reader marvels at the terrible efficiency the terrible simplicity the terrible courage and the awesome nonchalance of the British Royal Navy and Army and R A F men who participate in these raids The author has the true narrator's gift a style which is direct authentic episodic in a high degree and stirring from beginning to end The inspiring scenes he describes keep recurring to the reader long after the book has been laid aside **The Commando** Ben Mckelvey, 2017-10-19 Corporal Baird was a modern day warrior who set a standard that every soldier aspires to achieve GENERAL DAVID HURLEY On 22 June 2013 Corporal Cameron Baird was a 2nd Commando Regiment Special Forces soldier when he led his platoon into a known Taliban stronghold to back up another Australian unit under heavy fire In the prolonged firefight Cameron was mortally wounded In 2014 Cameron's bravery and courage under fire saw him posthumously awarded the 100th Victoria Cross our highest award possible for bravery in the presence of the enemy Cameron Baird died how he lived at the front giving it his all without any indecision He will forever be remembered by his mates and the soldiers he served with in the 2nd Commando Regiment THE COMMANDO reveals Cameron's life from young boy and aspiring AFL player who only missed out on being drafted because of injury to exemplary soldier and leader Cameron's story and that of 4RAR and 2nd Commando personifies the courage and character of the men and women who go to war and will show us the good man we have lost *The Pilot and the Commando* Anthony Meredith, 2011-12-21 The Pilot And The Commando tells the stories of David Carter MBE a Fleet Air Arm pilot and his close friend Jos Nicholl MC an Army commando giving fresh and vivid insights into what it meant to be a young man on active service in the Second World War fighting in places as remote as Ceylon Africa Madagascar Yugoslavia and Albania Major events in which they participated also included the sinking of the Ark Royal off Gibraltar the Allied landings at Salerno and the liberation of Sicily and Italy A final chapter puts their wartime service into the context of their later lives The Pilot And The Commando is much more however than just a stirring commemoration of bravery in action Both David and Jos were committed Christians and the book much helped by the use of diaries and letters has as its central theme the testing and strengthening of their faith through times of deep adversity Writing of his experiences soon after the war Jos Nicholl concluded I have found that Jesus Christ provides the inspiration for every possible occasion or need He can act as guide and helper and comforter but primarily He can be the driving force in a life that is devoted to Him and with this compelling power behind them it becomes true in practice that the people that do know their God shall be strong and do exploits These words find complete exemplification in The Pilot And The Commando David and Joss story is both uplifting and challenging **Commandos** Douglas Waller, 2020-02-18 Discover what it takes to
