**The Common Scents of Smell** Russell C. Erb, 1968      **Culture Is Our Business** Marshall McLuhan, 2015-02-12

Culture Is Our Business is Marshall McLuhan's sequel to *The Mechanical Bride* Folklore of Industrial Man Returning to the subject of advertising newly armed with the electric sensibility that informed *The Gutenberg Galaxy* Understanding Media and *The Medium Is the Massage* McLuhan takes on the mad men a play on the ad men of Madison Avenue of the sixties Approaching commercial messages as unacknowledged art forms and cultural artifacts McLuhan delivers a series of probes that pick apart their meanings and underlying values their paradoxes and paralogisms and their overt function as persuasion and propaganda Through humor satire and a poetic sensibility he provides us with a serious exploration of the consumer culture that emerged out of the electronic media environment In keeping with the participatory ethos of the Internet that McLuhan so clearly anticipated this is a book that is meant to open the door to further study reflection and discussion and to encourage the development of critical reception on the part of the reader      *Catalog of Copyright Entries.
