**Everyday Religion** Hannah Whitall Smith,2014-08-07 This Is A New Release Of The Original 1893 Edition *Common Sense and the Bible* Arthur Thornton,2023-04-21 The author feels that there is a strong need today in this world of turbulence and uncertainty for people to have something they can believe in for them to know that God has a place and that everyone is in it For this reason this and future books are being written so they can know their future is assured The author has found in speaking with many people that only a few people really have any knowledge of God With this in mind he decided to write a book that brought out the character of God and all his good qualities God is a real spiritual being with a personality just like we have remember we were made in his image If people understood God they would like him not fear him He has plans just like you and I have but his plans will not fail He has nothing but good planned for us just like our plans for our children or those close to us In writing this book he has endeavored to bring out his true character and give people a better understanding of who God really is With this in mind he has other books planned for the future such as books on Jesus the ending of the Gospel Age times of trouble the millennium Israel the Bible the Great Pyramid doctrines and the church

**Everyday Religion Or the Common Sense Teaching of the Bible** Hannah Whitall Smith,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1893 edition Excerpt TEMPTATION Foundat1on Text Blessed is the man that endureth temptation for when he is tried he shall receive the crown of life which the Lord hath promised to them that love Him James i 12 If there is one thing more than another that we need to have on a good sound common sense basis it is the subject of temptation for nothing I feel convinced is more misunderstood Moreover temptation is an affair of every day and in a book of lessons for every day life it is of vital importance The first common sense thing that I would say concerning temptation is that temptation is not sin The second thing I would say is the same and the third thing is the same also It may seem to some as if this hardly needed to be said so emphatically because every one must already know it but I believe on the contrary that very few really know it People often assent to a thing as a theory which practically they do not in the least believe and this is just one of these things No doubt every one who reads this lesson will say he entirely unites with my proposition that temptation is not sin but as a matter of practical experience how many act on this belief Our foundation text tells us that it is a blessed thing to endure temptation but do we really believe it to be a blessed thing Do we not mostly feel instead that it is a cursed thing and that we must be dreadful sinners just because we are tempted A flood of evil thoughts is poured into our souls proud thoughts unkind thoughts malicious thoughts jealous thoughts They are thoughts we loathe and yet that we seem to originate and we feel that we must be very wicked and very far off from God to be able to have such thoughts at all It is as though a burglar should *Common Sense in Education and Teaching* Percy Arthur Barnett,1899
