The Hungarian Minority Situation In Ceausescu Romania:

The Hungarian Minority's Situation in Ceausescu's Romania Rudolf Joó, Andrew Ludanyi, 1994 JoA3 and Ludanyi trace and open up to scrutiny the oppressive minority politics of the Ceausescu era that ultimately contributed to the dictator's downfall in 1989

Stalin's Legacy in Romania Stefano Bottoni, 2018-05-29 This study explores the little known history of the Hungarian Autonomous Region HAR a Soviet style territorial autonomy that was granted in Romania on Stalin's personal advice to the Hungarian Szekely community in the summer of 1952 Since 1945 a complex mechanism of ethnic balance and power sharing helped the Romanian Communist Party RCP to strengthen with Soviet assistance its political legitimacy among different national and social groups The communist national policy followed an integrative approach toward most minority communities with the relevant exception of Germans who were declared collectively responsible for the German occupation and were denied political and even civil rights until 1948 The Hungarians of Transylvania were provided with full civil political cultural and linguistic rights to encourage political integration The ideological premises of the Hungarian Autonomous Region followed the Bolshevik pattern of territorial autonomy elaborated by Lenin and Stalin in the early 1920s The Hungarians of Szekely Land would become a titular nationality provided with extensive cultural rights Yet on the other hand the Romanian central power used the region as an instrument of political and social integration for the Hungarian minority into the communist state The management of ethnic conflicts increased the ability of the PCR to control the territory and at the same time provided the ruling party with a useful precedent for the far larger nationalization of the Romanian communist regime which starting from the late 1950s resulted in ethnicized communism an aim achieved without making use of pre war nationalist discourse After the Hungarian

revolution of 1956 repression affected a great number of Hungarian individuals accused of nationalism and irredentism In 1960 the HAR also suffered territorial reshaping its Hungarian born political leadership being replaced by ethnic Romanian cadres The decisive shift from a class dictatorship toward an ethnicized totalitarian regime was the product of the Gheorghiu Dej era and as such it represented the logical outcome of a long standing ideological fouling of Romanian communism and more traditional state building ideologies **MFN Status for Hungary, Romania, China, and Afghanistan** United States. Ceausescu and the Securitate Dennis Deletant,2016-12-05 First Published in 2017 This book contains Deletant s research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security Forbidden Football in Ceausescu's Romania László Péter,2018-02-08 This book presents an ethnographic description and sociological interpretation of the football gatherings that evolved out of central Romania in the late twentieth century In the 1980 s Romanian public television did not broadcast football mega events for economic and political reasons In response masses of people would leave their homes and travel into the mountains to pick up the TV broadcast from neighbouring countries The phenomenon grew into a social institution with a penetrating force it produced an alternative social space and a dissident public that pointed to a form of resistance taking place through football Forbidden Football in Ceausescu s Romania provides an insight into the everyday life under the pressure of dictatorship and through the special patterns of sports consumption it tells a social history through small individual stories related to football Emigration Waiver to the Socialist Republic of Romania and the Hungarian People's Republic and Nondiscriminatory Treatment of the Products of Romania United States. Congress. House. Committee on Ways and Means. Subcommittee on Trade,1978 *Ethnic Bargaining* Erin K. Jenne,2014-05-29 In *Ethnic Bargaining* Erin K Jenne introduces a theory of minority politics that blends comparative analysis and field research in the postcommunist countries of East Central Europe with insights from rational choice Jenne finds that claims by ethnic minorities have become more frequent since 1945 even though nation states have been on the whole more responsive to groups than in earlier periods Minorities that perceive an increase in their bargaining power will tend to radicalize their demands she argues from affirmative action to regional autonomy to secession in an effort to attract ever greater concessions from the central government The language of self determination and minority rights originally adopted by the Great Powers to redraw boundaries after World War I was later used to facilitate the process of decolonization Jenne believes that in the 1960s various ethnic minorities began to use the same discourse to pressure national governments into transfer payments and

power sharing arrangements Violence against minorities was actually in some cases fueled by this politicization of ethnic difference Jenne uses a rationalist theory of bargaining to examine the dynamics of ethnic cleavage in the cases of the Sudeten Germans in interwar Czechoslovakia Slovaks and Moravians in postcommunist Czechoslovakia the Hungarians in Romania Slovakia and Vojvodina and the Albanians in Kosovo Throughout Ethnic Bargaining she challenges the conventional wisdom that partisan intervention is an effective mechanism for protecting minorities and preventing or resolving internal conflict
