*The Icecream Lady* Lenny Emmanuel, 1997 *The Icecream Lady* is a book beautiful both in its physical format and in its spiritual implications The bulk of the collection consists of poems but the whole book is poetry To see it merely as a mix of many styles would be a gross error as it is a synthesis an alchemical compound The poems are modern in the best sense and like all real poetry there is an underlying intelligence at work Lenny Emmanuel's work is accessible but never obvious beneath the polished veneer of many poems are skillful allusions to the tradition sometimes it is the Arthurian legends and the Matter of Britain at other times something deeply American in the celebration and scolding of his country and culture This is a marvelous collection urbane humorous but above all serious and humane *The Icecream Lady* is about as American as you can get but it is a book for the whole world **Jewish Currents** ,2008 **American Book Publishing Record**
