The Idea Of Future Life In Islam:

The Spirit of Islâm Syed Ameer Ali,1923 The Idea of Idolatry and the Emergence of Islam G. R. Hawting,1999-12-09

Why and under what circumstances did the religion of Islam emerge in a remote part of Arabia at the beginning of the seventh century Traditional scholarship maintains that Islam developed in opposition to the idolatrous and polytheistic religion of the Arabs of Mecca and the surrounding regions In this study of pre Islamic Arabian religion G R Hawting adopts a comparative religious perspective to suggest an alternative view By examining the various bodies of evidence which survive from this period the Koran and the vast resources of the Islamic tradition the author argues that in fact Islam arose out of conflict with other monotheists whose beliefs and practices were judged to fall short of true monotheism and were in consequence attacked polemically as idolatry The author is adept at unravelling the complexities of the source material and students and scholars will find his argument both engaging and persuasive The Evolution of Future Consciousness

The Future of Political Islam Graham E. Fuller, 2003-05-12 September 11 vitriolic rhetoric against the United States by prominent Muslims the war against terrorism shifts from Afghanistan to the Philippines and Indonesia It is easy to believe Islam and Muslims are enemies of the West it is also wrong This sweeping survey of trends in the Muslim world contends that the issue is not whether Islam plays a central role in politics but what Muslims want To focus on radicalism and extremism blinds us from another trend liberal political Islam Proponents of liberal political Islam emphasize human rights and democracy tolerance and cooperation They face an uphill struggle as authoritarian regimes oppress opposition and use Islam to justify their undemocratic rule As people are denied avenues to participate and criticize as secular ideologies have failed religion has come to play a central role in politics The outcome of the struggle between extremists and liberals will determine the future of political Islam
