Thompson* Kevin T. McEneaney, 2016-06-09 A decade after Hunter S Thompson's death his books including *Hell's Angels* *The Curse of Lono* *The Great Shark Hunt* and *Rum Diary* continue to sell thousands of copies each year and previously unpublished manuscripts of his still surface for publication While Thompson never claimed to be a great writer he did invent a new literary style gonzo that has been widely influential on both literature and journalism Though Thompson and his work engendered a significant even rabid following relatively little analysis has been published about his writing In *Hunter S Thompson Fear Loathing and the Birth of Gonzo* Kevin T McEneaney examines the intellectual background of this American original providing biographical details and placing Thompson within a larger social and historical context A significant portion of this book is devoted to the creation reception and legacy of his most important works particularly *Fear and Loathing in Las Vegas* In addition to discussing influences on Thompson's work including Homer Nietzsche Spengler Melville Twain Hemingway Fitzgerald Kerouac and others as well as the writers Thompson influenced McEneaney also explains the literary origins of gonzo With new biographical information about Thompson and an examination of his writing techniques this book provides readers with a better understanding of the journalist and novelist A look beyond the larger than life public persona Hunter S Thompson *Fear Loathing and the Birth of Gonzo* will be of great interest to fans of Thompson's work as well as to those wanting to know more about gonzo journalism and literature      *The Bradys and the Chinese Dwarf; Or, the "Que Hunter" of the Barbary Coast*, 1907      The Ruby in Her Navel Barry Unsworth, 2009-02-04 Set in the Middle Ages during the brief yet glittering rule of the Norman kings *The Ruby in Her Navel* is a tale in which the conflicts of the past portend the present The novel opens in Palermo in which Latin and Greek Arab and Jew live together in precarious harmony Thurstan Beauchamp the Christian son of a Norman knight works for Yusuf a Muslim Arab in the palace's central finance office a job which includes the management of blackmail and bribes and the gathering of secret information for the king But the peace and prosperity of the kingdom is being threatened internally as well as externally Known for his loyalty but divided between the ideals of chivalry and the harsh political realities of his tumultuous times Thurstan is dispatched to uncover the

conspiracies brewing against his king During his journeys he encounters the woman he loved as a youth and the renewed promise of her love as well as the mysterious presence of an itinerant dancing girl sends him on a spiritual odyssey that forces him to question the nature of his ambition and the folly of uncritical reverence for authority With the exquisite prose and masterful narrative drive that have earned him widespread acclaim Barry Unsworth transports the reader to a distant past filled with deception and mystery and whose racial tribal and religious tensions are still with us today **The Lost**

**Heiress** Emma Dorothy Eliza Nevitte Southworth, 1854 The story of a heroine rescued by her father from a domineering suitor **After Hannibal** Barry Unsworth, 2012-01-10 Golden Umbria is home to breathtaking scenery and great art it is also where Hannibal and his invading band of Carthaginians ambushed and slaughtered a Roman legion and where the local place names still speak of that bloodshed Unsworth's contemporary invaders include the Greens a retired American couple seeking serenity among the Umbrian hills who are bilked out of their savings by the corrupt English building expert Stan Blemish the Chapmans a British property speculator and his wife whose dispute with their neighbors over a wall escalates into a feud of nearly medieval proportions Anders Ritter a German haunted by the part his father played in a mass killing of Italian hostages in Rome during the Second World War and Fabio and Arturo a gay couple who searching for peace and self sufficiency find treachery instead And at the center of all these webs of deceit and greed is the cunning lawyer Mancini happy to aid the disputants and to exploit to the fullest the faith that these innocents abroad have placed in him **Wild**
