**The Image** Daniel J. Boorstin, 2012-05-09 Daniel J. Boorstin's prophetic vision of an America inundated by its own illusions is an essential resource for any reader who wants to distinguish the manifold deceptions of our culture from its few enduring truths. The book that best explains Trump's dominance may well have been published in 1962. In *The Image: A Guide to Pseudo-Events in America*, the historian Daniel J. Boorstin described the image as a medium—a photograph, a movie, a representation of life laid out on pulp or screen that becomes soon enough a habit of mind. *The Atlantic*: Boorstin's book tells us how to see and listen and how to think about what we see and hear. George Will first published in 1962, this wonderfully provocative book introduced the notion of pseudo-events, events such as press conferences and presidential debates which are manufactured solely in order to be reported and the contemporary definition of celebrity as a person who is known for his well-knownness.

**Popular Photography**, 1991-01 [The Image and Role of the Librarian](#) Linda S. Katz, 2003-06-27 *The Image and Role of the Librarian* addresses all aspects of professional identity for librarians, including professional roles, cultural images, popular perceptions, and future trends. The book examines historical representations, stereotypes, and popular culture icons and the role each plays in the relationship between librarian and patron. The book also looks at the profound impact the Internet has had on the services librarians provide and how electronic resources have transformed the roles and responsibilities of librarians.

**Get the Picture** Bianca Bosker, 2025-04-15 AN INSTANT NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF 2024 BY NPR TIME AND THE ECONOMIST *Get the Picture* is one of the funniest books I've read. Brilliant. *The Washington Post*: A gripping and often hilarious investigation into the art world. Bosker goes full Tom Wolfe. *TIME*: Funny, whip-smart, and gorgeously written. *Get the Picture* will forever transform the way you see. I loved every word. Suleika Jaouad, New York Times bestselling author of *Between Two Kingdoms*. The New York Times bestselling author of *Cork Dork* takes readers on another fascinating, hilarious, and revelatory journey, this time burrowing deep inside the secretive world of art and artists. An award-winning journalist obsessed with obsession, Bianca Bosker's existence was upended when she wandered into the art world and couldn't look away. Intrigued by artists who hyperventilate around their favorite colors and art fiends who max out credit cards to show hunks of metal they think can change the world, Bosker grew fixated on understanding why art matters and how she or any of us could engage with it more deeply. In *Get the Picture*, Bosker throws herself into the nerve center of art and the people who live for it: gallerists, collectors, curators, and of course, artists themselves—the kind who work multiple jobs to afford their studios while scrabbling to get eyes on their art. As she stretches canvases until her fingers blister, talks her way into a list party full of billionaire collectors, has her face sat on by a nearly naked performance artist, and forces herself to stare at a single sculpture for hours on end while working as a museum security guard, she discovers not only the inner workings of the art canonization machine but also a more expansive way of living. Probing everything from cave paintings to Instagram and from the science of sight to the importance of beauty as it

examines art's role in our culture, our economy and our hearts. *Get the Picture* is a rollicking adventure that will change the way you see forever. **Popular Photography**, 1990-01 *A Santo in the Image of Cristobal Garcia* Rick

Collignon, 2010-06-01 The gentle hearted Flavio Montoya returns now as the aged scion of his family still tending his sister Ramona's fields and wondering how all of his family could have died before him. When the mountains surrounding Guadalupe erupt in flames, the history of the village seems to be set loose in the smoke. The dead arrive and the silent speak. When Flavio is accused of starting the fire that quickly threatens to consume the village, the disaster becomes one more mystery that he must fold into his own memory though he cannot quite understand any of it. *A Santo in the Image of Cristobal Garcia* is a beautiful, funny, even epic tale of how all history is finally personal. **Popular Photography**, 1990-10 **Popular**

**Stream System** Gerald Murnane, 2018-04-03 Stories from a mind-bending Australian master, a genius on the level of Beckett, Teju Cole. Never before available to readers in this hemisphere, these stories originally published from 1985 to 2012 offer an irresistible compendium of the work of one of contemporary fiction's greatest magicians. While the Australian master Gerald Murnane's reputation rests largely on his longer works of fiction, his short stories stand among the most brilliant and idiosyncratic uses of the form since Borges, Beckett and Nabokov. Brutal, comic, obscene and crystalline, *Stream System* runs from the haunting *Land Deal* which imagines the colonization of Australia and the ultimate vengeance of its indigenous people as a series of nested dreams to *Finger Web* which tells a quietly terrifying fractal tale of the scars of war and the roots of misogyny to *The Interior of Gaaldine* which finds its anxious protagonist stranded beyond the limits of fiction itself. No one else writes like Murnane and there are few other authors alive still capable of changing how and why we read.
