Russell,2014 In the Virgin Mary God revealed His power in a way we cannot rationalise but in faith believe God took flesh in the way that spoke of His patience down through the ages and in The Immaculate Conception revealed His choice reminding us that through her Son we too are called and chosen God not only presents the holy Virgin as a model of discipleship but reveals ever more of Himself through her This book traces some of the steps taken by the Mother of God and how in a world all busy and rushed she reminds us that we too are called to listen to God to consider His ways and take time to receive His grace Mary had a will as if bended to God waiting in an attitude of loving obedience God s will shines forth in her showing that indeed He is our Father to Whom all things are possible

CHAPTER XIX LETTERS APOSTOLIC OF OUR MOST HOLY LORD PIUS IX BY DIVINE PROVIDENCE POPE CONCERNING
THE DOGMATIC DEFINITION OF THE IMMACULATE CONCEPTION OF THE VIRGIN MOTHER OF GOD Pius Bishop
Servant of the Servants of God For the perpetual remembrance of the thing The Ineffable God whose ways are mercy and
truth whose will is omnipotence and whose wisdom reaches powerfully from end to end and sweetly disposes everything
when He foresaw from all eternity the most sorrowful ruin of the entire human race to follow from the transgression of Adam
and in a mystery hidden from ages determined to complete through the incarnation of the Word in a more hidden sacrament
the first work of his goodness so that man led into sin by the craft of diabolical iniquity should not perish contrary to His
merciful design and that what was about to befall in the first Adam should be restored more happily in the second from the
beginning and before ages chose and ordained a Mother for His only begotten Son of whom made flesh He should be born in
the blessed plenitude of time and followed her with so great love before all creatures that in her alone He pleased Himself
with a most benign complacency Wherefore far before all the angelic spirits and all the Saints He so wonderfully endowed
her with the abundance of all the heavenly gifts drawn from the treasure of divinity that she might be ever free from every
stain of sin and all fair and perfect would bear before her that plenitude of innocence and holiness than which under God
none greater is understood and which except God no one can reach even in thought And indeed it was most becoming that
she would shine always adorned with the splendor of the most perfect holiness and **The Immaculate Conception of the
