The immigrant Jews of New York, 1881 to the present. With the assistance of K. Libo ,1976 Jewish Immigrant Entrepreneurship in New York and London 1880-1914 A. Godley, 2001-07-18 How successful were the East

European Jewish immigrants in London compared with the vast majority that went to New York This critical question one that lies at the heart of debates on Jewish modernity ethnic and racial assimilation and the impact of culture on entrepreneurship is assessed systematically for the first time in this volume Using new evidence of Jewish immigration mobility and assimilation Andrew Godley shows that despite similar backgrounds and opportunities the Jews in London were far less entrepreneurial and those in New York As the Jewish immigrants assimilated either American or British cultural values those in New York moved en masse into self employment while those in London opted to remain as workers Godley then reinterprets the broad thrust of British twentieth century economic history emphasising how these long standing anti entrepreneurial and highly conservative craft cultural values among the English working classes acted as a drag on innovation hampering industrial relations investment and growth

Jewish Public Culture in the Late Russian Empire Jeffrey Veidlinger, 2009-04-14 In the midst of the violent revolutionary turmoil that accompanied the last decade of tsarist rule in the Russian Empire many Jews came to reject what they regarded as the apocalyptic and utopian prophecies of political dreamers and religious fanatics preferring instead to focus on the promotion of cultural development in the present Jewish Public Culture in the Late Russian Empire examines the cultural identities that Jews were creating and disseminating through voluntary associations such as libraries drama circles literary clubs historical societies and even fire brigades Jeffrey Veidlinger explores the venues in which prominent cultural figures including Sholem Aleichem Mendele Moykher Sforim and Simon Dubnov interacted with the general Jewish public encouraging Jewish expression within Russia's multicultural society By highlighting the cultural experiences shared by Jews of diverse social backgrounds from seamstresses to parliamentarians and in disparate geographic locales from Ukrainian shtetls to Polish metropolises the book revises traditional views of Jewish society in the late Russian Empire

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

The Jewish People David J. Goldberg, John D Rayner, 2012-02-02 This handsomely produced and interestingly illustrated volume is two works in one The first part offers a survey of Jewish history and literature The second part presents what the preface describes as a thematic analysis of the teachings and practices of Judaism Israel Finestein Jewish Chronicle Fluently written with an admirable fair mindedness in surveying both

history and belief A J Sherman Times Literary Supplement The intelligent non expert gets a clear picture of Jewish life letters and history and it will be an endlessly useful reference book Julia Neuberger Times Educational Supplement A wide ranging account of things Jewish that one can truly recommend to intellectually curious Gentiles as well as to the majority of modern secularized Jews who know relatively little about their complex tradition Louis Marcus Irish Times The Cambridge History of Judaism: Volume 8, The Modern World, 1815-2000 Mitchell B. Hart, Tony Michels, 2017-09-28 The eighth and final volume of The Cambridge History of Judaism covers the period from roughly 1815 2000 Exploring the breadth and depth of Jewish societies and their manifold engagements with aspects of the modern world it offers overviews of modern Jewish history as well as more focused essays on political social economic intellectual and cultural developments The first part presents a series of interlocking surveys that address the history of diverse areas of Jewish settlement The second part is organized around the emancipation Here chapter themes are grouped around the challenges posed by and to this elemental feature of Jewish life in the modern period The third part adopts a thematic approach organized around the category culture with the goal of casting a wide net in terms of perspectives concepts and topics The final part then focuses on the twentieth century offering readers a sense of the dynamic nature of Judaism and Jewish identities and affiliations

The Zionist Masquerade J. Renton, 2007-10-17 This book offers a new interpretation of a critical chapter in the history of the Zionist Palestine conflict and the British Empire in the Middle East It contends that the Balfour Declaration was one of many British propaganda policies during the World War I that were underpinned by misconceived notions of ethnicity ethnic power and nationalism **The Fox and the Flies** Charles van Onselen, 2010-08-09 A chance encounter with Silver's career in South Africa set Charles van Onselen on a twenty five year obsession a journey to reconstruct the shadowy life and times of in some ways to match wits with a devious master criminal From Russian Poland in the 1860s where Silver was born Joseph Lis to London in the 1880s turn of the century New York Argentina and Africa van Onselen recaptures the dangerous demimonde of the Atlantic world Silver's notoriety was found among the most confidential correspondence of a dozen countries what those in law enforcement kept to themselves however was how their officers had attempted to use Silver as an informer to infiltrate syndicates built on vice only to have him outwit them as he moved in the risky space between police and prostitutes Such is the meticulousness of van Onselen's research that The Fox and the Flies is as rich in history as it is in the detail and drama of Silver's career as layer after layer of his life and times are revealed And it has an extraordinary payoff for van Onselen contends that Joseph Silver's darkest secret of all lay in London in the autumn of 1888 when before he embarked on his legendary life of crime he was indeed Jack the Ripper *Urban America Examined* Dale Casper, 2017-10-30 Originally published in 1985 Urban America Examined is a comprehensive bibliography examining the urban environment of the United States The book is split into sections corresponding to the four main geographic regions of the country looking respectively at research conducted in the East South Midwest and West The book provides a broad cross section of sources

from books to periodicals and covers a range of interdisciplinary issues such as social theory urbanization the growth of the city ethnicity socialism and US politics English Zionists and British Jews Stuart Cohen, 2014-07-14 Demonstrating that the reaction of the Anglo Jewish community to modern Jewish nationalism was far more complex than conventionally thought Stuart A Cohen argues that the conflict between Zionists and anti Zionists although often stated in strictly ideological terms was also an aspect of a larger contest for community control Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The New Institutionalism in Sociology Mary C. Brinton, Victor Nee, 2001 Institutions play a pivotal role in structuring economic and social transactions and understanding the foundations of social norms networks and beliefs within institutions is crucial to explaining much of what occurs in modern economies This volume integrates two increasingly visible streams of research economic sociology and new institutional economics to better understand how ties among individuals and groups facilitate economic activity alongside and against the formal rules that regulate economic processes via government and law Reviews This volume is a welcome addition to the expanding literature on institutional analysis Besides sociologists we are afforded the pleasure of contributions from anthropologists economists historians political scientists and scholars located in schools of law and education One of the pleasures of the volume is the wide range of topics times and locales addressed by the authors In all these diverse situations the application of institutional queries and approaches enhances our understanding and appreciation of the endlessly rich and diverse nature of social life Contemporary Society This admirable book makes a strong contribution to institutional theory has many excellent chapters and is a model for interdisciplinary exchange and cross fertilization It is dense with interesting ideas and points for debate and I heartily recommend it Sociological Research Online

The Immigrant Experience in American Literature Edward A. Abramson, 1982 **American History through Hollywood Film** Melvyn Stokes, 2013-12-05 American History through Hollywood Film offers a new perspective on major issues in American history from the 1770s to the end of the twentieth century and explores how they have been represented in film Melvyn Stokes examines how and why representation has changed over time looking at the origins underlying assumptions production and reception of an important cross section of historical films Chapters deal with key events in American history including the American Revolution the Civil War and its legacy the Great Depression and the anti communism of the Cold War era Major themes such as ethnicity slavery Native Americans and Jewish immigrants are covered and a final chapter looks at the way the 1960s and 70s have been dealt with by Hollywood This book is essential reading for anyone studying American history and the relationship between history and film *Judah L. Magnes* Daniel P.

Kotzin,2010-08-17 Judah L Magnes 1877 1948 was an American Reform rabbi Jewish community leader and active pacifist during World War I In the 1920s he moved to British Mandatory Palestine where he helped found and served as first chancellor of the Hebrew University of Jerusalem Later in the 1930s and 1940s he emerged as the leading advocate for the binational plan for Palestine In these varied roles he actively participated in the major transformations in American Jewish life and the Zionist movement during the first half of the twentieth century Kotzin tells the story of how Magnes immersed in American Jewish life Zionism and Jewish life in Mandatory Palestine rebelled against the dominant strains of all three His tireless efforts ensured that Jewish public life was vibrant and diverse and not controlled by any one faction within Jewry Magnes brought American ideals to Palestine and his unique conception of Zionism shaped Jewish public life in Palestine influencing both the development of the Hebrew University and Zionist policy toward Arabs **Reader's Guide to Judaism**

Michael Terry,2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly *The Comic Worlds of Peter Arno, William Steig, Charles Addams, and Saul Steinberg*
