The Imperial Agent:

The Imperial Agent Timeri Murari, 1987 Imperial Agent Guy Richards, 1966 *The Imperial Agent* Timeri Murari, 1987 **Japan's War** Edwin P. Hoyt, 2001-01-16 Tracing the history of Japanese aggression from 1853 onward Hoyt masterfully addresses some of the biggest questions left from the Pacific front of World War II *George Galphin's Intimate Empire* Bryan C. Rindfleisch, 2019-08-20 A revealing saga detailing the economic familial and social bonds forged by Indian trader George Galphin in the early American South A native of Ireland George Galphin arrived in South Carolina in 1737 and quickly emerged as one of the most proficient deerskin traders in the South This was due in large part to his marriage to Metawney a Creek Indian woman from the town of Coweta who incorporated Galphin into her family and clan allowing him to establish one of the most profitable merchant companies in North America As part of his trade operations Galphin cemented connections with Indigenous and European peoples across the South while simultaneously securing links to merchants and traders in the British Empire continental Europe and beyond In *George Galphin's Intimate Empire* The Creek Indians Family and Colonialism in Early America Bryan C Rindfleisch presents a complex narrative about eighteenth century cross cultural relationships Reconstructing the multilayered bonds forged by Galphin and challenging scholarly understandings of life in the Native South the American South more broadly and the Atlantic World Rindfleisch looks simultaneously at familial cultural political geographical and commercial ties examining how eighteenth century people organized their world both mentally and physically He demonstrates how Galphin's importance emerged through the people with whom he bonded At their most intimate Galphin's multilayered relationships revolved around the Creek Anglo French and African children who comprised his North American family as well as family and friends on the other side of the Atlantic Through extensive research in primary sources Rindfleisch reconstructs an expansive imperial world that stretches across the American South and reaches into London and includes Indians Europeans and Africans who were intimately interconnected and mutually dependent As a whole *George Galphin's Intimate Empire* provides critical insights into the intensely personal dimensions and cross cultural contours of the eighteenth century South and how empire building and colonialism were by their very nature intimate and familial affairs **The X-Wing Series: Star Wars Legends 10-Book Bundle** Michael A. Stackpole, Aaron Allston, 2016-02-16 The X wing Wraith Squadron adventures comprise one of the most popular series in the Star Wars Legends universe and now these ten thrilling novels are together in one convenient ebook bundle Featuring galactic intrigue hair raising dogfights and a diverse group of pilots determined to fight the good fight this riveting collection includes the following titles ROGUE SQUADRON by Michael A Stackpole WEDGE S GAMBLE by Michael A Stackpole THE KRYTOS TRAP by Michael A Stackpole THE BACTA WAR by Michael A Stackpole WRAITH SQUADRON by Aaron Allston IRON FIST by Aaron Allston SOLO COMMAND by Aaron Allston ISARD S REVENGE by Michael A Stackpole STARFIGHTERS OF ADUMAR by Aaron Allston MERCY KILL by Aaron Allston They are sleek swift and deadly They are the X wing fighters And as the

struggle rages across the vastness of space the fearless men and women who pilot them risk both their lives and their machines Rebel hero Wedge Antilles knows the grim truth that even with the best X wing jockeys in the galaxy many will not survive their near suicidal missions But nothing matters except defending the Alliance against a still powerful and battle hardened Imperial foe in a last ditch effort to control the stars

Private Households and Public Politics in 3rd-5th

Century Jewish Palestine Alexei Sivertsev, 2002 Alexei Sivertsev examines the nature of the Jewish aristocratic households and their public functions during the later Roman and Byzantine periods third to fifth centuries C E The author first discusses the nature of the Jewish patriarchate during the third century C E He argues that the family of patriarchs nesi im is best understood as a local city based aristocratic clan It emerged along with other contemporary clans as a result of the gradual conversion of the national aristocracy of the once independent Judean state into the municipal aristocracy of the Roman province of Palaestina in the course of the first to second centuries C E In the second part of this book Alexei Sivertsev addresses the specific public functions performed by Jewish aristocratic clans such as judicial religious administrative and legislative He also demonstrates the continuity that existed in this respect between the Second Commonwealth aristocratic clans and those of the rabbinic period Finally the third part of this study deals with the process leading to the integration of the local native aristocracies of the Roman Near East into the centralized administrative system created by the Emperors starting with Constantine the Great This process is analyzed specifically regarding the example of the Jewish ruling elite The main question in this section is the degree to which the local administrative apparatus of the newly created Byzantine bureaucracy developed out of the traditional and clan based public institutions which had existed locally throughout the Roman period

Staging Authority

Eva Giloi, Martin Kohlrausch, Heikki Lempa, Heidi Mehrkens, Philipp Nielsen, Kevin Rogan, 2022-10-24 Staging Authority Presentation and Power in Nineteenth Century Europe is a comprehensive handbook on how the presentation embodiment and performance of authority changed in the long nineteenth century It focuses on the diversification of authority what new forms and expressions of authority arose in that critical century how traditional authority figures responded and adapted to those changes and how the public increasingly participated in constructing and validating authority It pays particular attention to how spaces were transformed to offer new possibilities for the presentation of authority and how the mediatization of presence affected traditional authority The handbook's fourteen chapters draw on innovative methodologies in cultural history and the aligned fields of the history of emotions urban geography persona studies gender studies media studies and sound studies

The Essential Reader's

Companion: Star Wars Pablo Hidalgo, 2012-10-02 THE DEFINITIVE WORD ON STAR WARS FICTION The legendary motion picture Star Wars has spawned two big screen sequels and three prequels and decades of bestselling fiction From the original movie tie in novel through the monumental Fate of the Jedi series legions of devoted readers have helped expand science fiction's most celebrated film saga into a page turning print sensation Now for the first time a comprehensive

overview of these sweeping Star Wars adventures is presented in one beautifully illustrated volume *Star Wars The Essential Reader's Companion* spans the entire galaxy of published Star Wars fiction movie novelizations original stand alone and series novels short stories eBook novellas young adult titles and comics and features a concise synopsis of each story including key characters and planets exclusive behind the scenes facts and anecdotes about authors plot and character development continuity notes and significance in the Star Wars Expanded Universe details on which novels are linked to Star Wars comic books from Dark Horse and Marvel a chronological listing of titles spanning the 25 000 year history of the Star Wars universe and placing each story in its proper context more than one hundred original paintings throughout by some of fans favorite artists Whether skimming through fateful eras from the Old Republic to the New Jedi Order delving deep into the ancient history of the Lost Tribe of the Sith or the tumultuous Clone Wars crossing paths and lightsabers with Dark Lords such as Plagueis or Bane Sidious or Vader helming the Millennium Falcon with Han Solo or mastering the Force with Luke Skywalker this one of a kind one stop reference is a must for fans looking to maximize their knowledge of the sprawling Star Wars Expanded Universe *From the Napoleonic Empire to the Age of Empire* Thomas Dodman, Aurélien

Lignereux, 2023-03-28 This book explores imperial entanglements to reassess the Napoleonic Empire as a missing link or at least an important chain in the global and longue dur e history of Empires In recent years Napoleonic studies have belatedly but resolutely embraced the transnational historiographical turn vastly expanding the field's geographical scope Its canonical chronological boundaries on the other hand appear increasingly narrow against this wider backdrop giving the impression of a parenthetical almost anachronistic aside from 1799 to 1815 What connects and what doesn't connect the Napoleonic Empire to the Age of Empire remains by and large an open question Put another way this book attempts to locate the Napoleonic empire in World History *The Empire And the Khanate* L. J. Newby, 2005 Drawing on Qing archival sources from the Qianlong era to the mid 19th century this study charts the changes in Qing policy that characterized the empire's relations with the Central Asian khanate of Khoqand and shows how these developments impacted on the northwestern frontier of Xinjiang *Edgar Julius Jung, Right-wing Enemy of the Nazis* Roshan Magub, 2017 Fills a serious gap in German historical literature by providing the first political biography of Jung a leading figure of the anti Nazi Right By the time of his death Edgar Julius Jung 1894 1934 was well known in Germany and Europe as one of the foremost ideologues of the political movement that called itself the Conservative Revolution and as a right wing opponent of the Nazis He was speechwriter for and confidant of Franz von Papen first Hitler's predecessor as chancellor then Hitler's vice chancellor which put him at the center of political events right up until the Nazi seizure of power Considered by Baldur von Schirach and Goebbels to be one of the worst enemies of the Nazis Jung was assassinated by the Nazi regime in June 1934 The eleven years of Nazi rule that followed contributed to Jung's neglect by historians as did distaste since the war's end and the founding of the Federal Republic on democratic principles for his strongly antidemocratic stance Although there have been several studies on Jung's

political thought there has been until now no biography in German or English Roshan Magub's book therefore fills a serious gap in German historical literature It shows that Jung's opposition to National Socialism dates from the earliest days and that he had a very close relationship with the Ruhr industry which supported him financially and enabled him to reach a nationwide audience Magub uses for the first time all the available material from the archives in Munich Koblenz Cologne and Berlin and the whole of Jung's Nachlass Her book sheds new light on Jung and demonstrates his importance in Germany's political history Roshan Magub holds a PhD from Birkbeck College University of London

The Centrality of Slavery

John Craig Hammond, 2025-11-11 How French and American colonizers created systems of enslavement in the Middle Mississippi Valley The Centrality of Slavery examines how French and American colonizers used the powers of various imperial regimes to create slave societies in present day Missouri and Illinois from the 1720s through the 1820s The first book length study of slavery and empire in both Illinois and Missouri it begins with the origins of Native American and African American enslavement in the region It then traces how successive French Spanish British and American regimes shaped the development of slavery over the course of a century examines the significance of the Northwest Ordinance's ban on slavery in Illinois and then analyzes the diverging histories of slavery in Illinois and Missouri in the early 1800s The book concludes with an analysis of the Missouri Crisis and the compromise of 1820 along with the Middle Mississippi Valley's significance in the road towards disunion and civil war in the late 1850s More broadly The Centrality of Slavery argues that the Middle Mississippi Valley sat astride the crossroads of imperial North America The practices of empire and enslavement forged and fought over there exerted an outsized influence on the history of slavery in North America and the United States Rather than treating the region's eighteenth century past as a prologue to the rise of the United States John Craig Hammond analyzes the colonial history of the region on its own terms through the European colonizers American settlers and enslaved people of Indigenous and African descent who shaped the development of slavery in the Middle Mississippi Valley

Picturing American Modernity Kristen Whissel, 2008-10-03 Study of the relationship between modernity and cinema with an emphasis on how early 20th century films represented technology and urbanization *Intimate Empire* Alexa von Winning, 2022 *Intimate Empire* tells the story of the Mansurovs a small noble family who played a momentous role in the Russian Empire as they struggled to reassert the country's importance on the global stage after their defeat in the Crimean War showing how three generations of a family advanced the intertwined causes of the Russian Empire and Orthodoxy

The Diachrony of Ditransitives Chiara Fedriani, Maria Napoli, 2020-10-26 While ample studies exist on ditransitives in various languages notably from a typological perspective more work needs to be done on identifying the main processes and factors that trigger and constrain the changes they undergo over time The goal of this volume is to help fill this gap by bringing together data and information on individual languages that have thus far been left out of the discussion and by expanding our knowledge of already studied linguistic traditions so as to achieve a broader diachronic description Since one

of the distinctive features of ditransitives is their synchronic variability in terms of structural alternation and alignment split diachronic research can throw up new insights into developmental dynamics that are eminently complementary namely on the one hand the emergence development and loss of construction alternation and on the other the acquisition of new functions over time The analyses offered in the book yield different and interconnected answers to the general question of how ditransitives change by drawing on different functional principles that play a role in the diachronic reorganization of this dynamic domain and by providing a number of original theoretical suggestions The Krytos Trap: Star Wars Legends

(Rogue Squadron) Michael A. Stackpole, 2011-06-28 The brave pilots of Rogue Squadron face the impossible as the sinister Ysanne Isard wreaks havoc on a fragile Coruscant The Rebels have taken the Imperial headquarters world of Coruscant but their problems are far from over A killer virus called Krytos is spreading among the population and fomenting a counterrevolution at the heart of the New Republic At the same time Rebel hero Tycho Celchu is on trial for treason accused of murdering his comrade and fellow pilot Corran Horn Corran however is still alive trapped in the secret inescapable prison of Ysanne Isard the imperial officer whose reputation for torture and cruelty have earned her the moniker Iceheart As he fights for his freedom the pilot discovers an extraordinary power in himself the power of the Force **The Moneylenders**

of Late Medieval Kyoto Suzanne Gay, 2001-09-30 The Moneylenders of Late Medieval Kyoto examines the large community of sake brewer moneylenders in Japan's capital city focusing on their rise to prominence from the mid 1300s to 1550 Their guild tie to overlords notably the great monastery Enryakuji was forged early in the medieval period giving them a protected monopoly and allowing them to flourish Demand for credit was strong in medieval Kyoto and brewers profitably recirculated capital for loans As the medieval period progressed the brewer lenders came into their own While maintaining overlord ties they engaged in activities that brought them into close contact with every segment of Kyoto's population The more socially prominent brewers served as tax agents for religious institutions the shogunate and the imperial court and were actively involved in a range of cultural pursuits including tea and linked verse Although the merchants themselves left only the faintest record Suzanne Gay has fully and convincingly depicted this important group of medieval commoners **Planet**
