The Impressionists Handbook:

The Impressionists Handbook Robert Katz, Dars Celestine, 1999 The two authors who are both knowledgeable writers with extensive background in the study of art and art history write engagingly about the history of impressionism and the life and works of Pissarro Manet Degas Monet Renoir and Sisley At 7x8 5 the book is compact but the format is large enough to accommodate decent reproductions of many of the paintings under consideration This is a thoughtfully prepared well written treatment of the subject with none of the ponderousness that handbook might imply It was originally published in 1991 by Bookmart Ltd UK Annotation copyrighted by Book News Inc Portland OR
