The Incredible Woman Power Sexual Politics Volume :

Beauty, Women's Bodies and the Law Jocelynn A. Scutt, 2020-11-17 What makes a woman's body beautiful Plastic surgery cosmetic surgery and non surgical interventions such as Botox are changing women's bodies physically and affecting cultural notions and expectations of what it means to be a woman Yet where does the law stand Is the renovation of women's bodies legal This book explores a range of topics including whether shape changing by surgical and non surgical means is really what women want the question of legal intervention when operations injections and other methods go wrong the impact of consent determinations on whether women can or cannot freely seek changes to their body structure and the role which culture and social expectations play in women's decision making Taking a legal perspective on the vast range of beauty interventions available to women Scutt discusses women's perceptions of body and beauty pressures on women to conform to idealised notions of the perfect woman's body and outcomes of legal actions including those taken by individual women who are unhappy with results as well as those launched against companies trading in products advertised as safe and for women's benefit *Beauty Women's Bodies and the Law* will appeal to readers with an interest in women's and gender studies law and cultural studies

The Word of a Woman? J. Jordan, 2004-08-18 The notion that women lie about rape is a prevalent belief with pervasive influence This book is unique in combining police file data with interviews obtained from both rape survivors and detectives in order to critically explore how this belief affects police officers' responses to women who report rape Examination of this material is located within a broader analysis of the historical and socio cultural environment and illustrates how rape investigations continue to be conducted within the context of pervasive beliefs and stereotypes regarding both the nature of rape and the nature of women

Woman's Inhumanity to Woman Phyllis Chesler, 2009-05-01 Man's inhumanity to man the phrase is all too familiar But until Phyllis Chesler's now classic book a profound silence prevailed about woman's inhumanity to woman Women's aggression may not take the same form as men's but girls and women are indeed aggressive often indirectly and mainly toward one another They judge harshly hold grudges gossip exclude and disconnect from other women Like men women are exposed to the messages of misogyny and sexism that permeate cultures worldwide Like men women unconsciously buy into negative images that can trigger abuse and mistreatment of other women But like other social victims many do not realize stereotyping affects members within the victimized group as well as those outside the group They do not realize their behavior reflects society's biases How women view and treat other women matters Are women oppressed Yes Do oppressed people internalize their oppressors' attitudes Without a doubt Prejudice must first be acknowledged before it can be resisted or overcome More than men women depend upon one another for emotional intimacy and bonding and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth Continuing the pioneering work begun in *Women and Madness* Chesler's bestselling book that broke the story on double standards in psychology *Woman's Inhumanity to Woman* draws on

important studies revolutionary theories literature and hundreds of original interviews Chesler urges us to look within to treat other women realistically ethically and kindly and to forge bold and compassionate alliances This is a necessary next step for women without which they will never be liberated **Women, Law and Culture** Jocelynne A. Scutt, 2017-02-17 This book explores cultural constructs societal demands and political and philosophical underpinnings that position women in the world It illustrates the way culture controls women's place in the world and how cultural constraints are not limited to any one culture country ethnicity race class or status Written by scholars from a wide range of specialists in law sociology anthropology popular and cultural studies history communications film and sex and gender this study provides an authoritative take on different cultures cultural demands and constraints contradictions and requirements for conformity generating conflict Women Law and Culture is distinctive because it recognises that no particular culture singles out women for special treatment rules and requirements rather all do Highlighting the way law and culture are intimately intertwined impacting on women whatever their country and social and economic status this book will be of great interest to scholars of law women's and gender studies and media studies **Serial Survivors** Jan Jordan, 2008 The survival stories of fifteen women who were sexually assaulted by the same man Malcolm Rewa a serial rapist who terrorised women in Auckland

Wild Politics Susan Hawthorne, 2002 Synthesising issues that are at the forefront of local and global politics and social movements of the 21st century this work presents a powerful critique of global western culture challenging many of its central assumptions and institutions *Masculinities and Management in Agricultural Organizations Worldwide* Barbara Pini, 2017-11-30 Using contemporary gender theory to examine gender and rurality beyond that of simply women femininities this illuminating book accurately locates the subject of masculinities within the rural agricultural context While there has been a wealth of literature on men and masculinities published in recent years the climate of ideas has been typically experienced through an urban lens This book therefore investigates new conceptual territory Embedded in the literature on gender and rurality as well as the scholarship on gender and organizations management the book draws on an in depth ethnographic study of gender relations in Australian agricultural politics It will speak to academic audiences in rural social sciences gender studies and management organization studies **Justice Lionel Murphy** Michael Coper, George Williams, 1997 This book is a collection of scholarly papers and commentaries which range over Justice Murphy's forays into the Constitution his approach to the common law and his concept of and attitude to judicial method In dealing with their chosen topics the authors and commentators present some fascinating perspectives on Lionel Murphy's degree of influence in the decade after his death **Adventures in Law and Justice** Bryan Horrigan, 2003 This book is an explanation of topical and newsworthy law and justice dilemmas that most affect society and individuals containing ideas and ideals of law in our lives and exposes the myths and enlivens law's contemporary issues and challenges **Wage Rage for Equal Pay** Jocelynne A. Scutt, 2024-04-11 This book makes a major contribution to the continuing legal and historical struggle for equal

pay in Australia with international references including Canada the UK and US It takes law history and women s and gender studies to analyse and recount campaigns cases and debates Industrial bodies federally and around Australia have grappled with this issue from the early twentieth century onwards This book traces the struggle through the decades looking at women s organisations activism and demands union pro and against activity and the official approach in tribunals boards and courts

Compelling Engagements Wendy Larcombe,2005 After decades of rape law reform it is still being argued that the criminal justice system fails rape victims that too few cases are prosecuted and too few prosecutions result in conviction *Compelling Engagements* is a ground breaking work which investigates the narratives of rape law and of romance fiction and explores the outmoded and strikingly similar depictions of their normative female subjects These are women who are not only vulnerable but also evidently worthy of the protections or rewards promised punishment of the rapist or the hero s love Larcombe s analysis explores the definitions of rape in the criminal law and romance in Harlequin Mills and Boon fiction the feminine subjects represented in the texts of rape law and romance fiction the feminised subject positions the texts produce the rape complainant and the romance reader particular fictionalisations of the rape complainant and the romance reader the false rape complainant and the ideal romance consumer and how these fictionalisations serve the interests of the criminal justice system and the romance publishing industry Larcombe shows how the legal construction of gender and subjectivity in rape law is still working to disempower victims She suggests feminism s failure to accommodate women s investment in heroines of romance fiction has limited their effectiveness in transforming rape law *Compelling Engagements* is an original and engaging analysis and fascinating reading for anyone who deals with rape as part of the criminal justice system

Women's Encounters with Violence Sandra Cook,Judith Bessant,1997-07-22 The issue of violence against women in countries around the world continues to receive increasing public media political and scholarly attention While research findings in *Women s Encounters of Violence* in Australia are framed within a specific perspective they extend beyond national boundaries to provide a critical analysis needed to change political and social policies worldwide Editors Sandy Cook and Judith Bessant introduce the history of violence in Australia and examine how culturally embedded laws and customs have acted like locks on women s oppression In addition to culture specific topics such as the injustices suffered by Australian Aboriginal and Torres Strait Islander women the contributors also explore issues that cross cultural boundaries including violence against women with disabilities homeless women and lesbians Promoting a crucial international context to this pervasive problem *Women s Encounters of Violence* in Australia proves an excellent supplemental text for students as well as an accessible and timely resource for a broad range of professionals in counseling social work health care and law and faculty in sociology public policy and women s studies

Informed Choice of Medical Services: Is the Law Just? Marj Milburn,2017-09-29 This title was first published in 2001 This work is a uniquely multi disciplinary contribution to the existing bioethical literature on the topic of informed choice of medical services It is also the first comprehensive bioethical

text to confront the central issue of power in the clinical encounter and to argue for statutory protection of the right to informed choice While the majority of bioethicists argue for a conciliatory rather than adversarial approach to the chronic problem of uninformed consent the author of this work argues that the external regulation of medicine is essential if the right to informed choice is to be protected This argument is based upon an extensive review of the bioethical legal political medical sociological and philosophical literature as well as a wide range of empirical and anecdotal evidence evolving from a detailed exploration of power and the limits of rationality in the clinical encounter **Law Society Journal** ,1998
