Benjamin,1903 *Honorable Men* Louis Auchincloss,1985-09-25 From a New York Times bestselling author A novel about a member of the Greatest Generation wrestling with moral choices over the next generation's war in Vietnam Chip Benedict appeared to have the best of everything wealth education good looks charm and intelligence Shortly before entering law school he married Alida a pale beauty who also had the cunning and talent to become the debutante of the year escaping the progressively threadbare world of tarnished elegance and unpaid bills to which she was born Alida's life continued in a storybook fashion with her marriage to Chip a seemingly perfect and certainly honorable man Called to serve in World War II he returned a hero decorated for bravery at the Normandy landing Following in his father's footsteps he became chairman of the board of the prestigious Benedict Glass Company founded by his grandfather And yet with all of his gifts Chip is haunted by dark guilt that drives him to excel conform and embrace a righteousness that he fails to perceive as hypocrisy In business he becomes the perfect corporate executive lauded in *Fortune* and *Forbes* He serves his community supports the arts and patriotically honors his government But when it comes to choosing sides on the issue of Vietnam he will make a decision that casts aside the deepest ties and loyalties of his life Through a series of flashbacks the narrators come to realize how outside events have influenced their lives Auchincloss uses their story to show us the frailties of human nature when confronted with politics and morality This psychological novel is perceptive elegantly spare and well crafted Library Journal

Her Infinite Variety Louis Auchincloss,2002-07-10 From one of America's greatest men of letters our sublime master of manners comes his novel *Her Infinite Variety* Louis Auchincloss has been called our most astute observer of moral paradox among the affluent Arthur Schlesinger Jr and his fiction described as that which has always examined what makes life worth living Washington Post Book World Now he brings us the rollicking tale of an unforgettable woman of mid twentieth century America the devilish forever plotting yet wholly beguiling Clara Hoyt A romantic early in life Clara gets engaged much to her mother's horror to the lackluster Bobbie Lester Soon after her Vassar graduation however Clara sees the error of her ways spurns Bobbie and slyly enthralls the well bred and fabulously wealthy Trevor Hoyt the first of her husbands Soon she lands a job at a tony magazine and so begins her wildly entertaining course to the inner sanctum of New York's aristocracy and into the boardrooms of the publishing world In a world where women still had to wield the weapons of allure and charm above all else to secure positions of power Clara one of the last of her kind succeeds marvelously Auchincloss gives us in Clara an irresistible Cleopatra lovely wily and mercurial As Shakespeare wrote of that feminine creation Age cannot wither her nor custom stale Her infinite variety

American Naturalistic and Realistic Novelists Edd C. Applegate,2001-11-30 Realistic writers seek to render accurate representations of the world and their novels contain authentic details and descriptions of their characters and settings Like Realistic authors Naturalistic ones similarly try to portray the world accurately but they tend to depict the darker side of life Realism was born in Europe in the nineteenth century and soon became popular in the United States while Naturalism became prominent at the beginning of the twentieth century Both

traditions have continued in one form or another to the present day and Realistic and Naturalistic novelists include some of America's most significant authors such as Sherwood Anderson, Saul Bellow, Ambrose Bierce, Willa Cather, Theodore Dreiser, Ralph Ellison, and Jack London. This reference includes biographical and critical entries for more than 120 American Naturalistic and Realistic novelists. An introductory essay discusses the history of the Realistic and Naturalistic traditions, points to the difficulty of defining them, and surveys the many authors who have been associated with the two movements. The entries that follow are arranged alphabetically to facilitate use. Each includes basic biographical information and a narrative overview of the writer's educational background, professional career, and published works. The writer's works are briefly discussed in relation to the Realistic and Naturalistic traditions. Entries include primary and secondary bibliographies, and the volume closes with a list of works for further reading.

The Concise Oxford Companion to American Literature James D. Hart, Wendy Martin, Danielle Hinrichs, 2021-01-21 For nearly half a century, James D. Hart's *Oxford Companion to American Literature* has offered a matchless guided tour through American literary culture, both past and present, with brief biographies of important authors, descriptions of important literary movements, and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day. In this second edition of the Concise version, Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the diversity of the subject. Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory. To this end, over 230 new entries have been added, including many that cover women authors, Native American, African American, Asian American, Latino, and other contemporary ethnic literatures, LGBT, trans, and queer studies, and recent literary movements and evolving areas of contemporary relevance such as eco-criticism, disability studies, whiteness studies, male masculinity studies, and diaspora studies.

The House of the Prophet Louis Auchincloss, 1980-03-20 A novel about a powerful public intellectual and about what is true in the end, by an acclaimed New York Times bestselling author. Felix Leitner has been a celebrated lawyer and political commentator, an advisor to presidents, an author of influential books, and a Pulitzer Prize-winning columnist. For decades, he professed an unswerving commitment to intellectual truth. His stands weren't always popular, but in the eyes of millions, he had the stature of an oracle. Now he is in his eighties and confined to a nursing home, and his longtime research assistant and protégé, Roger Cutter, is determined to compile a chronicle of his mentor's life for complex personal reasons as well as for posterity's sake. *The House of the Prophet* presents Felix from the point of view of multiple narrators, including his two ex-wives, his stepdaughter, and a former law partner. The portrait that takes shape from Roger's memories, from documents willingly or reluctantly supplied by Felix's family and associates, and from Felix's own accounts is that of a man whose lifelong aim has been to stay free of any ties that might impinge on his quest for truth, be they emotional, religious, patriotic, or even humanitarian. Was Felix then a heartless egotist or a saint? And did his integrity justify the human toll it

exacted With a rich supporting cast and scenes that range from New York to Paris from a resort in Maine to Georgetown dinner parties *The House of the Prophet* is a novel of great psychological depth about a man obsessed with truth and another man's quest to pin down the elusive truth about his character Auchincloss ranks among the best in American literature Kirkus Reviews *The Collected Stories of Louis Auchincloss* Louis Auchincloss, 2014-10-07 This New York Times bestselling author's story collection displays consistent excellence in observing the spheres of art law money and society Publishers Weekly Whether set in the world of Wall Street the nineteenth century Virginia aristocracy or a boys school in New England the short stories of Louis Auchincloss reveal a remarkable insight into the things that drive us and make us human In this volume the author collects a wide range of his finest work taking us on a journey through decades of outstanding short fiction Spanning more than 40 years this collection attests to Auchincloss's durable talents flawless prose keen social observation and a refined moral sensibility The compromises between society and the individual art and commerce ego and restraint all figure into his finest fictions Arranged chronologically the 19 selections together suggest the author's profound sense of American history with all of its political and social eruptions He seems to have emerged as a writer fully formed since the earliest pieces here prove as supple and graceful as his most recent Auchincloss schools us in all the social differences we're taught don't exist Further proof if any is needed that Auchincloss ranks among the best in American literature Kirkus Reviews [The Anniversary](#) Louis Auchincloss, 1999-07-15 From a New York Times bestselling author A collection of short fiction reminiscent of the work of Henry James and Edith Wharton Library Journal Crisscrossing a tumultuous century these stories evoke lives both blessed and cursed by good fortune and reveal the quotidian conflicts of a wonderfully rich milieu Here are vignettes that capture the loves and jealousies of marriage and friendship recall days of a rarefied aristocracy and hint at a new ambitious young elite In the title story a tour de force of humor and emotion a clergyman prepares a toast for his twenty fifth wedding anniversary but gets stuck when it comes to his wife's five year affair The narrator in *DeCicco v Schweizer* imagines the lives of the plaintiff and defendant and spins a wicked tale about a 1902 marriage born more of convenience than of love And in *The Last of the Great Courtesans* we meet the unforgettable Milly Marion born in 1917 who has bewitched everyone she has met in her long colorful life Whether these stories concern an anxious draft dodger a repentant headmaster or a mischievous writer who ill advisedly draws from her own family for her fiction they all offer soulful glimpses into an uncommon world preserved in our past and yet surprisingly close to our hearts His themes are universal ambition greed disappointment compromise Some of the most memorable characters are women trying to find their way in a time of more restricted choices It's easy to get lost in the author's elegant and restrained prose
