The Intensity Of God

Barry Shafer

The Intensity Of God:

The Intensity of God Essie Temple Backus, 2001 *Perspective in Whitehead's Metaphysics* Stephen David Ross, 1983-01-01 Stephen David Ross presents an extensive detailed and critical interpretation of Whitehead's mature thought emphasizing the fundamental role of perspective in Whitehead's cosmology and tracing the conflicts and difficulties therein to tensions involving perspective in relation to other central features of Whitehead's thought Ross isolates four principles as having a fundamental role in Whitehead's metaphysics perspective cosmology experience and mechanical analysis He argues that many of Whitehead's difficulties can be eliminated by raising the principle of perspective to prominence and by revising the other central features of Whitehead's theory accordingly This book addresses key Whiteheadian texts and secondary interpretations of Whitehead The discussion ranges over most of Whitehead's theory in Process and Reality and offers a number of significant and in some cases novel views on different aspects of Whitehead's theory perception prehension causation objective immortality self causation the extensive continuum natural order possibility concreteness and God Ross's concluding suggestions for modifying Whitehead's system promise to occasion much debate among process philosophers theologians and anyone concerned with Whitehead's thought **Providence Made Flesh** Terry J. Wright, 2009-11-01 Traditional discussions of the Christian doctrine of providence often center on the relation between divine agency and human freedom seeking to offer an account of the extent to which a person is free before God the first cause of all things Terry J Wright argues that such riddles of causation cannot determine the content of providence and suggests a unique and alternative framework that depicts God's activity in terms of divine faithfulness to that which God has made Providence is not God as first cause acting through creaturely secondary causation rather providence is God's sovereign mediation of the divine presence across the whole world achieved through creaturely faithfulness made possible and guaranteed by his own faithful action in Jesus Christ *The Square Root of God* Timothy Carson, 2014-12-05 This provocative exploration of faith and numbers provides a whole new way to understand the mystery of God and the universe a must read for both spiritual individuals in search of relevancy and curious skeptics willing to entertain a new way to approach the most basic questions of life *The Suffering of God*, 1984-10-01 In this comprehensive and thought provoking study Terence Fretheim focuses on the theme of divine suffering an aspect of our understanding of God which both the church and scholarship have neglected Maintaining that metaphors matter Fretheim carefully examines the ruling and anthropomorphic metaphors of the Old Testament and discusses them in the context of current biblical theological scholarship His aim is to broaden our understanding of the God of the Old Testament by showing that suffering belongs to the person and purpose of God **Introduction to Indian Philosophy** Mr. Rohit Manglik, 2023-08-21 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well

structured content tailored to meet the needs of students across various streams and levels *God's Strategy for the Bird Flu Pandemic* Glen Talbott, 2006-06 God's protection for those who found it in 1918 during the Spanish Flu Pandemic is still available to Christians today This book's message has the potential for preparing readers for the coming Bird Flu Pandemic invasion both offensively and defensively Social Issues The Incarnation as God's First Intention Edwin Chr. van Driel, 2025-10-21 In *The Incarnation as God's First Intention* Edwin Chr. van Driel advocates a transformative perspective on the incarnation proposing that God's decision to become incarnate was not a response to human sin but was instead God's first and foundational intention Engaging the historical and theological roots of this supralapsarian before the fall Christology van Driel a leading scholar on the topic invites readers to reconsider long held views on God's engagement with creation With clarity and depth van Driel unpacks how understanding the incarnation as God's original purpose reshapes the doctrines of creation election salvation and eschatology His insights offer a fresh framework for the church's mission in today's world suggesting that God's presence with us is not merely a remedy for human fallenness but rather God's first intention and ultimate goal for creation Written for students theologians and all who seek a deeper understanding of God's relation to the world this book challenges readers to see the incarnation God's dwelling among us as God's central purpose **The End of Evil** Marjorie Hewitt Suchocki, 2005-06-16 The topic of evil and redemption has been at the center of the Western tradition since the beginning of the Christian era In *The End of Evil* Suchocki explores the source and end of evil in the thought of Augustine Leibniz Kant Schleiermacher Hegel and Nietzsche Whitehead's philosophy is used as a creative response to the problems and possibilities raised in these earlier developments Whitehead's Radically Temporalist Metaphysics George Allan, 2020-03-05 In *Whitehead's Radically Temporalist Metaphysics Recovering the Seriousness of Time* George Allan argues that Whitehead's introduction of God into his process metaphysics renders his metaphysics incoherent This notion of God who is the reason for both stability and progressive change in the world and who is both the infinite source of novel possibilities and the everlasting repository for the finite values inserts into a reality that is supposedly composed solely of finite entities an entity both infinite and everlasting By eliminating this notion of God Allan draws on the temporalist foundation of Whitehead's views to recover a metaphysics that takes time seriously By turning to Whitehead's later writings Allan shows how this interpretation is developed into an expanded version of the radically temporalist hypothesis emphasizing the power of finite entities individually and collectively to create sustain and enhance the dynamic world of which we are a creative part **Topics in Early Modern Philosophy of Mind** Jon Miller, 2009-05-16 During the early modern era c 1600 1800 philosophers formulated a number of new questions methods of investigation and theories regarding the nature of the mind The result of their efforts has been described as the original cognitive revolution *Topics in Early Modern Philosophy of Mind* provides a comprehensive snapshot of this exciting period in the history of thinking about the mind presenting studies of a wide array of philosophers and topics Written by some of today's foremost authorities on early

modern philosophy the ten chapters address issues ranging from those that have long captivated philosophers and psychologists as well as those that have been underexplored Likewise the papers engage figures from the history of ideas who are well known today Descartes Hume Kant as well as those who have been comparatively neglected by contemporary scholarship Desgabets Boyle Collins This volume will become an essential reference work that graduate students and professionals in the fields of philosophy of mind the history of philosophy and the history of psychology will want to own

God's Dna Decoded Henry B. Naiken, Beryl S. Confait, 2013-07 Dr Henry B Naiken has taught thousands of clients his unique and modern formulas for success He has emerged not only as an authority on success strategies but as someone who actually lives the personal and professional success he stipulates in his seminars Over the past 22 years he has delivered his innovative unique and powerful winning principles to enthusiastic audiences around the globe but this is the first time he has committed them to paper These proven principles for success promise to match the excitement and leverage the book *Think Grow Rich* did for Napoleon Hill Written in an easy to read style yet with direct commentary *God's DNA Decoded How to Be What You Were Really Meant to Be* is destined to become the new self improvement standard not only defining success for readers but helping them achieve it in their lives This book contains timeless principles used by successful men and women throughout history

Enbrightened Commentary (God Is Real) 2nd edition Jared J. Kimble, **Meditations on the Glory of God** Samuel Whittemore Fowler, 2010-05 In these *Meditations on the Glory of God* Dr Fowler stimulates our sanctified imaginations to picture our Savior the One who shed His blood on Calvary for our sins in His thronal glory providentially governing passionately seeking the lost and programming our future He helps us visualize in anthropomorphic splendiferous images the glory of God and enthusiastically describes the New Jerusalem He brings to our sanctified imaginations the descriptions of the city and what it will be like to live there He says Imagine how it will be to live for God continually seeing His face continually finding new opportunities to serve Him within the splendorous and multicolored activity of that New Jerusalem Dr Fowler also shares with his readers God's infinite fullness All He is all He has done and is doing Life is only life when life's meaning is to be filled with the knowledge of the glory of the Lord Habakkuk 2:14 Samuel W Fowler was born November 30 1934 in Washington DC He trusted Christ as his Savior October 12 1954 He received his ThD from Dallas Theological Seminary and was professor of Bible and Theology for 43 years His unique teaching and preaching style reached many students who are now serving the Lord around the world He also served as interim pastor and full time pastor in churches in Indiana Virginia and Maryland His expertise in Bible and Theology and other fields of interest led to a rich inner life and a deep relationship with the Lord which has culminated in these *Meditations on the Glory of God* Dr Fowler was ushered into the presence of His Glory on July 11 2008

The Immutability of God in the Theology of Hans Urs Von Balthasar Gerard F. O'Hanlon, 2007-11-19 This study shows how the trinitarian theology of Hans Urs von Balthasar opens up an approach to the controverted question of God's immutability and impassibility which succeeds in respecting both the

transcendence and the immanence of God Contrary to both Process thought and the classical Thomist position von Balthasar's scattered treatment is here presented thematically in a way which makes it clear that his idea of an analogous event in the trinitarian God in which we participate is a radical reinterpretation of the traditional Christian axiom of divine immutability In the course of outlining the distinctiveness of von Balthasar's approach O Hanlon introduces the reader to some of the fundamental themes of one of the major Roman Catholic theologians of this century who is still relatively unknown in the English speaking world

On the Power of God Thomas Aquinas, 2004-06-11 In the thirteenth century public disputation was not only a sort of ecclesiastical tournament arranged for an exceptional and solemn occasion but also an integral part of a philosophical and theological course of study At the University of Paris for instance public disputations were held frequently throughout the year They were held more or less intermittently by other masters but by Thomas with great frequency and regularity especially during the three years of his first professorship at Paris when he held them twice a week during term Thomas disputations fall into seven series on Truth on the Power of God on Evil on the Incarnate Word on Spiritual Creatures and on the Virtues These disputations on the power of God were written when Aquinas was about 40 and at the height of his intellectual powers The exact time and place are unknown though it is likely that they were offered in either Anagni 1259 1261 or Rome 1265 67

Glory: When Heaven Invades Earth Bob Sorge, 2000 God is stirring a profoundly deep cry in our hearts today for nothing short of a full blown invasive explosion of God's Glory in the earth Written with practical applications to worship leading ministries this book articulates the difference between the Presence of God and the Glory of God You love the Presence of God but you'll never be satisfied until you see the Glory of God Get ready God's Glory is about to invade our planet

The Passion of God Warren McWilliams, 1985-06 *Unleashing God's Word in Youth Ministry* Barry Shafer, 2009-05-26 Whether Bible studies are a regular part of your ministry or you're thinking about how to bring Bible study into your ministry in a more significant way chances are that you want to help your students enter into God's word in a way that challenges them and changes their lives That's a goal worth working towards but sometimes you will feel like it's a goal that you may never reach *Unleashing God's Word in Youth Ministry* is designed to help you develop a Bible study approach that engages students on a deeper level even if you're an avid curriculum user or someone who creates all your own discipleship materials from scratch As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God's Word you'll discover that Bible study for your students can be taken to a whole new level In the pages of this book you'll get beyond the typical Bible discussions and learn to confidently engage students in an in depth search of God's Word Teach teens how to study the Bible on their own Be invigorated in your own personal interaction with the Bible Gain confidence and competence in leading teens deeper in Bible studies and much more If you want to take your students deeper into the Bible discover what it takes to unleash God's Word in your own ministry and watch your students and youth ministry be transformed

The World and God Are Not-Two Daniel Soars, 2023-04-25

The World and God Are Not Two is a book about how the God in whom Christians believe ought to be understood. The key conceptual argument that runs throughout is that the distinctive relation between the world and God in Christian theology is best understood as a non dualistic one. The two God and World cannot be added up as separate enumerable realities or contrasted with each other against some common background because God does not belong in any category and creatures are ontologically constituted by their relation to the Creator. In exploring the unique character of this distinctive relation Soars turns to Sara Grant's work on the Hindu tradition of Advaita Vedānta and the metaphysics of creation found in Thomas Aquinas. He develops Grant's work and that of the earlier Calcutta School by drawing explicit attention to the Neoplatonic themes in Aquinas that provide some of the most fruitful areas for comparative engagement with Vedānta. To the Christian the fact that the world exists only as dependent on God means that world and God must be ontologically distinct because God's existence does not depend on the world. To the Advaitin this simultaneously means that World and God cannot be ontologically separate either. The language of non duality allows us to see that both positions can be held coherently together without entailing any contradiction or disagreement at the level of fundamental ontology. What it means to be world does not and cannot exclude what it means to be God.
