The Interim King I Of Dukes And Earls:

The Interim King J. Colman McMillan, 2003-11 THE INTERIM KING Of Dukes and Earls is the first of two books about England's last Saxon king Harold II Monumental events occurred during Harold's brief reign in the year 1066 events which irrevocably changed the course of world history and the English language Like John Kennedy Harold was the second son of a self-made man who rose from obscurity to influence the kings of England Harold's father raised all of his eight children to be fierce competitors and groomed them to assume the leadership of his country Also like John Kennedy Harold was a lady's man and the marital problems of today's royal family in England seem insignificant when compared to those faced by Harold who in his quest to become king of England found himself engaged to three different women at the same time The story includes a broken oath a vengeful brother blessings from the Pope Haley's comet and the last great Viking warrior The characters are real people who lived during the turbulent Middle Ages The problems of the world in those times were different in some ways from our own times but were no less traumatic for those who lived loved and died then *The Annals of King James and King Charles the First* Thomas Frankland, 1681 **The Bayeux Tapestry** John F. Szabo, Nicholas E. Kuefler, 2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror's invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period Who commissioned it and for what purpose What was the intended venue for its display Who was the designer and who executed the enormous task of its manufacture How does it inform our understanding of eleventh century life And who was the mysterious Aelfgyva depicted in the Tapestry's main register This book is an effort to capture and describe the scholarship that attempts to answer these questions But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects The inclusion of this material will assist future scholars who may study references to the work in contemporary non-fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom The monographs articles and other works cited in this bibliography reflect dozens of research areas Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo-Saxon needlework tradition preservation and display of the artifact the Tapestry's place in medieval art the embroidery's depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself *History of the Orders of Knighthood of the British Empire; of the Order of the*
