**The International Grandmothers' Cookbook** Eileen Weppner, 1974      **In Her Kitchen** Gabriele

Galimberti, 2014-11-11 In a gorgeous keepsake volume based on the slideshow that captured the world's attention Gabriele Galimberti's beautiful portraits of grandmothers from all over the world with their signature dishes stunningly illustrates the international language of food and family On the eve of a photography trip around the world Gabriele Galimberti sat down to dinner with his grandmother Marisa As she had done so many times before she prepared his favorite ravioli a gesture of love and an expression of the traditions by which he had come to know her as a child The care with which she prepared this meal and the evident pride she took in her dish led Gabriele to seek out grandmothers and their signature dishes in the sixty countries he visited The kitchens he photographed illustrate both the diversity of world cuisine and the universal nature of a dish served up with generosity and love At each woman's table Gabriele became a curious and hungry grandson exploring new ingredients and gathering stories These vibrant and intimate profiles and photographs pay homage to grandmothers and their cooking everywhere From a Swedish housewife and her homemade lox and vegetables to a Zambian villager and her Roasted Spiced Chicken this collection features a global palate included are hand stuffed empanadas from Argentina twice fried pork and vegetables from China slow roasted ratatouille from France and a decadent toffee trifle from the United States Taken together or bite by bite In Her Kitchen taps into our collective affection for these cherished family members and the ways they return that affection In Her Kitchen is an evocative loving portrait of the power of food and family no matter where in the world you sit down for dinner      *Me-Maw International Cookbook* Deion Carpenter, 2021-08-28 Recipes From Mothers and Grandmothers Around The World      **Grand Dishes** Iska Lupton, Anastasia Miari, 2021-03-04 This is not a book about what it's like to be old It's about what it's like to have lived There is no food quite like a grandmother's time perfected dish Inspired by their own grandmothers and the love they shared through the food they served Anastasia Miari and Iska Lupton embarked on a mission from Corfu to Cuba Moscow to New Orleans and many more in between they set out to capture cooking methods regional recipes and timeless wisdom from grandmothers around the world The result is Grand Dishes a journey across four years of cooking with the world's grandmothers a preservation not just of recipes but of the stories told through the dishes that have seasoned these grandmothers' lives Featured alongside are contributions from celebrated chefs and food writers each with their own grandmother's recipe to share Rich with the insight that age brings elegant portraits diverse recipes and techniques unique to a region a grandmother and her family this is a book to pass down through generations      *Baking with Grandmas from Around the World* Laura J.
