2017 *The Right to Conscientious Objection to Military Service and Turkey's Obligations under International Human Rights Law* Ö. Çınar, 2014-07-25 This study examines Turkey's non recognition of the right to conscientious objection to military service and locates this non recognition within the context of international human rights law specifically United Nations and European Union system **Creating a New Consensus on Population** Jyoti Shankar Singh, 2013-11-12

Population growth reproductive health and reproductive rights are amongst the most pressing issues facing governments and the international community Since the world's governments agreed for the first time on far reaching and enlightened population policies at the 1994 International Conference on Population and Development ICPD in Cairo a good deal of progress has been made on these issues but major challenges remain This fully updated edition of *Creating a New Consensus on Population* charts international progress on efforts to address population and development reproductive health reproductive rights religion contraception and the empowerment of women Historical coverage includes the lead up process to the ICPD the conference itself and the global consensus and the ICPD Programme of Action that resulted The book then turns to how population issues have developed over the past decade and a half including follow up and implementation at the international level by the United Nations Population Fund UNFPA and other UN agencies and organizations Key international events are covered including the 1999 ICPD 5 Millennium Summit 2000 ICPD 10 and the 2005 MDG 5 as well as relevant regional events The book also examines the reorientation of policies and programmes and implementation at national levels across the world Crucially it looks at emerging issues and partnerships including the increasing role of NGOs women's groups youth groups foundations public private partnerships and other non state stakeholders Written by Jyoti Shankar Singh former ICPD Executive Coordinator this is the definitive account of how the international community has engaged with population issues and policies and it offers insight into both the ongoing challenges as well as how an international consensus can be forged on crucial global issues It is essential reading for all those involved in population health and development issues and policies world wide *Capitalist Punishment* Alex Friedman, 2010-04-28 Over 100 000 people in the U S are

incarcerated in prisons owned and operated by private corporations a booming business But how are the human rights of prisoners and prison employees affected when prisons are run for profit An accomplished group of human rights writers and activists explores the historical political and economic context of private prisons How are prisoners lives affected by privatization How does it impact prison labor and prison employees How and why are private prisons becoming transnational Are women children and African and Native Americans affected differently from other populations How is privatization connected to the war on drugs the criminalization of poverty and tough on crime politics The preface is by Sir Nigel Rodley

Professor of Law at the University of Essex former United Nations Special Rapporteur for Torture and knighted in 1999 for recognition of services to human rights and international law *The Selected Papers of Margaret Sanger, Volume 4* Margaret Sanger,2016-10-01 When Margaret Sanger returned to Europe in 1920 World War I had altered the social landscape as dramatically as it had the map of Europe Population concerns sexuality venereal disease and contraceptive use had entered public discussion and Sanger s birth control message found receptive audiences around the world This volume focuses on Sanger from her groundbreaking overseas advocacy during the interwar years through her postwar role in creating the International Planned Parenthood Federation The documents reconstruct Sanger s dramatic birth control advocacy tours through early 1920s Germany Japan and China in the midst of significant government and religious opposition to her ideas They also trace her tireless efforts to build a global movement through international conferences and tours Letters journal entries writings and other records reveal Sanger s contentious dealings with other activists her correspondence with the likes of Albert Einstein and Eleanor Roosevelt and Sanger s own dramatic evolution from gritty grassroots activist to postwar power broker and diplomat A powerful documentary history of a transformative twentieth century figure *The Selected Papers of Margaret Sanger Volume 4* is a primer for the debates on individual choice sex education and planned parenthood that remain all too pertinent in our own time **Sri Lanka Journal of International Law** ,1997

Children's Rights and Obligations in Canon Law Mary McAleese,2019-11-04 In the first study of its kind Mary McAleese subjects to comprehensive scrutiny the Roman Catholic Church s 1983 Code of Canon law as it applies to children The Catholic Church is the world s largest non governmental organisation involved in the provision of education and care services to children It has over three hundred million child members world wide the vast majority of whom became Church members when they were baptised as infants Canon law sets out their rights and obligations as members Children also have rights which are set out in the 1989 United Nations Convention on the Rights of the Child to which the Holy See is State Party The impact of the Convention on Canon Law is examined in detail and the analysis charts a distinct and worrying sea change in the attitude of the Holy See to its obligations under the Convention since the clerical sex abuse scandals became a subject of discussion at the Committee on the Rights of the Child which monitors implementation of the Convention Mary McAleese wins Europe s richest theology prize for her study of canon law The former President of Ireland Mary McAleese has won one of the Catholic world s most prestigious prizes the Alfons Auer Ethics Award from Tbingen University in Germany for her doctoral thesis on Children s Rights and Obligations in Canon Law *Молодёжная политика в ситуации постмодерна. Модели, механизмы, риски* Чирун С. Н.,2014-05-21 **The Rio Declaration on Environment and Development**

Jorge E. Viñuales,2015-02-05 The international community has long grappled with the issue of safeguarding the environment and encouraging sustainable development often with little result The 1992 Rio Declaration on Environment and Development was an emphatic attempt to address this issue setting down 27 key principles for the international

community to follow These principles define the rights of people to sustainable development and the responsibilities of states to safeguard the common environment The Rio Declaration established that long term economic progress required a connection to environmental protection It was designed as an authoritative and comprehensive statement of the principles of sustainable development law an instrument to take stock of the past international and domestic practice a guide for the design of new multilateral environmental regimes and as a reference for litigation This commentary provides an authoritative and comprehensive overview of the principles of the Declaration written by over thirty inter disciplinary contributors including both leading practitioners and academics Each principle is analysed in light of its origins and rationale The book investigates each principle s travaux pr paratoires setting out the main points of controversy and the position of different countries or groups It analyses the scope and dimensions of each principle providing an in depth understanding of its legal effects including whether it can be relied before a domestic or international court It also assesses the impact of the principles on subsequent soft law and treaty development as well as domestic and international jurisprudence The authors demonstrate the ways in which the principles interact with each other and finally provide a detailed analysis of the shortcomings and future potential of each principle This book will be of vital importance to practitioners scholars and students of international environmental law and sustainable development

Beyond Systemic Discrimination Päivi Gynther, 2007 This book presents an analysis of international law in support of educationally disadvantaged young people and adults Focusing on Roma it introduces a scheme for identifying situations where they become subjected to discrimination by state parties to relevant international standards

The Oxford Handbook of Public Health Ethics Anna C. Mastroianni, Jeffrey P. Kahn, Nancy E. Kass, 2019 Public health raises critical ethics issues and concerns making public health ethics an essential topic for students and public health professionals The 73 chapters in this volume examine public health ethics across a broad range of public health topics both in the U S and globally It is the first ever comprehensive collection devoted to public health ethics
