The Christmas Box springs from its timeless message that knows no season The Christmas List Richard Paul Evans, 2009-10-06 A heartwarming and inspirational Christmas novel in the tradition of The Christmas Box Grace The Gift and Finding Noel The New York Times bestselling author of The Christmas Box and The Walk series returns with a holiday novel of hope love and redemption Dear Reader When I was in seventh grade my English teacher Mrs Johnson gave our class the intriguing if somewhat macabre assignment of writing our own obituaries Oddly I don't remember much of what I wrote about my life but I do remember how I died in first place on the final lap of the Daytona 500 At the time I hadn't considered writing as an occupation a field with a remarkably low on the job casualty rate What intrigues me most about Mrs Johnson's assignment is the opportunity she gave us to confront our own legacy How do we want to be remembered That question has motivated our species since the beginning of time from building pyramids to putting our names on skyscrapers As I began to write this book I had two objectives First I wanted to explore what could happen if someone read their obituary before they died and saw firsthand what the world really thought of them Their legacy Second I wanted to write a Christmas story of true redemption One of my family's holiday traditions is to see a local production of Charles Dickens's A Christmas Carol I don't know how many times I've seen it perhaps a dozen but it still thrills me to see the change that comes over Ebenezer Scrooge as he transforms from a dull tight-fisted miser into a penitent giddy as a schoolboy man with love in his heart I always leave the show with a smile on my face and a resolve to be a better person That's what I wanted to share with you my dear readers this Christmas a holiday tale to warm your season your homes and your hearts Merry Christmas **The Letter** Richard Paul Evans, 1997 The love story of David and MaryAnne Parkin and the storms that their relationship must face when the blissful state of romance vanishes into real life challenges and difficulties **The Christmas Box**, 2025-05-22 Richard Evans is a workaholic who has little time for his family But when his wife suggests they move in with his widowed grandmother a remarkable transformation begins Mary Parkin is a woman of deep faith and her wisdom and simple ways deeply affect Richard While unpacking in the attic Richard discovers an old box containing a beautiful Nativity scene and an intriguing journal As he reads he uncovers a story of love loss and a profound secret connected to the first Christmas The Christmas Box is a heartwarming tale that reminds us of the true meaning of Christmas and the importance of family This timeless story is perfect for readers looking for an inspirational and uplifting holiday read This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc

The Christmas Box Mike LaRiviere,Judy LaRiviere,2010-02-15 The Christmas Box is perhaps the world s best gift for those you love and for whom you want to do something very special each year You will never never never give a more welcome appreciated or anticipated gift than the second Christmas Box The first one will be a total surprise the second will be totally expected and selfishly anticipated Each Christmas Box passes down vital family history not obtainable elsewhere and keeps family traditions alive Each enriches family heritage and sets in stone events of significance for future reference These family treasures are important in that they impart wisdom and values while providing information that can be accessed and later used Christmas Boxes are fun ways to give our loved ones their inheritance in a managed manner while providing a way to get them involved in character building activities Having said all that the Christmas Box is a wonderful way to share and reinforce Godly principles Finally the Christmas Box is your personal legacy to your precious treasures It is something they will keep for a lifetime and whenever they look at it they will remember you and smile
