The Cid:

Poem of the Cid Paul Blackburn, George Economou, 1998 Few works have shaped a national literature as thoroughly as the Poem of the Cid has shaped the Spanish literary tradition Tracing the life of the eleventh century military commander Rodrigo Diaz de Vivar called El Cid from the Arabic Sayyidi My Lord this medieval epic describes a series of events surrounding his exile The text of the poem survives in only one early thirteenth century manuscript copied by a single scribe yet centuries later the figure of the Cid still was celebrated in the Spanish popular ballad tradition Today almost every theme that characterizes Spanish literature honor justice loyalty treachery and jealousy derives from the Poem of the Cid Restored by poet and medievalist George Economou this elegant and spirited translation by Paul Blackburn is judged by many the finest English translation of a great medieval poem

The Story of the Cid Calvin Wilson, J. Kennedy, 2014-11-29 The story of Spain's national hero Rodrigo Diaz de Vivar 1043 1099 who helped liberate his nation from the Muslims is retold in vivid detail in this superb work originally designed for younger readers but easily readable for adults as well It tells the inspiring story of the Castilian nobleman given the name El Cid the Lord by the Moors and El Campeador the Champion by the Europeans and his decades long war against the Islamic invaders of the Iberian Peninsula Caught in the intrigue of the Middle Ages El Cid was forced to wage war against Christian armies as well but his real foe remained the ultimate enemy as

is so brilliantly explained in this work His seizure of Valencia in 1094 established El Cid as a ruler in his own right while his final years were spent in fighting the Almoravid Berbers This is the real story of El Cid divorced from the Hollywood myth which serves as an immortal reminder of the price paid by medieval Europeans to resist the Islamic attempt to invade Europe No brutal detail is spared in this sometimes shocking account of the wars waged by El Cid in his quest to liberate his part of Europe In spite of all the myths it is beyond doubt that the real Rodrigo was one of the most wonderful men who has ever lived and that he was the greatest warrior who fought in the long and fierce struggles between the Christians and the Mahometans From the first chapter Completely reset and reformatted Illustrated
