eBooked! H. Anthony Bandy, 2013-10-08 A comprehensive look at today s online book sites such as Google Books and HathiTrust that gives you the necessary knowledge skills and resources to get up to speed on these amazing digital resources and use them effectively in the library setting

Online book sites such as the Google Books project the Open Library HathiTrust and others are transforming our thoughts on just what a library is and does and expanding the possibilities of what a library can be

Library staff need to be knowledgeable about these sites but unfortunately many libraries particularly those in the public arena do not have the budget or staff time to learn about these sites and integrate them into their library services

eBooked! Integrating Free Online Book Sites into Your Library Collection fills this pressing need This book examines four of the largest and most popular free online book sites Each is discussed in detail in its own chapter profiling the service in question identifying its origins and organization and presenting specific concrete details that describe how to make effective use its available resources

Screenshots applicable library scenarios and sample questions that readers can use to quiz themselves are included The end of each chapter contains a helpful summary that recaps the main points Other helpful

sites are discussed as well **Food Jobs** Irena Chalmers,2008-09-01 Do you want to turn your passion for food into a career Take a bite out of the food world with help from the experts in this first of its kind What Color Is Your Parachute for food related careers Maybe you re considering culinary school maybe you re about to graduate or maybe you re looking for an exciting career change How can you translate your zest for flavor into a satisfying profession Should you become a chef or open a specialty foods shop write cookbooks or try your hand at food styling Culinary careers are as varied as they are fascinating the only challenge is deciding which one is right for you Filled with advice from food world pros including luminaries such as Alice Waters Chris Kimball Betty Fussell and Darra Goldstein Food Jobs will set you behind the stove of your dream career Chalmers provides essential information for getting started including testimonials from the best in the field like Bobby Flay Todd English Gordon Hamersly Francois Payard Danny Meyer Anthony Bourdain and more **Robust Python** Patrick Viafore,2021-07-12 Does it seem like your Python projects are getting bigger and bigger Are you feeling the pain as your codebase expands and gets tougher to debug and maintain Python is an easy language to learn and use but that also means systems can quickly grow beyond comprehension Thankfully Python has features to help developers overcome maintainability woes In this practical book author Patrick Viafore shows you how to use Python s type system to the max You ll look at user defined types such as classes and enums and Python s type hinting system You ll also learn how to make Python extensible and how to use a comprehensive testing strategy as a safety net With these tips and techniques you ll write clearer and more maintainable code Learn why types are essential in modern development ecosystems Understand how type choices such as classes dictionaries and enums reflect specific intents Make Python extensible for the future without adding bloat Use popular Python tools to increase the safety and robustness of your codebase Evaluate current code to detect common maintainability gotchas Build a safety net around your codebase with linters and tests *Producing Children* Peter C.
