Chaudhry, 2021-04-15 Shortlisted for the William Saroyan International Prize 2022 Engrossing brilliant Monica Ali Heartbreaking and really funny Ross Gay This book fell into my heart Sabrina Mahfouz The kind of authentic voice that is rarely heard Saima Mir Ayesha tells the story of growing up in a fundamentalist Muslim household of parents who spent most of their lives away from Pakistan of stealing her mother s hijabs to wear to school as a five year old of revisiting the beliefs and ideals she was raised with of failed dreams and heartbreaks but also of joy and love Life affirming and funny The Colour of God uncovers surprising answers to questions of faith belonging family and liberation and offers a vision of freedom that isn t measured in fabric **The Colour of Red** Nima Lee, 2016-12-20 2016 marks the 50th anniversary of the outbreak of the Great Proletarian Cultural Revolution This extraordinary yet relatively unknown period is vibrantly captured in a sequence of short stories full of tragedy humour and satire in beautifully crafted vignettes of life at the time both ordinary and otherwise The Colour of Red is a gripping debut collection of short stories set in China and is based on true events that took place between 1966 and 1976 Nima Lee paints the moving human dramas behind this turbulent period in a powerful amalgam of betrayal love hate ridicule and brutality With the revival of an autocratic personality cult in China today it is a stark reminder of potential catastrophic consequences Stories include The Helmsman which is a unique portrayal of Mao as an ordinary man in an ordinary day elevated to an extraordinary position In contrast to many books Lee encourages the reader to form their own views and judgements on this

prominent historic figure who dominated Chinese politics for a century In stark contrast The Autumns Tale will touch your heart at the fate of two young lovers while Mango recounts perhaps one of the most bizarre episodes in recent history In this remarkable collection Nima Lee reveals both the tribulations inflicted upon and the resilience of ordinary Chinese people through her variety of characters including a ten year old girl a journalist red guards university students and soldiers Written in chronological order The Colour of Red is a highly informative and thoroughly entertaining collection that uses historical facts to bring fictional characters to life In every sense Lee has made the Cultural Revolution unforgettable skilfully navigating the subject and exploring the politics of the time without being judgemental maintaining a high level of writing that moves one to tears

[Best Essays](#) Francis Henry Pritchard,1929 **The Colour of Injustice** Lee Lawrence,2025-10-02 Lee Lawrence was just eleven when his mother Cherry Groce was shot by police during a raid on the family s south London home It was an event that would spark a violent uprising and dominate his life for the next 30 years as he fought for justice and for the police to

admit their wrongdoing Along the way Lee came across dozens of other cases past and present which made it clear that the racial prejudice and bias which resulted in his mother's shooting had been in place for many decades impacting the lives of thousands of innocent people Through a deeply researched and fast moving narrative Lee Lawrence seamlessly combines historical fact with his dramatic first hand experiences of racial injustice to present vivid stories from the Somali sailor who was wrongly convicted of murder in Cardiff in 1952 to the assault on professional footballer Dalian Atkinson and from the hounding of Notting Hill's Mangrove Club to Black Lives Matter that chronicle how Britain's Black community has been mistreated Though there remains much work to be done Lee Lawrence is also an inspiring guide who highlights the many positive changes that have taken place and outlines those still needing to be enacted Against the backdrop of the hard learned lessons of years gone by *The Colour of Injustice* also lays the foundation for a pathway to the future to move towards a truly anti racist society
