The Comic Postcard In English Life:

The Comic Postcard in English Life Frederick Alderson, 1970 The Comic Postcard N English Life Frederick Alderson, 1970 British Postcards of the First World War Peter Doyle, 2011-11-20 Postcards sent by men on the front and to them by their families are among the most numerous and most telling surviving artefacts of the Great War They tell us much about attitudes towards the war and provide a great insight into men s lives and into the thoughts and emotions of those left behind Very different in their illustration and in their writing between the beginning of the war and the end postcards provide a social history of the war in microcosm Illustrated with a wide range of postcards this is a fascinating look into the response of the British people to the horrors of the war *Travel, Tourism and Art* Tijana Rakić, Jo-Anne Lester, 2016-02-17 Art in its many forms has long played an important role in people s imagination experience and remembrance of places cultures and travels as well as in their motivation to travel Travel and tourism on the other hand have also inspired numerous artists and featured in many artworks The fascinating relationships between travel tourism and art encompass a wide range of phenomena from historical Grand Tours during which a number of travellers experienced or produced artwork to present day travel inspired by art artworks produced by contemporary travellers or artworks produced by locals for tourist consumption Focusing on the representations of touristic places locals travellers and tourists in artworks the role of travel and tourism in inspiring artists as well as the role of art and artwork in imagining experiencing and remembering places and motivating travel and tourism this edited volume provides a space for an exploration of both historical and contemporary relationships between travel tourism and art Bringing together scholars from a wide range of disciplines and fields of study including geography anthropology history philosophy and urban cultural tourism art and leisure studies this volume discusses a range of case studies across different art forms and locales **Healing the Nation** Jeffrey S. Reznick, 2004 Healing the Nation is a study of caregiving during the Great War exploring life behind the lines for ordinary British soldiers who served on the Western Front Using a variety of literary artistic and architectural evidence this study draws connections between the war machine and the wartime culture of caregiving the product of medical knowledge and procedure social relationships and health institutions that informed experiences of rest recovery and rehabilitation in sites administered by military and voluntary aid authorities *Pack Up Your Troubles* James Taylor, 2016-10-06 Artist drawn humorous postcards were growing considerably in popularity at the start of the 20th century When war broke out in 1914 trade in them soared as the government utilised them as a widespread means of communication to bolster morale stiffen resolve and lift up the spirits in the field at sea and on the home front from 1914 to 1919 They were also an excellent tool for recording and commenting on military and civilian events as they unfolded Although the conflict was no laughing matter humour helped to bring people together and feel stronger during a time of suffering these postcards helped achieved this and they are therefore considered as significant historical documents Pack Up Your Troubles is the first book of this kind to focus exclusively on the impact of

British humour in the art of the picture postcards of World War One both in the field and on the home front The book is divided into themed chapters of the era from Camp Life and Training to The Western Front through to Women at War and many more in between Each section shows approximately 20 postcards within that theme each with an explanatory caption This book would be an ideal gift for anyone with an interest in war and military history art and design cartoons and anyone who enjoys humour and laughing *The Victorian City* Harold James Dyos, Michael Wolff, 1999 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory **Beyond a Joke** S. Lockyer, M. Pickering, 2005-11-01 Humour is pervasive in contemporary culture and is generally celebrated as a public good Yet there are times when it is felt to produce intolerance misunderstanding or even hatred This book brings together for the first time contributions that consider the ethics as well as the aesthetics of humour The book focuses on the abuses and limits of humour some of which excite considerable social tension and controversy **Beyond a Joke** is an exciting intervention full of challenging questions and issues **Blackface Minstrelsy in Britain** Michael Pickering, 2017-07-05 Blackface minstrelsy is associated particularly with popular culture in the United States and Britain yet despite the continual two way flow of performers troupes and companies across the Atlantic there is little in Britain to match the scholarship of blackface studies in the States This book concentrates on the distinctively British trajectory of minstrelsy The historical study and cultural analysis of minstrelsy is important because of the significant role it played in Britain as a form of song music and theatrical entertainment Minstrelsy had a marked impact on popular music dance and other aspects of popular culture both in Britain and the United States Its impact in the United States fed into significant song and music genres that were assimilated in Britain from ragtime and jazz onwards but prior to these influences minstrelsy in Britain developed many distinct features and was adapted to operate within various conventions themes and traditions in British popular culture Pickering provides a convincing counter argument to the assumption among writers in the United States that blackface was exclusively American and its British counterpart purely imitative Minstrelsy was not confined to its value as song music and dance Jokes at the expense of black people along with demeaning racial stereotypes were integral to minstrel shows As a form of popular entertainment British minstrelsy created a cultural low Other that offered confirmation of white racial ascendancy and imperial dominion around the world The book attends closely to how this influence on colonialism and imperialism operated and proved ideologically so effective At the same time British minstrelsy cannot be reduced to its racist and imperialist connections Enormously important as those connections are Pickering demonstrates the complexity of the subject by insisting that the minstrel show and minstrel performers are understood also in terms of their own theatrical dynamics t British Books in Print, 1971 **New Age Marketing** Upinder Dhar, 2008 The theme of NICOM 2008 being held between January 9 to 11 2008 is Strategies and Trends in Marketing A New Economy Perspective The issues challenges and

dimensions of the emerging scenario are grouped into the following sub themes Marketing Information System brings together scholarly contributions on Marketing Research and Analytics Business Intelligence and Forecasting Tools Data Mining in Marketing and Decision Support System Knowledge Management and Environment Sensing for Marketing The sub theme Value Creation New Paradigms has deliberations on Marketing Innovations Trends in Pricing Strategy Diffusion of New Products and Marketing Mix Decisions Value Delivery in Marketing covers topics on Disintermediation Re intermediation Managing Marketing Channels Logistics and Technology and 3PL and 4PL Managing Marketing Communication looks at Managing Brands Changing Face of Advertising Marketing Communication on Internet Managing Content and Blogging The New Marketing Tool Marketing Metrics gets together papers on measuring Performance Expectations Customer Satisfaction Loyalty and Preferences Awareness Attitudes and Usage Business Markets in New Economy looks at Business Integration Managing Suppliers E Marketplaces Extended Organization and Managing Procurement Marketing and Technology debates on the issues in Process Automation Enterprise Resource Planning Customer Relationship Management Managing Customer Data Bases E commerce and Technology Customer Information Security Retail and Technology and Managing Online Services Interdisciplinary Studies gives a platform for Cross Cultural Studies Marketing of Financial Services Marketing of Hospitality and Tourism Marketing of Healthcare Services Managing Services Retail the Changing Face and Ethical Issues in Marketing This book is the result of publication of selected works out of over a hundred papers presented at the Conference It is appropriately titled NEW AGE MARKETING Emerging Realities It is divided into four parts in line with the theme and sub themes of the Conference as follows Part A Marketing and Technology Part B Value Creation and Delivery Part C Changing Face of Marketing Part D Marketing Metrics
