## **The Coming Christ:**

**Signs of the Coming Christ** R Scott Sykes,2004-10 Signs of the Coming Christ is a consolidation of all biblical prophecy that is relevant to the current age This scientific analytical approach sheds new light on ancient scriptures Biblical Studies

**The Time of His Coming** Michael Vilardi,2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book The Time of His Coming author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind The Time of His Coming is easily one of the most compelling books to read today Order your copy today     *A Coming Christ in Advent* Raymond Edward Brown,1988 Father Brown reflects here not only on those annunciations of Jesus forthcoming birth in the Gospels of Matthew and Luke but also on the beautiful canticles the Magnificat and the Benedictus and on the origins of Jesus as given in the first words of the New Testament     **The coming of Christ and signs preceding His Coming**

John Waite (of Camberwell.),1896     **The Coming Kingdom of Christ** John R. Rice,2000-08     **Essays on the Coming of Christ** Warren Skinner,1830     The Coming of Christ Isaac Massey Haldeman,1906     Come, Lord Jesus! Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both

human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world Christ's Second Coming; Will it be Pre-millennial David BROWN (Principal of the Free Church College, Aberdeen.),1867 **How to Overcome Death** Glen C. Cutlip,2000-02-28 The overcoming of death is a serious undertaking because death is a part of the nature one's being and therefore not what it appears to be When Death is reconciled with life it becomes a means of interdimensional travel We realize that it wasn't there in the first place Therefore the overcoming of death is to take place within one's present consciousness for death is the counterpart of life in the first place Therefore the resurrection unto life is from the death that is hidden in life It is the dead that appear to be living that are resurrected unto life Death is something that is a part of one's present consciousness not something off somewhere in the so called afterlife The resurrection of the dead is unto conscious life or immortality or back into the realm of unconscious death for life and death occupy the same space It is a matter of seeing death as it is not just as it appears to be In that death is not what it appears to be the overcoming of death is not what it appears to be Therefore it is a real possibility It can be realized within one's lifetime The Overcoming of Death is the means of bringing the realization of conscious immortality to the awareness of one's present consciousness in this lifetime It reveals why it is that losing life is finding it and how it is that it is the dead that are living that hear the voice of the Son of God and are resurrected from the dead *The Second Coming of Christ* Richard Cunningham Shimeall,1873 **The One Coming** David Avenell,Phillip Brown,2017-11-03 This book was written as a devotional resource leading up to Christmas It aligns not only with the season of Advent but with Advent's great expectation of hope in a coming Messiah Such hope is grounded in the Psalms and in the Law and the Prophets It is from there that the Old Testament saints looked forward to the coming of Christ the King And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem and ultimately at the cross on Calvary This is a marvellous little book Phillip and Daniel write clearly helpfully warmly and above all faithfully as they set out the beauty power and significance of the Lord Jesus If you want to know what Christmas is all about or simply to keep Christ at the heart of Christmas then this book is for you Reverend Dr Gary Millar Principal Queensland Theological College Brisbane Christians are followers of the Lord Jesus Christ They have also long been known as people of the Book This delightful little Study guide illuminates the solid connections between various parts of the Bible otherwise separated by thousands of years It focuses on Jesus and how his life and ministry death and resurrection and promised return make sense of everything Read and savour this book as it directs you to Jesus Christ Reverend Dr Wei Han Kuan State Director CMS Victoria Phillip Brown is the current vicar of All Saints Anglican Church in Moree He is married

and has three boys and enjoys spending time with them Phillip has a deep passion and love of God's words revealed in the Bible and is committed to sharing that with people Daniel Avenell worked with Phillip for a brief period In that time they compiled this collection of devotions amongst pastoral ministry Daniel now resides in Brisbane with his wife Daniel has five adult children and loves nothing more than teaching God's word to people

Chronological Signs of the Second Coming of Christ Shaun Bailey,2015-02-17 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked This book is designed to prepare you to warn you and to answer your questions about the coming of Christ Ultimately the most important thing you can do is to prepare yourself to enter the presence of the Lord Signs is a scriptural guidebook on that journey Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don't just identify the signs of the times but put them in a useful chronological order Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context This is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the Lord
