The Coming World Dictator:

The Coming World Dictator John Wesley White,1981 **The Coming World Leader** David L. Hocking,1988 *The Coming New World Order* Thomas J. Mueller,2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming **The Next World War** Grant R. Jeffrey,2008-05-20 The first warning shots of WW III have already been fired The escalating terrorist attacks in the Middle East and in major cities in the West are not isolated acts of extremism They are the first warning shots fired in a coming world war For decades prophecy expert Grant R Jeffrey has been analyzing geopolitical developments through the lenses of history religion and prophecy As current events unfold according to the prophecies of the Bible Jeffrey says Islamic extremists are preparing to attack Israel and conquer western civilization destroying our freedom Drawing from firsthand interviews intelligence reports and ancient prophecy Jeffrey reveals Saddam Hussein s role in the 9 11 attack on America Where Iraq hid its Weapons of Mass Destruction How Russia and extreme Islam will launch World War III The Bible s prophecy of the destruction of extremist Islam How Israel will rebuild the Temple in Jerusalem With Grant Jeffrey s incisive and sometimes surprising analysis you can understand the hidden agenda and powerful players behind today s news headlines **Birth, Criminal History and Judgment of the Roman C. Church** Luis Munoz,2013-08-16 This book uses history and the Bible to offers a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy including Mystery Babylon the great the mother of harlots and of the abomination of the earth I will explore the myths and deception of Roman Catholicism and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man cant find salvation apart from her is the greatest deception the world has ever known Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the Vaticans Gnostic belief on sexual intercourse and the

imposition of celibacy Many people throughout the world equate Christianity with everything that is vile contemptible and depraved For centuries the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church During the horrors of the Inquisition tens of thousands of people were tortured dismembered beaten and burned alive all in the name of a fraudulent faith Roman Catholicism is the false representation of truth and also the cause great many people throughout history have repudiated true Christianity The history of crimes the papacy has committed throughout history is so compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasnt been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God **Angelic Renegades and Rephaim Giants** Dennis L. Siluk,2002-01-16 We are going into a world very few people have entered And if they have there stories have not been told And imparticular not this one These beings are called the Watchers angelic renegades The Forbidden Ones The Shinning Ones Serpents of Old The ancient dictators of the world They have cursed God to have man worship them Some were cast to the abyss thousands of years ago others into silence The author takes you into this vortex of images and sounds He meets these blood hungrey beings They have no shame They will plant seeds for mankind to breed such humans like Nimrod of old Nero Hitler Stalin Saddam Hussein bin Laden and the rest of their kind They have done more to mankind then he knows They feed their unnatural desires with human women They will teach mankind magic war astrolgoy and women how to paint their faces Their children will become giants And they will walk the earth and kill at will then parish in the sands of time One of the Watchers may return by request of the coming world dicttor He is the one the author meets just before Armageddon Dramatic prophetic events are also wedged into this small book May God be on your side my friend Say a prayer before reading it for it may be difficult to read otherwise for Satan holds no claim to liking such things written nor read his angelic friends neither **Faith** Robert James Thoms,2019-03-06 The following book which is part one of a three part series is a restoration of The Faith delivered to the planet earth two thousand years ago in that it fully restores spiritual development No explanation is necessary to explain the magnitude of such This three volume set is in fact the final warning from the Almighty to the inhabitants of the earth before the Rapture takes place Much of what is contained in this three volume set is instruction for those inside the house of God but many of those outside will benefit from its contents too *Endtimes and Sex ,* *Israel on High Alert* Ron Rhodes,2023-12-01 What Does the Future Hold for Israel The Middle East has long been spiraling out of control causing global uncertainty and fear What does this turmoil mean for Israel and why has peace been so elusive In this updated and expanded edition of Israel on High Alert author and Bible teacher Ron Rhodes offers a clear view of the situation and future faced by Israel You will explore the causes of the rising conflicts and wars in the Middle East what Scripture says about the ongoing battles and God s plans for Israel how the events in the Middle East affect each of our

American Apocalypse Matthew Avery Sutton, 2014-12-15 A Choice Outstanding Academic Title 2015 The first comprehensive history of modern American evangelicalism to appear in a generation *American Apocalypse* shows how a group of radical Protestants anticipating the end of the world paradoxically transformed it The history Sutton assembles is rich and the connections are

startling New Yorker American Apocalypse relentlessly and impressively shows how evangelicals have interpreted almost every domestic or international crisis in relation to Christ's return and his judgment upon the wicked Sutton sees one of the most troubling aspects of evangelical influence in the spread of the apocalyptic outlook among Republican politicians with the rise of the Religious Right American Apocalypse clearly shows just how popular evangelical apocalypticism has been and during the Cold War how the combination of odd belief and political power could produce a sleepless night or two D G Hart Wall Street Journal American Apocalypse is the best history of American evangelicalism I've read in some time If you want to understand why compromise has become a dirty word in the GOP today and how cultural politics is splitting the nation apart American Apocalypse is an excellent place to start Stephen Prothero Bookforum
