Committed Worship Donald L. Gelpi, 1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of

ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion **Art And The Committed Eye**

Richard Leppert,2019-04-05 In Art and the Committed Eye Richard Leppert examines Western European and American art from the fifteenth to the twentieth century He studies the complex relation between the look of images and the variety of social and cultural uses to which they are put and demonstrates that the meaning of any image is significantly determined by its function which changes over time In particular he emphasizes the ways in which visual culture is called on to mediate social differences defined by gender class and race In Leppert addresses the nature and task of representation discussing how meaning accrues to images and what role vision and visibility play in the history of modernity Here he explains imagery's power to attract our gaze by triggering desire and focuses on the long history of the use of representation to enact a deception whether in painting or advertising explores art's relation to the material world to the ways in which images mark our various physical and psychic ties to objects The author analyzes still life paintings whose subject matter is both extraordinarily diverse and deeply paradoxical from flower bouquets to grotesque formal arrangements of human body parts Leppert demonstrates that even in innocent still lifes formal design and technical execution are imbued with cultural conflict and social power is devoted to the representation of the human body as subject to obsessive gazing and as an object of display spectacle and transgression The variety of body representation is enormous pleased or tortured gorgeous or monstrous modest or lascivious powerful or weak in the bloom of life or under the anatomist's knife clothed or naked But it is the sexual body Leppert shows that has provided the West with its richest most complex contradictory conflicted and paradoxical accounts of human identity in relation to social ideals **The Committed Self** Victor A. Shepherd,2015-01-03

The Committed Self is a clear and compelling introduction to Existentialism the root of Postmodernism and according to Victor A Shepherd still the most significant philosophy of our times Focusing on Hegel Kierkegaard Nietzsche Buber Heidegger and Sartre and their passionate commitment to the authenticity of the self Shepherd maintains that Existentialism has much to say to Christians with its understanding of What it is to be a human being How diverse forces operative in the world and in the psyche shape human self awareness The manner in which radical commitment forges and forms that self which is nothing less than a new birth Shepherd believes that an acquaintance with Existentialism will aid Christians in negotiating the minefield they think life has become And he persistently draws attention to the manner in which Existentialism recalls theology to its proper vocation whenever theology appears to be in danger of becoming a species of rationalism that uses religious vocabulary **Committed Life** Esther Jungreis,1998-09-01 **Validating Committed**

Partnerships: a Still More Excellent Way Jim Bowden, 2012-12-21 Although written from a biblical Christian perspective this book's theme has practical value for everyone. It presents a new relational paradigm supported by love, justice, mutuality, and other spiritual qualities. The author believes scripture teaches that all human beings are created to live in fulfilling relationships, even those who are homosexual. People of faith, family, however, nearly 50% of American citizens and church members do not support legalizing same gender marriage. This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined. Until the 20th century procreation, to be fruitful and multiply, was marriage's major purpose. While procreation remains important, mutuality has become the major emphasis. As written in Genesis 2:18 NRSV, God sought a partner for the man. In many marriages, partnership has replaced patriarchy, providing an enriching relational experience in family life. The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong committed relationship. Marriage of male and female and the union of same gender couples will share the title, partnership, safeguarded by the same legal standards. For male and female, their title will be a marital partnership; for same gender couples, their title will be a same gender partnership.

The Family Metaphor in Jesus' Teaching, Second Edition Stephen Finlan, 2013-03-28 Examines the family metaphors for God, Father, and for believers, children, brothers, that Jesus chose to use. Dust jacket. Precedents in Chancery Great Britain. Court of Chancery, 1747

When The Vow Breaks The Salley's, 2022-08-01 When the Vow Breaks: A Journey from Hurt to Healing will help singles, separated, dating, engaged, and married couples build better relationships that will enrich their lives. This book is a complete seven-hour guide for building relationships. This book can also be used in churches as a Bible study tool or a small group setting. We have been married thirty years. We are passionate, gifted, and licensed to serve. We work with individuals, groups, and married couples. Our platforms include weekly radio and television shows. Our vision is to educate, energize, and empower through teaching, mentoring, and coaching programs. Our method includes relationships and character building, books, conferences, seminars, workshops, and couples retreats. This seven-hour step-by-step guide is the design to ignite the power within you by empowering you to build better relationships. Marriage is a shared commitment with shared responsibilities. We found that seven shares were the glue that kept us together over thirty years. These are shared compatibility, shared communication, shared faith, shared commitment, shared prayer, shared intimacy, and shared investment, which will be a benefit in shared returns. This information is too valuable to keep to ourselves. We're obligated to share this with you so that your relationships and marriages will be successful. There are other areas that are just as important, but over the past thirty years of marriage, these seven were the most significant for us. Why This Book? Because we have both lost a lot of time and energy in relationships that weren't compatible. When a relationship doesn't have any shared compatibilities, the relationship loses its purpose for being, becomes strained, and it loses its original form and becomes useless. What can you expect? You can expect to discover the seven shares with the proper
