The Hungarians A Divided Nation

Peter Vermeersch

The Hungarians A Divided Nation:

The Hungarians Stephen Borsody, 1988 *Nationalism and Territory* George W. White, 2000 Why do nations come into conflict What factors lead to the horrors of ethnic cleansing This timely book offers clear eyed answers to these questions by exploring how national identity is shaped by place focusing especially on Serbia Hungary and Romania Moving beyond studies of nationalism that consider only the economic and geostrategic value of territory George W White shows that the very core of national identity is intimately bound to specific places Indeed nations define themselves in terms of spaces that have historical linguistic and religious meaning as Serbs have clearly demonstrated in Kosovo These territories are concrete expressions of a nation's identity both past and present With his detailed analysis of the places that define national identity in Southeastern Europe White convincingly shows why territorial disputes so often escalate into war **Between State and Nation** M. Waterbury, 2010-11-14 Based on a qualitative study of Hungary and its changing relationship to the 3 million ethnic Hungarians in neighbouring states this book argues that it is not the ties of ethnicity but the political interests of kin state elites that drives states in Eastern Europe to take action on behalf of ethnic kin in neighboring states Talk of the Nation Zsuzsa Csergo, 2018-07-05 How can democratization coupled with transnational integration resolve conflicts over cultural difference in places that are marked by legacies of nationalist competition This book explores that question through a comparative study of contestations over language use in the heart of the post Communist region Zsuzsa Csergo notes that newly independent governments looked to rejoin the West in particular the European Union while at the same time asserting control over the institutions they considered key to the reproduction of national cultures These national projects resulted in renewed salience for minority language rights and a complicated politics triggering EU concerns about the treatment of regional cultural minorities Csergo's field research in Romania Hungary and Slovakia leads her to make a bold claim about the primacy of domestic politics in the construction of democratic solutions to the conundrum of nation building and minority rights Talk of the Nation breaks new ground by focusing on both majority and minority political elites and parties in interethnic relations Csergo challenges arguments about the overwhelming importance of international influence Her book demonstrates that the role of domestic political actors in interethnic reconciliation is not merely that of compliance with international requirements or effectiveness in responding to external pressure they are largely guided by the internal democratic process **Imagology** , 2007-01-01 How do national stereotypes emerge To which extent are they determined by historical or ideological circumstances or else by cultural literary or discursive conventions This first inclusive critical compendium on national characterizations and national cultural or ethnic stereotypes contains 120 articles by 73 contributors Its three parts offer 1 a number of in depth survey articles on ethnic and national images in European literatures and cultures over many centuries 2 an encyclopedic survey of the stereotypes and characterizations traditionally ascribed to various ethnicities and nationalities and 3 a conspectus of relevant concepts in various cultural fields and scholarly

disciplines The volume as a whole as well as each of the articles has extensive bibliographies for further critical reading Imagology is intended both for students and for senior scholars facilitating not only a first acquaintance with the historical development typology and poetics of national stereotypes but also a deepening of our understanding and analytical perspective by interdisciplinary and comparative contextualization and extensive cross referencing **Irredentism** Thomas Ambrosio, 2001-09-30 The idea of national unification has long been a powerful mobilizing force for nationalist thinkers and ethnic entrepreneurs since the rise of nationalist ideology in the late 1700s This phenomenon came to be known as irredentism During the Cold War irredentist projects were largely subordinated to the ideological struggle between East and West After the Cold War however the international system has witnessed a proliferation of such conflicts throughout Europe and Asia Ambrosio integrates both domestic and international factors to explain both the initiation and settlement of irredentist conflicts His central argument is that irredentist states confront two potentially contradictory forces domestic nationalism and pressure from the international community Irredentist leaders are forced to reconcile their nationalist policies with pressures from the international plane At the same time irredentist leaders exploit perceived windows of opportunity in pursuit of their nationalist goals Ambrosio examines in depth the past present and possible irredentist projects of Serbia Croatia Hungary and Armenia within a theoretical and comparative framework His conclusions yield significant theoretical findings and important policy implications for both scholars of ethnic conflicts nationalism and international relations and policy makers *The Struggle for the Eurasian Borderlands* Alfred J. Rieber, 2014-03-20 A major new account of the Eurasian borderlands as shatter zones which have generated some of the world's most significant conflicts

Expanding European Unity - Central and Eastern Europe, 2023-08-14 Since the fall of the Berlin wall in 1989 the former Communist countries of Central and Eastern Europe have been pushing for a quick return to Europe The project of expanding European unity is in full progress however so far none of the former Soviet bloc countries have been able to join the European Union Technical problems related to financial management and administrative matters still have to be overcome but more fundamental issues are also at stake what are the borders of Central and Eastern Europe And will the eastward expansion of the European Union be conducted on the basis of western images and stereotypes of the East This volume examines the state of affairs after ten years of attempts to further enlarge the Union Written by authors from the East as well as the West some of the articles focus on the general issue of how to distinguish between Western Central and Eastern Europe while others discuss the specific situation of the countries that are closest to joining the European Union Poland the Czech Republic and Hungary **Stalin's Legacy in Romania** Stefano Bottoni, 2018-05-29 This study explores the little known history of the Hungarian Autonomous Region HAR a Soviet style territorial autonomy that was granted in Romania on Stalin's personal advice to the Hungarian Szekely community in the summer of 1952 Since 1945 a complex mechanism of ethnic balance and power sharing helped the Romanian Communist Party RCP to strengthen with Soviet

assistance its political legitimacy among different national and social groups The communist national policy followed an integrative approach toward most minority communities with the relevant exception of Germans who were declared collectively responsible for the German occupation and were denied political and even civil rights until 1948 The Hungarians of Transylvania were provided with full civil political cultural and linguistic rights to encourage political integration The ideological premises of the Hungarian Autonomous Region followed the Bolshevik pattern of territorial autonomy elaborated by Lenin and Stalin in the early 1920s The Hungarians of Székely Land would become a titular nationality provided with extensive cultural rights Yet on the other hand the Romanian central power used the region as an instrument of political and social integration for the Hungarian minority into the communist state The management of ethnic conflicts increased the ability of the PCR to control the territory and at the same time provided the ruling party with a useful precedent for the far larger nationalization of the Romanian communist regime which starting from the late 1950s resulted in ethnicized communism an aim achieved without making use of pre war nationalist discourse After the Hungarian revolution of 1956 repression affected a great number of Hungarian individuals accused of nationalism and irredentism In 1960 the HAR also suffered territorial reshaping its Hungarian born political leadership being replaced by ethnic Romanian cadres The decisive shift from a class dictatorship toward an ethnicized totalitarian regime was the product of the Gheorghiu Dej era and as such it represented the logical outcome of a long standing ideological fouling of Romanian communism and more traditional state building ideologies

A Nation Divided by History and Memory Gábor Gyáni, 2020-07-12 During the last few decades there has been a growing recognition of the great role that remembering and collective memory play in forming the historical awareness In addition the dominant national form of history writing also met some challenges on the side of a transnational approach to the past In A Nation Divided by History and Memory a prominent Hungarian historian sheds light on how Hungary's historical image has become split as a consequence of the differences between the historian's conceptualisation of national history and its diverse representations in personal and collective memory The book focuses on the shocking experiences and the intense memorial reactions generated by a few key historical events and the way in which they have been interpreted by the historical scholarship The argument of A Nation Divided by History and Memory is placed into the context of an international historical discourse This pioneering work is essential and enlightening reading for all historians many sociologists political scientists social psychologists and university students

The Challenge of Ethnic Conflict, Democracy and Self-determination in Central Europe Anton Pelinka, Dov Ronen, 2013-10-23 This volume provides an overall assessment of ethnic diversity in Central Europe in historical context and presents a critical assessment of the conflict in former Yugoslavia It advances a hypothesis on the origins of ethnic conflict proposes an approach to the prevention and reduction of ethnic conflict in general and in Central Europe in particular and forwards concrete policy recommendations for the region of East and Central Europe and beyond

Screen Memories Catherine Portuges, 1993 excellent Slavic Review

displays a depth of scholarship and breadth of research which in the main is distilled into a fascinating read At last M sz ros is getting the attention she deserves Sight and Sound Drawing on personal reminiscences interviews with Meszaros and critiques of individual films Portuges delineates in detailed and convincing fashion the cultural contradictions surrounding Meszaros and her art Signs This book provides engaging insight to works by one of Hungary s best contemporary filmmakers M rta M sz ros Canadian Slavonic Papers A fascinating exploration of the culture of post Stalinist Eastern Europe through a detailed study of the achievements of its foremost woman director and revealing interviews with the filmmaker and her collaborators M rta M sz ros s visual representations of youth sexual difference and class conflict challenged official socialist versions of gender family relations and workers lives Her films include documentaries and features and the recently completed Diary of My Father and Mother *Silenced Voices* Csilla Bertha,Donald E. Morse,2008 This book is a timely reminder of how theatre can not just entertain but enlighten and transform us too The five plays it collects are wonderfully theatrical moving fluidly from absurdism to tragedy and from satire to the darkly comic The translators give us versions that will stimulate and delight readers performers and audiences And by giving voice to the forgotten playwrights of Central Europe they also deeply enrich our understanding of the relationship between art ethics and politics in Europe both in the past and the present BOOK JACKET Challenges of Labour Chris Wrigley,2002-03-11 This collection of essays all published for the first time in English provide a fresh look at the critical years of 1917 1920 when revolutionary activity and working class unrest was rife in Europe Written by leading authorities in the field the collection gives wide European coverage examining developments in the rural provinces and key cities of both Western and Central Europe in the period after the Great War In depth studies analyse the causes and extent of protest the factors which contributed to its initial success and failure and the influence of the propertied classes and re establishment of the old order The introduction and conclusion draw the essays together giving a clear account of the principal themes and establishing the comparative structure of the book The essays provide major coverage of a crucial period of modern history and should raise many new questions about the events of those years The Romani Movement Peter Vermeersch,2007-12-01 The collapse of communism and the process of state building that ensued in the 1990s have highlighted the existence of significant minorities in many European states particularly in Central Europe In this context the growing plight of Europe s biggest minority the Roma Gypsies has been particularly salient Traditionally dispersed possessing few resources and devoid of a common kin state to protect their interests the Roma have often suffered from widespread exclusion and institutionalized discrimination Politically underrepresented and lacking popular support amongst the wider populations of their host countries the Roma have consequently become one of Europe s greatest losers in the transition towards democracy Against this background the author examines the recent attempts of the Roma in Central Europe and their supporters to form a political movement and to influence domestic and international politics On the basis of first hand observation and interviews

with activists and politicians in the Czech Republic Hungary and Slovakia he analyzes connections between the evolving state policies towards the Roma and the recent history of Romani mobilization In order to reach a better understanding of the movement s dynamics at work the author explores a number of theories commonly applied to the study of social movements and collective action *Ceausescu and the Securitate* Dennis Deletant,2016-12-05 First Published in 2017 This book contains Deletant s research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security *Lessons and Legacies VIII* Peter Hayes,Holocaust Educational Foundation,1991 In the courtroom and the classroom in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today s news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed amidah or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding Publisher s description

"Ligeti's Laments: Nostalgia, Exoticism, and the Absolute " Amy Bauer,2017-07-05 When the Hungarian composer Gy rgy Ligeti passed away in June 2006 he was widely feted as being one of the greatest composers of our time His complete published works were recorded during his lifetime and his music continues to inspire a steady stream of performances and scholarship Ligeti s Laments provides a critical analysis of the composer s works considering both the compositions themselves and the larger cultural implications of their reception Bauer both synthesizes and challenges the prevailing narratives surrounding the composer s long career and uses the theme of lament to inform a discussion of specific musical topics including descending melodic motives passacaglia and the influence of folk music But Ligeti laments in a larger sense

his music fuses rigour and sensuality tradition and the new and influences from disparate high and low cultures with a certain critical and ironic distance reflected in his spoken commentary as well as in the substance of his music The notions of nostalgia exoticism and the absolute are used to relate works of different eras and genres along with associated concepts of allegory melancholy contemporary subjectivity and the voice **Italy And East Central Europe** Vojtech

Mastny,2019-03-13 As a medium sized power in strategic proximity to east central Europe Italy has sought a special role in the region following the collapse of Communist regimes there Building on historical traditions and cultural affinities Italy has drawn on its newly acquired economic power and important position within the European Union to develop an Eastern policy for example as originator of the Pentagonale project for regional cooperation As a result Italy has often been perceived by east central Europeans as a key country in their efforts to become more closely integrated with western Europe More recently however both ethnic strife in the region and the collapse of Italy s own political establishment have cast doubt on the country s ability to play the role that many east central Europeans as well as Italians hope it can assume in the future European order In this timely volume leading European and U S experts examine the multifaceted dimensions of what has been in many ways a unique relationship in contemporary Europe *In Defense of Christian Hungary* Paul

Hanebrink,2018-09-05 In this important historical account of the role that religion played in defining the political life of a modern national society Paul A Hanebrink shows how Hungarian nationalists redefined Hungary a liberal society in the nineteenth century as a narrowly Christian nation in the aftermath of World War I Drawing on impressive archival research Hanebrink uncovers how political and religious leaders demanded that Christian values influence public life while insisting that religion should never be reduced to the status of a simple nationalist symbol In *Defense of Christian Hungary* also explores the emergence of the idea that a destructive Jewish spirit was the national enemy In combining the historical study of antisemitism with more recent considerations of religion and nationalism Hanebrink addresses an important question in Central European historiography how nations that had been inclusive of Jews before World War I became rabidly antisemitic during the interwar period As he traces the crucial and complex legacy of religion s role in shaping exclusionary antisemitic politics in Hungary Hanebrink follows the process from its origins in the 1890s to the Holocaust and beyond More broadly In *Defense of Christian Hungary* squarely addresses the relationship between antisemitic words and antisemitic violence and between religion and racial politics deeply contested issues in the history of twentieth century Europe The Hungarian example is a chilling demonstration of how religious nationalism can find a home even within a pluralist and tolerant civil society

The Hungarians A Divided Nation Introduction

In today's digital age, the availability of The Hungarians A Divided Nation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Hungarians A Divided Nation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Hungarians A Divided Nation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Hungarians A Divided Nation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Hungarians A Divided Nation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hungarians A Divided Nation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hungarians A Divided Nation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Hungarians A Divided Nation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Hungarians A Divided Nation books and manuals for download and embark on your journey of knowledge?

FAQs About The Hungarians A Divided Nation Books

1. Where can I buy The Hungarians A Divided Nation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Hungarians A Divided Nation book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
