Ph.D., PhD,2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998
I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the
patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were
producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex
therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted
women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave
professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic
patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout
history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all
aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual
emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves
and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never
getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male
dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am
thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman
encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it
will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers **The Book of Lost
Things** John Connolly,2006-11-07 New York Times bestselling author John Connolly s unique imagination takes readers
through the end of innocence into adulthood and beyond in this dark and triumphantly creative novel of grief and loss loyalty
and love and the redemptive power of stories High in his attic bedroom twelve year old David mourns the death of his mother
with only the books on his shelf for company But those books have begun to whisper to him in the darkness Angry and alone
he takes refuge in his imagination and soon finds that reality and fantasy have begun to meld While his family falls apart
around him David is violently propelled into a world that is a strange reflection of his own populated by heroes and monsters
and ruled by a faded king who keeps his secrets in a mysterious book The Book of Lost Things Taking readers on a vivid
journey through the loss of innocence into adulthood and beyond New York Times bestselling author John Connolly tells a
dark and compelling tale that reminds us of the enduring power of stories in our lives **The Fortnightly** ,1904
