Türkelli, Sara Lembrechts**

The Ideologies Of Childrens Rights:

The Ideologies of Children's Rights Michael Freeman, Philip E. Veerman, 2021-09-27 It is often said that you can judge a society by the way it treats its weaker members This book takes this theme and examines the ways in which different aspects of children's lives are treated in a number of societies To this end it uses the conduit of children's rights The importance of children's rights as an ideology and in practice is critically examined by a group of academics and practitioners with an international reputation and wide experience and insight The book offers an understanding of the moral foundations of children's rights and enables all those in whatever discipline to gain a deeper understanding of an issue which has assumed major importance with the passing of the UN Convention on the Rights of the Child *Children's Rights: Progress and Perspectives* Michael Freeman, 2011-10-28 More has been written about children childhood and children's rights in the last 20 years than in the rest of history There are more university courses focusing on children now than ever before The International Journal of Children's Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal's work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children's rights is to be found throughout this collection as is the history of children's rights Some articles are devoted to the UN Convention others cover a wide selection of issues relating to different children's rights ranging from children and religion the relationship between women and children to children and health and how children perceive their rights *The New Handbook of Children's Rights* Bob Franklin, 2002 The expanded and completely revised new edition of this well established handbook provides essential information on a topic of increasing importance across a range of disciplines and practices *Handbook of Children's Rights* Martin D. Ruck, Michele Peterson-Badali, Michael Freeman, 2016-12-08 While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin over the past several decades there has been a substantial increase in both social and political commitment to children's rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults In addition there has been a noticeable shift in orientation from a focus on children's protection and provision to an emphasis on children's participation and self determination With contributions from a wide range of international scholars the Handbook of Children's Rights brings together research theory and practice from diverse perspectives on children's rights This volume constitutes a comprehensive treatment of critical perspectives concerning children's rights in their various forms Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children's rights including the best interests of the child evolving capacities of the child

states rights versus children's rights rights of children versus parental or family rights children as citizens children's rights versus children's responsibilities and balancing protection and participation In addition to its multidisciplinary focus the handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches e.g childhood studies developmental psychology sociology of childhood anthropology and political science The handbook also brings together diverse methodological approaches to the study of children's rights including both quantitative and qualitative perspectives and policy analysis This comprehensive cosmopolitan and timely volume serves as an important reference for both scholarly and policy driven interest in the voices and perspectives of children and youth **Children's Rights** Ursula

Kilkelly, 2017-07-05 The articles in this volume shed light on some of the major tensions in the field of children's rights such as the ways in which children's best interests and respect for their autonomy can be reconciled challenges such as how the CRC can be made a reality in the lives of children in the face of ignorance apathy or outright opposition and critiques whether children's rights are a Western imposition or a successful global consensus Along the way the writing covers a myriad of issues encompassing the opposition to the CRC in the US gay parenting Dr Seuss's take on children's autonomy the voice of neonates on their health care the role of NGO in supporting child labourers in India and young people in detention and more The ^AOxford Handbook of Children's Rights Law Jonathan Todres, Shani M. King, 2020-02-19 This book is a

foundational interdisciplinary volume on children's rights that is relevant to scholars practitioners and students with an interest in children's rights human rights family law and related topics With contributions from leading experts in the field of children's rights this book provides both in depth analysis of children's rights as a discipline and maps the critical issues for advancing children's rights today and in the future The Future of Children's Rights Michael Freeman, 2015-01-08 This

volume is in part intended to celebrate the 25th anniversary of the United Nations Convention on the Rights of the Child We are now a generation on from its formulation and as this varied collection of articles by leading thinkers in the field reflects children's rights have come a long way Yet the aim of this volume is not to look back but to take stock and look forward It explores subjects as diverse as socio economic rights corporal punishment language and scientific progress as they relate to children and their rights and offers new insights and new ideas Edited by one of the most respected and leading scholars in the field The Future of Children's Rights constitutes a stimulating and useful resource for academics and practitioners alike

Children's Rights and the Developing Law Jane Fortin, 2009-08-13 This book examines how developing law and policies in England and Wales simultaneously promote and undermine children's rights *Children's Rights* Wouter

Vandenhoe, Gamze Erdem Türkelli, Sara Lembrechts, 2019 This Commentary is a fully up to date solid legal work on children's rights It offers a contemporary legal perspective on the inherently interdisciplinary field of children's rights It responds to the scarcity of legal commentaries in a landscape where several handbooks covering different disciplines have been

published in recent years It is succinct and seeks to capture the essence yet offers a sophisticated analysis of children s rights law and branches out into other disciplines where relevant in light of the recent legal and social developments

Children's Rights Law in the Global Human Rights Landscape Eva Brems, Ellen Desmet, Wouter

Vandenhoe, 2017-04-21 Children s rights law is often studied and perceived in isolation from the broader field of human rights law This volume explores the inter relationship between children s rights law and more general human rights law in order to see whether elements from each could successfully inform the other Children s rights law has a number of distinctive characteristics such as the emphasis on the best interests of the child the use of general principles and the inclusion of third parties e g parents and other care takers in treaty provisions The first part of this book questions whether these features could be a source of inspiration for general human rights law In part two the reverse question is asked could children s rights law draw inspiration from developments in other branches of human rights law that focus on other specific categories of rights holders such as women persons with disabilities indigenous peoples or older persons Finally the interaction between children s rights law and human rights law and the potential for their isolation inspiration or integration may be coloured or determined by the thematic issue under consideration Therefore the third part of the book studies the interplay between children s rights law and human rights law in the context of specific topics intra family relations LGBTQI marginalization migration media the environment and transnational human rights obligations

The Human Rights of Children Dr Antonella Invernizzi, Dr Jane Williams, 2013-02-28 This volume provides a series of critical analyses of some of the contemporary debates in relation to the human rights of children resituating them within visions which informed the text of the United Nations Convention on the Rights of the Child in 1989 The studies embrace examination of some of today s widespread interpretations of the CRC analysis of what is implied by a human rights based approach in research and advocacy and consideration of advances and barriers to research and to several aspects of CRC implementation With contributions by leading experts in the field the book examines the CRC as an international instrument its inherent dilemmas and some of the debates generated by the challenges of implementation It embraces examinations of different levels of governance from the international to the state party regional and local levels including institutional developments and changes in law policy and practice The book will be a valuable resource for students researchers and policy makers working in the area of children s rights and welfare

Children's Rights and Obligations in Canon Law Mary McAleese, 2019-11-04 In the first study of its kind Mary McAleese subjects to comprehensive scrutiny the Roman Catholic Church s 1983 Code of Canon law as it applies to children The Catholic Church is the world s largest non governmental organisation involved in the provision of education and care services to children It has over three hundred million child members world wide the vast majority of whom became Church members when they were baptised as infants Canon law sets out their rights and obligations as members Children also have rights which are set out in the 1989 United Nations Convention on the Rights of

the Child to which the Holy See is State Party The impact of the Convention on Canon Law is examined in detail and the analysis charts a distinct and worrying sea change in the attitude of the Holy See to its obligations under the Convention since the clerical sex abuse scandals became a subject of discussion at the Committee on the Rights of the Child which monitors implementation of the Convention Mary McAleese wins Europe's richest theology prize for her study of canon law The former President of Ireland Mary McAleese has won one of the Catholic world's most prestigious prizes the Alfons Auer Ethics Award from Tübingen University in Germany for her doctoral thesis on Children's Rights and Obligations in Canon Law

Children's Rights from Below M. Liebel, 2012-01-25 This book presents an integral cross cultural reflection on the social reality of children's rights and citizenship giving an insight into new perspectives on the history and different concepts of children's rights in a contextualized and localized manner

Fortin's Children's Rights and the Developing Law Jane Fortin, Rachel E. Taylor, 2024-02-29 This text considers the developing law in England and Wales as it applies to the burgeoning and confusing subject of the rights of children It examines the extent to which the emerging legal principles can be harnessed to fulfil those rights

Children's Rights in Africa Julia Sloth-Nielsen, 2016-05-23 This collection is anchored in an African conception of children's rights and the law and reflects contemporary discourses taking place in the region of the children's rights sphere The majority of contributors are African and adopt an individual approach to their topic which reflects their first hand experience The book focuses on child rights issues which have particular resonance on the continent and the chapters span themes which are both broad and narrow containing subject matter which is both theoretical and illuminated by practice The book profiles recent developments and experiences in furthering children's legal rights in the African context and distils from these future trends the specific role that the law can play in the African children's rights environment

Children, Family and the State Thomas, Nigel, 2002-10-11 Children family and the state examines different theories of childhood children's rights and the relationship between children parents and the state

Children's Socio-Economic Rights, Democracy And The Courts Aoife Nolan, 2011-09-15 This book is concerned with children's economic and social rights sometimes referred to simply as children's social rights Despite increased academic interest in both children's rights and socio economic rights over the last two decades children's social and economic rights remain a comparatively neglected area This is particularly true with regard to the role of the courts in the enforcement of such social rights Aoife Nolan's book remedies this omission focussing on the circumstances in which the courts can and should give effect to the social and economic rights of children The arguments put forward are located within the context of and develop long standing debates in constitutional law democratic theory and human rights The claims made by the author are supported and illustrated by concrete examples of judicial enforcement of children's social and economic rights from a variety of jurisdictions The work is thus rooted in both theory and practice The author brings together and addresses a wide range of issues that have never previously been considered together in book form These include children's socio economic

rights children as citizens and their position in relation to democratic decision making processes the implications of children and their rights for democratic and constitutional theory the role of the courts in ensuring the enforcement of children s rights and the debates surrounding the litigation and adjudication of social and economic rights This book thus represents a major original contribution to the existing scholarship in a range of areas including human and specifically social rights legal and political theory and constitutional law Children s rights were often thought to be synonymous with economic and social welfare prior to the adoption of the Convention on the Rights of the Child in 1989 Ironically since that time remarkably little scholarship has been devoted to the vitally important economic and social rights dimensions of children s rights Nolan s book singlehandedly remedies that neglect and does so in a sophisticated nuanced and balanced way It provides a superb account of the pros and cons of judicial activism in promoting these rights Philip Alston John Norton Pomeroy Professor NYU Law School Thus far the burgeoning literature on the judicial enforcement of socio economic rights has failed to engage in a sustained systemic manner with this topic from the perspective of children and the complexity of their status as citizens within contemporary democracies This book fills this gap and makes a major contribution to the literature in the three interrelated areas of the judicial review of socio economic rights claims children s rights and democratic theory Nolan navigates skilfully through the dense but rich literature in these areas as well as relevant international and comparative law In so doing she illuminates both the pitfalls and potential of resorting to courts in a partial response to the multifaceted and deeply entrenched global phenomenon of child poverty Professor Sandra Liebenberg HF Oppenheimer Professor of Human Rights Law University of Stellenbosch Law Faculty Winner of the Kevin Boyle Book Prize 2012 awarded by the Irish Association of Law Teachers to a book that is deemed to have made an outstanding contribution to the understanding of law

The Evolution of Humanitarian Protection in European Law and Practice Liv Feijen, 2021-04-01 The last couple of years have witnessed an unprecedented battle within Europe between values and pragmatism and between states interests and individuals rights This book examines humanitarian considerations and immigration control from two perspectives one broader and more philosophical the other more practical The impetus to show compassion for certain categories of persons with vulnerabilities can depend on religious philosophical and political thought Manifestation of this compassion can vary from the notion of a charitable act to aid the wretched in their home country to humanitarian assistance for the distant needy in foreign lands and finally to immigration policies deciding who to admit or expel from the country The domestic practice of humanitarian protection has increasingly drawn in transnational law through the expansion of the EU acquis on asylum and the interpretation of the European Court of Human Rights

Law in Society: Reflections on Children, Family, Culture and Philosophy Alison Diduck, Noam Peleg, Helen Reece, 2015-08-24 This collection written by legal scholars from around the world offers insights into a variety of topics from children s rights to criminal law jurisprudence medical ethics and more Its breadth reflects the fact that these are all elements of what can broadly be called law and society that enterprise that is

interested in law's place or influence in different aspects of real lives and understands law to be simultaneously symbol philosophy and action. It is also testament to the broad range of vision of Professor Michael Freeman in whose honour the volume was conceived. The contributions are divided into categories which reflect his distinguished career and publications over 85 books and countless articles including pioneering work on children's rights, domestic violence, religious law, jurisprudence, law and culture, family law and medicine, ethics and the law, as well as his enduring commitment to interdisciplinarity. The volume begins with work on law in its philosophical, cultural or symbolic realm (Part I: Law and Stories, Culture, Religion and Philosophy) including its commitment to the normative ideal of rights (Part II: Law and Rights) and then offers work on law as coercive state action (Part III: Law and the Coercive State) and as regulator of personal relationships (Part IV: Law and Personal Living). It continues with reflections on the importance of globalisation both of law and of doing family in personal and public life (Part V: Law and International Living) before closing with two reflections on Michael Freeman's body of work generally, including one from Michael himself (Part VI: Law and Michael Freeman).

The Right of the Child to Religious Freedom in International Law Sylvie Langlaude, 2007-11-30. The child's right to religious freedom in international law has never been considered in a comprehensive fashion yet; key issues include the prevention of indoctrination, religious clothing, the relationship of the child with parents and religious communities, and the duties of the state to the child. Building on a sociological analysis of religious children, a body of international legal materials is analysed against a theoretical model of what the child's right ought to be. This book is the first attempt at analysing what international law says on the question; the result is a compelling analysis of the definitive position of international law on the child's right to religious freedom.

The Ideologies Of Childrens Rights Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Ideologies Of Childrens Rights has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Ideologies Of Childrens Rights has opened up a world of possibilities. Downloading The Ideologies Of Childrens Rights provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Ideologies Of Childrens Rights has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Ideologies Of Childrens Rights. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Ideologies Of Childrens Rights. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Ideologies Of Childrens Rights, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Ideologies Of Childrens Rights has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Ideologies Of Childrens Rights Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Ideologies Of Childrens Rights is one of the best book in our library for free trial. We provide copy of The Ideologies Of Childrens Rights in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Ideologies Of Childrens Rights.
