The Impersonator:

The Impersonator Mary Miley, 2013-09-17 In 1917 Jessie Carr fourteen years old and sole heiress to her family's vast fortune disappeared without a trace. Now years later her uncle Oliver Beckett thinks he's found her: a young actress in a vaudeville playhouse is a dead ringer for his missing niece. But when Oliver confronts the girl, he learns he's wrong. Orphaned young Leah's been acting since she was a toddler. Oliver never one to miss an opportunity, makes a proposition with his coaching: Leah can impersonate Jessie, claim the fortune and split it with him. The role of a lifetime, he says. A one-way ticket to Sing Sing she hears. But when she's let go from her job, Oliver's offer looks a lot more appealing. Leah agrees to the con but secretly promises herself to try and find out what happened to the real Jessie. There's only one problem: Leah's act won't fool the one person who knows the truth about Jessie's disappearance. Set against a Prohibition-era backdrop of speakeasies and vaudeville houses, Mary Miley's *Minotaur Books Mystery Writers of America First Crime Novel Competition* winner *The Impersonator* will delight readers with its elaborate mystery and lively prose.

The Impersonator Shawn Lane, 2023-02-18 After Benjamin Pomeroy has hot club sex with Trey, a gorgeous new employee at the Las Vegas hotel where he works, he loses his job as the Elvis impersonator when the hotel's new CEO Maxwell Orton decides Elvis doesn't fit the hotel's image. Originally from New Orleans, Orton is fond of Mardi Gras, thus the Masquerade Ball to introduce himself to the executive staff of the hotel. Because he lost his job, Ben agrees to impersonate his older brother, an executive at the hotel, for money when his brother doesn't want to cancel his plans. It's an idiotic idea and he knows it, but he finds himself at the Masquerade Ball anyway. He's intent on staying two hours and getting out fast when he has yet another encounter with the sexy, mysterious Trey. But soon Ben realizes he can't easily escape the fact that his enigmatic lover is Orton himself.

Michael Jackson
Master of Illusion Mari Hadley, 2009-10-22 Michael Jackson was the King of Pop and a noted entertainer, humanitarian, and philanthropist. Michael Jackson was always under the scrutiny of the media when in public. On June 25, 2009, Michael Jackson was pronounced dead from cardiac arrest at approximately 2:26 pm MST at University of California Los Angeles (UCLA) Medical Center. There is so much conflicting information concerning whether Michael was a drug addict or not. Michael Jackson had many trials and tribulations over the past twenty years, which have caused him much heartache and pain. The media has ostracized and ridiculed the entertainer whenever possible. He was an entertainer that loved to develop illusions for his stage presentations and videos, which fooled his audiences. Michael always wanted to have a normal life for him and his children, in which they could enjoy the simple things in life without the scrutiny of the public and media. Michael has proven to be worth more in death than in life. With all the publicity for his death, there is still no real physical evidence. Michael Jackson is really deceased. Therefore, there is the possibility Michael inadvertently created the illusion of his own death.

Counterterrorism and Cybersecurity Newton Lee, 2015-04-07 From 9 11 to Charlie Hebdo along with Sony pocalypse and DARPA's 2 million Cyber Grand Challenge this book examines counterterrorism and cyber security history strategies and technologies from a thought provoking approach that encompasses personal experiences investigative journalism historical and current events ideas from thought leaders and the make believe of Hollywood such as 24 Homeland and The Americans President Barack Obama also said in his 2015 State of the Union address We are making sure our government integrates intelligence to combat cyber threats just as we have done to combat terrorism In this new edition there are seven completely new chapters including three new contributed chapters by healthcare chief information security officer Ray Balut and Jean C Stanford DEF CON speaker Philip Polstra and security engineer and Black Hat speaker Darren Manners as well as new commentaries by communications expert Andy Marken and DEF CON speaker Emily Peed The book offers practical advice for businesses governments and individuals to better secure the world and protect cyberspace *The Banking Law Journal*, 1921 **James Dean**

Transfigured Claudia Springer, 2007-03-01 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism's cycle of consumption and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel

iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon s adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world

Information and Communications Security Tat Wing Chim,Tsz Hon Yuen,2012-10-15 This book constitutes the refereed proceedings of the 14th International Conference on Information and Communications Security ICICS 2012 held in Hong Kong China in October 2012 The 23 regular papers and 26 short papers were carefully reviewed and selected from 101 submissions The papers cover many important areas in information security such as privacy security in mobile systems software and network security cryptanalysis applied cryptography as well as GPU enabled computation

Phenomenology and Deconstruction, Volume Two Robert Denoon Cumming,1991 In this final volume of Robert Denoon Cumming s four volume history of the phenomenological movement Cumming examines the bearing of Heidegger s philosophy on his original commitment to Nazism and on his later inability to face up to the implication of that allegiance Cumming continues his focus as in previous volumes on Heidegger s connection with other philosophers Here Cumming looks first at Heidegger s relation to Karl Jaspers an old friend on whom Heidegger turned his back when Hitler consolidated power and who discredited Heidegger in the denazification that followed World War II The issues at stake are not merely personal Cumming argues but regard the philosophical relevance of the personal

Chinese Wine Zhengping Li,2011-03-03 Chinese Wine explores the history and traditions of wine production and consumption in China and its place in China today

Confucianism and Family Rituals in Imperial China Patricia Buckley Ebrey,2014-07-14 To explore the historical connections between Confucianism and Chinese society this book examines the social and cultural processes through which Confucian texts on family rituals were written circulated interpreted and used as guides to action Weddings funerals and ancestral rites were central features of Chinese culture they gave drama to transitions in people s lives and conveyed conceptions of the hierarchy of society and the interdependency of the living and the dead Patricia Ebrey s social history of Confucian texts shows much about how Chinese culture was created in a social setting through the participation of people at all social levels Books like Chu Hsi s Family Rituals and its dozens of

revisions were important in forming ritual behavior in China because of the general respect for literature the early spread of printing and the absence of an ecclesiastic establishment authorized to rule on the acceptability of variations in ritual behavior Ebrey shows how more and more of what people commonly did was approved in the liturgies and thus brought into the realm labeled Confucian Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
