Journal of Agricultural Research, 1946      **Rain, Drizzle, Fog** Darrell Varga, 2009 Offers a scholarly study of film and television in Atlantic Canada This book provides a historical overview of film and television in the region as well as essays on specific topics such as popular TV The Trailer Park Boys early TV The Don Messer Show and the work of filmmakers such as Bill MacGillivray and Andrea Dorfman      *Green Library Tpb* Janice Kulyk Keefer, 1997-03-03 As one reviewer remarked Every once in a while an author effects a haunting In her new novel Janice Kulyk Keefer has managed such magic The journey of a woman who is forced to abandon the restrictive safety of her life and travel back into a secret disturbing yet richly human family history The Green Library is an unforgettable story about the profound need to remember and to belong to the present and the past to the familiar and the strange      **Expect Us** Jessica L. Beyer, 2014-07-03 People use online social forums for all sorts of reasons including political conversations regardless of the site's main purpose But what leads some of these people to take their online political activity into the offline world of activism In Expect Us Jessica L Beyer looks at political consciousness and action in four communities each born out of chaotic online social spaces that millions of individuals enter spend time in and exit moment by moment Anonymous 4chan IGN World of Warcraft and The Pirate Bay None of these sites began as places for political organization per se but visitors to each have used them as places for political engagement to one degree or another Beyer explains the puzzling emergence of political engagement in these disparate social spaces and offers reasons for their varied capacity to generate political activism Her comparative ethnography of these four online communities demonstrates that the technological organization of space itself has a strong role in determining the possibility of political mobilization Overall she shows that political mobilization rises when a site provides high levels of anonymity low levels of formal regulation and minimal access to small group interaction Furthermore her findings reveal that young people are more politically involved than much of the civic engagement literature suggests Expect Us offers surprising and compelling insights for anyone interested in understanding which factors and online environments lead to the greatest

**Proceedings**, 2001      **Routledge Handbook of Entrepreneurship in Developing Economies** Colin C. Williams, Anjula Gurtoo, 2016-07-22 The Routledge Handbook of Entrepreneurship in Developing Economies is a landmark volume that offers a uniquely comprehensive overview of entrepreneurship in developing countries Addressing the multifaceted nature of entrepreneurship chapters explore a vast range of subject areas including education economic policy gender and the prevalence and nature of informal sector entrepreneurship In order to understand the process of new venture creation in developing economies what it means to be engaged in entrepreneurship in a developing world context must be addressed This handbook does so by exploring the difficulties risks and rewards associated with being an entrepreneur and evaluates the impacts of the environment relationships performance and policy dynamics on small and entrepreneurial firms in developing economies The handbook brings together a unique collection of over forty international researchers who are all actively engaged in studying entrepreneurship in a developing world context The chapters offer concise but detailed perspectives and explanations on key aspects of the subject across a diverse array of developing economies spanning Africa Asia Latin America and Eastern Europe In doing so the chapters highlight the heterogeneity of entrepreneurship in developed economies and contribute to the on going policy discourses for managing and promoting entrepreneurial growth in

the developing world The book will be of great interest to scholars students and policymakers in the areas of development economics business and management public policy and development studies      ECOOP 2008 - Object-Oriented

Programming Jan Vitek,2008-07-01 It is a pleasure to present the proceedings of the 22nd European Conference on Object Oriented Programming ECOOP 2008 held in Paphos Cyprus The conference continues to serve a broad object oriented community with a technical program spanning theory and practice and a healthy mix of industrial and academic participants This year a strong workshop and tutorial program complemented the main technical track We had 13 workshops and 8 tutorials as well as the co located Dynamic Language Symposium DLS Finally the program was rounded out with a keynote by Rachid Guerraoui and a banquet speech by James Noble As in previous years two Dahl Nygaard awards were selected by AITO and for the first time the ECOOP Program Committee gave a best paper award

The proceedings include 27 papers selected from 138 submissions The papers were reviewed in a single blind process with three to five reviews per paper Preliminary versions of the reviews were made available to the authors a week before the PC meeting to allow for short 500 words or less author responses The sponsors were discussed at the PC meeting and were instrumental in reaching decisions The PC discussions followed Oscar Nierstrasz Champion pattern PC papers had five reviews and were held at a higher standard      *Theatre History in Canada* ,1992      Recherches Théâtrales Au Canada ,1992      **Entrepreneurship**

Norris F. Krueger,2002 This new collection provides a much needed retrospective view of the key academic work published in this area The papers here highlight the importance of studying entrepreneurship from a wide range of perspectives including research that derives from economics history sociology psychology and from different business disciplinary bases such as marketing finance and strategy The overall focus in this set is on entrepreneurial activity rather than specifically small or family owned business and favours research articles over those that deal purely with practice      **DNA Methylation in Plants Associated With Abiotic Stress** Markus Kuhlmann,Hua Jiang,Marco Catoni, Frank Johannes,2021-12-21
