Hoffecker, 1995 Although it was the first permanent European settlement in the Delaware River valley the New Sweden colony has long been ignored by American colonial historians To right this omission and to mark the 350th anniversary of the founding of the New Sweden colony the University of Delaware sponsored an international conference New Sweden in America Scandinavian Pioneers and Their Legacy in March of 1988 This event brought together twenty eight scholars from Sweden Finland and the United States who represented several fields including history anthropology and geography The conference papers collected in *New Sweden in America* present the first look at the New Sweden colony since the advent of modern historical methods The essays in this volume examine the economic and social lives of a political entity as well as its political structures The topics discussed include an examination of the European environment from which the colonial venture came the colonists relations with the Native Americans and the Swedish and Finnish settlers adaptation to colonial life The essays depict seventeenth century Sweden as it emerged from its traditional ways and isolation into the dynamic world of Western European international politics and trade and the failed attempts to bring European mercantilist policies to New Sweden The fascinating stories of the trade between the Swedish and Dutch settlers and the Susquehannock and Lenni Lenape Indians the development of pidgin languages to facilitate the trade the devout Lutheran religious observations of the colonists and the introduction of Finnish construction methods especially the log cabin are all described in this volume To encourage further scholarship in this field the contributors identify topics for future study and delineate where original colonial documents may be found on both sides of the Atlantic BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

A Brief History of the Colony of New Sweden Carl David Arfwedson, Julius Friedrich Sachse, 1909 **Archaeologies of Rules and Regulation** Barbara Hausmair, Ben Jervis, Ruth Nugent, Eleanor Williams, 2018-01-29 How can we study the impact of rules on the lives of past people using archaeological evidence To answer this question *Archaeologies of Rules and Regulation* presents case studies drawn from across Europe and the United States Covering areas as diverse as the use of space in a nineteenth century U S Army camp the deposition of waste in medieval towns the experiences of Swedish migrants to North America the relationship between people and animals in Anglo Saxon England these case studies explore the use of archaeological evidence in understanding the relationship between rules lived experience and social identity *The Archaeology of New Netherland* Craig Lukezic, John P. McCarthy, 2025-03-18 This volume illuminates the influence of the

Dutch empire in North America assembling evidence from seventeenth century settlements located in present day New York New Jersey Connecticut Pennsylvania and Delaware *Lenape Country* Jean R. Soderlund, 2015 In 1631 when the Dutch tried to develop plantation agriculture in the Delaware Valley the Lenape Indians destroyed the colony of Swanendael and killed its residents The Natives and Dutch quickly negotiated peace avoiding an extended war through diplomacy and trade The Lenapes preserved their political sovereignty for the next fifty years as Dutch Swedish Finnish and English colonists settled the Delaware Valley The European outposts did not approach the size and strength of those in Virginia New England and New Netherland Even after thousands of Quakers arrived in West New Jersey and Pennsylvania in the late 1670s and 80s the region successfully avoided war for another seventy five years *Lenape Country* is a sweeping narrative history of the multiethnic society of the Delaware Valley in the seventeenth and early eighteenth centuries After Swanendael the Natives Swedes and Finns avoided war by focusing on trade and forging strategic alliances in such events as the Dutch conquest the Mercurius affair the Long Swede conspiracy and English attempts to seize land Drawing on a wide range of sources author Jean R Soderlund demonstrates that the hallmarks of Delaware Valley society commitment to personal freedom religious liberty peaceful resolution of conflict and opposition to hierarchical government began in the Delaware Valley not with Quaker ideals or the leadership of William Penn but with the Lenape Indians whose culture played a key role in shaping Delaware Valley society The first comprehensive account of the Lenape Indians and their encounters with European settlers before Pennsylvania's founding *Lenape Country* places Native culture at the center of this part of North America

Showman,1974 Editions for 1954 and 1967 by O Handlin and others *Archaeologies of Mobility and Movement* Mary C Beaudry, Travis G. Parno,2013-02-06 This collection of essays in Archaeologies of Mobility and Movement draws inspiration from current archaeological interest in the movement of individuals things and ideas in the recent past Movement is fundamentally concerned with the relationships among time object person and space The volume argues that understanding movement in the past requires a shift away from traditional fieldwork based archaeological ontologies towards fluid trajectory based studies Archaeology by its very nature locates objects frozen in space literally in their three dimensional matrices at sites that are often stripped of people An archaeology of movement must break away from this stasis and cut new pathways that trace the boundary crossing contextuality inherent in object person mobility Essays in this volume build on these new approaches confronting issues of movement from a variety of perspectives They are divided into four sections based on how the act of moving is framed The groups into which these chapters are placed are not meant to be unyielding or definitive The first section Objects in Motion includes case studies that follow the paths of material culture and its interactions with groups of people The second section of this volume People in Motion features chapters that explore the shifting material traces of human mobility Chapters in the third section of this book Movement through Spaces illustrate the effects that particular spaces have on the people and objects who pass through them Finally there is an afterward that cohesively addresses the issue of studying movement in the recent past At the heart

of Archaeologies of Mobility and Movement is a concern with the hybridity of people and things affordances of objects and spaces contemporary heritage issues and the effects of movement on archaeological subjects in the recent and contemporary past Promised Land Steven Craig Harper, 2006 Focusing on the Walking Purchase as the central event in the long process of dispossessing Delawares both geographically and ethnically Steven Harper observes the transformation of a fragile if generally peaceful middle ground habitable by Delawares and English on negotiable terms to an English colony determined to possess a boundless landscape by fraud and force
