The Intent Of The Artist:

The Intent of the Artist Norman Max Baasch,1960 Looking at Art Philosophically Tom Supensky,2012-08-31 The purpose of this book is to present to the reader a series of philosophical ideas that assist in understanding ones position in the world of art and some thinking on art and creativity intended to awaken the aesthetic aspects of making art There is no intention to review historical philosophical concepts nor is there any specific inclusion of contemporary theories on art philosophy What is included are those philosophies important to the developing artist that are more commonplace in nature often neglected in art education yet vitally necessary to the true artist Finally this book is intended to stimulate the reader into asking such questions as who am I why art and what is art It is hopeful that the reader finds an aesthetic foundation a personal and honest place in the world of art The Intent of the Artist David Andrews Pittis,1987 **Art** David A. Scott,2016-12-31 This book presents a detailed account of authenticity in the visual arts from the Paleolithic to the postmodern The restoration of works of art can alter the perception of authenticity and may result in the creation of fakes and forgeries These interactions set the stage for the subject of this book which initially examines the conservation perspective then continues with a detailed discussion of notions of authenticity and philosophical background There is a disputed territory between those who view the present day cult of authenticity as fundamentally flawed and those who have analyzed its impact upon different cultural milieus operating across performative contested and fragmented ground The book discusses several case studies where the ideas of conceptual authenticity aesthetic authenticity and material authenticity can be incorporated into an informative discourse about art from the ancient to the contemporary illuminating concerns relating to restoration and art forgery **The Politics of Collecting** Eunsong Kim,2024-06-24 In *The Politics of Collecting* Eunsong Kim traces how racial capitalism and colonialism situated the rise of US museum collections and conceptual art forms Investigating historical legal and property claims she argues that regimes of expropriation rather than merit or good taste are responsible for popular ideas of formal innovation and artistic genius In doing so she details how Marcel Duchamp s canonization has more to do with his patron s donations to museums than it does the quality of Duchamp s work and uncovers the racialized and financialized logic behind the Archive of New Poetry s collecting practices Ranging from the conception of philanthropy devised by the robber barons of the late nineteenth century to ongoing digitization projects Kim provides a new history of contemporary art that accounts for the complicated entanglement of race capital and labor behind storied art institutions and artists Drawing on history theory and economics Kim challenges received notions of artistic success and talent and calls for a new vision of art beyond the cultural institution **Inside the Business of Illustration** Steven Heller,Marshall Arisman,2004-10 This practical guide examines the business of illustration from two different perspectives the illustrator s Marshall Arisman and the art director s Steven Heller The authors also provide insightful interviews with professional illustrators art directors and art buyers from various industries With its narrative format and

informative sidebars this book provides the insights and inspiration that every illustrator experienced or just starting out needs to succeed
