

The Christian Right And Congress

Matthew C. Moen

The Christian Right And Congress:

The Christian Right and Congress Matthew C. Moen, 1989 *The Christian Right & US Foreign Policy in the 21 st Century* Mohd Afandi Salleh, 2020-01-07 This book is about the role of the Christian Right in the US foreign policy decision making process. It reveals that the Christian Right has long been fascinated with some international issues in general and US foreign policy in particular. The interest of the movement in international issues increased markedly during the George W Bush administration 2000-2009. During this period the movement successfully widened its activism from domestic social conservative issues to foreign policy issues by participating in articulating and lobbying for its religious version of American foreign policy. In assessing the role of the Christian Right in US foreign policy making, this dissertation examines aspects of US foreign policy, namely Israel, international religious freedom, and global humanitarianism. Based on these three aspects, the Christian Right is seen as skilled in framing and defining issues. The Christian Right seems effective in selecting and prioritizing international issues that have a reasonable chance of being picked up on by foreign policy decision makers, especially in Congress. Moreover, the Christian Right has shown its maturity in seeking engagement and cooperation with other organizations regardless of whether they are secular or religious to advance its international goals. Finally, in pursuing and conveying its international agenda, the Christian Right has adopted a more moderate and mundane approach. Instead of using its traditional religious rhetoric, the Christian Right has successfully projected its foreign policy preferences into the conventional realist discourse of American foreign policy that was largely based on the objective of national interest and national security.

Trump, White Evangelical Christians, and American Politics Anand Edward Sokhey, Paul A. Djupe, 2024-03-05 In *Trump White Evangelical Christians and American Politics*, political scientists Anand Edward Sokhey and Paul A. Djupe bring together a wide range of scholars and writers to examine the relationship between former President Donald Trump and white American evangelical Christians. They argue that while this relationship, which saw evangelicals supporting a famously unfaithful, materialistic, and irreligious candidate despite self-defining in opposition to these characteristics, prompted many to wonder if Trump himself transformed American evangelical religion in politics, this alliance reflected both change and the outcome of dynamics that were in place or building for decades. Contributors contextualize the Trump presidency within the story of religious demographic change, the growth of politicized religion, nationalistic religious expression, and the ways religion and politics in the United States are enmeshed in the politics of race. These investigations find that the idea of religious transformation is not accurate. Instead, the years 2015 to 2022 saw mainly minor changes to the ways religion appeared in public life, but these changes ultimately complemented and advanced an existing white evangelical strategy to increase political and social power as they became a demographic minority in the United States. Taken together, this collection reveals new insights for readers seeking to understand the religious dimensions of Trump's rise, the reasons evangelicals became political activists, and the multifaceted alliances between secular politicians and conservative religious

subcultures Contributors Abraham Barranca Ruth Braunstein Ryan P Burge David E Campbell Jeremiah J Castle Paul A Djupe John C Green Sarah Heise Geoffrey C Layman Andrew R Lewis Gerardo Mart Eric L McDaniel Napp Nazworth Shayla F Olson Enrique Quezada Llanes Kaylynn Sims Anand Edward Sokhey Hilde L vdal Stephens Kyla K Stepp Allan Tellis

Rhetorics of Race and Religion on the Christian Right Samuel P. Perry, 2019-11-20 As the first African American president Barack Obama faced unique challenges and obstacles when addressing issues of race While rhetorical attacks on the basis of race directed at Obama were not unexpected many of the most consistent racially motivated criticisms of Obama were associated with his religious identity The Jeremiah Wright controversy gave way to the birther and secret Muslim conspiracy theories while anxieties about Obama s identity proved particularly potent as modes of political attack in the context of the war on terror This book examines the ways in which those attacks often originated in the rhetoric of the Christian Right and the ways in which these theories circulated amongst the Christian Right Perry argues that the intersections of race and religion in American politics produced rhetoric that often caricatured Obama as un American anti Christian and an enemy of the state By exploring the arguments used to cultivate these characterizations and tracing the roots of conspiracies that worked to delegitimize Obama s religious identity through racial claims and stereotypes a clearer picture emerges of what is at stake when people can no longer separate religious convictions from political arguments **The Christian Right in**

Europe Gionathan Lo Mascolo, 2023-11-02 Inspired by the success of the US Christian Right and the rise of the global far right ultraconservative Christians in Europe are joining forces and seek to reshape Europe By assembling in anti gender movements and sharing anti Muslim narratives they actively influence the political landscape and shape government policies The contributors offer new perspectives on the protagonists and the entangled networks that work to abolish liberal democracy in Europe behind the scenes This anthology is the first to bring together case studies on the Christian Right in over 20 European countries providing a transnational perspective and an accessible insight for clergy politicians and academics alike *Congressional Primaries and the Politics of Representation* Peter F. Galderisi, Marni Ezra, Michael

Lyons, 2001 Congressional Primaries and the Politics of Representation explores the ways in which congressional primary elections appear to be changing in the face of electoral and congressional politics The prominent contributors examine how primary elections influence the types of candidates who run the support they receive the positions they take the resources they spend the media coverage they receive and the type of party nominees that prevail All of these factors have significant implications for congressional general elections the political parties interest groups and the day to day representation of constituents by congressional incumbents *The Road to Congress 2004* Sunil Ahuja, Robert E. Dewhirst, 2005 Across the country candidates run for political offices in every election and struggle to win those contests Undoubtedly for some the combat is less gruelling than for others But for all candidates seeking an elective office means going through the hoops to win in a primary and then in the general election This book is designed to lead the readers to see the candidates as

individuals struggling to win elections In so doing the authors address a number of questions How do these candidates deal with the whole medley of issues confronting their campaigns What kinds of decisions do they make and how do they do so What is the role of parties issues and candidates in congressional races What about campaign strategies and consultants What of the money and the media At the end of the day based upon a variety of selected races from across the nation our aim in this book is to provide the readers with a detailed understanding of contemporary campaigns and elections in congressional contests at the individual level This is a unique approach In the last decade or so a number of books have regularly provided analyses of contemporary campaigns and elections However these works have used aggregate data to make national generalisations They have examined campaigns and elections from a broad national perspective The authors focus on the individual level instead will not only supplement our understanding of contemporary congressional elections but also show a previously unseen side of these contests The hope is that readers will learn a good deal about how candidates run campaigns and win or lose those contests The focus is strictly on Congress In this book the authors draw upon races for the House and Senate contested in 2004

Religion and Politics in America Frank J. Smith, 2016-07-11 There has always been an intricate relationship between religion and politics This encyclopedia provides a comprehensive overview of the interrelation of religion and politics from colonial days to the present Can a judge display the Ten Commandments outside of the courthouse Can a town set up a nativity scene on the village green during Christmas Should U S currency bear the In God We Trust motto Should public school students be allowed to form bible study groups Controversies about the separation of church and state the proper use of religious imagery in public space and the role of religious beliefs in public education are constantly debated This work offers insights into contemporary controversies regarding the uneasy intersections of religion and politics in America Organized alphabetically the entries place each topic in its proper historical context to help readers fully grasp how religious beliefs have always existed side by side and often clashed with political ideals in the United States from the time of the colonies The information is presented in an unbiased manner that favors no particular religious background or political inclination This work shows that politics and religion have always had an impact on one another and have done so in many ways that will likely surprise modern students

The Oxford Handbook of Religion and American Politics Corwin E. Smidt, Lyman A. Kellstedt, James L. Guth, 2017 Over the past three decades the study of religion and politics has gone from being ignored by the scholarly community to being a major focus of research Yet because this important research is not easily accessible to nonspecialists much of the analysis of religion's role in the political arena that we read in the media is greatly oversimplified This Handbook seeks to bridge that gap by examining the considerable research that has been conducted to this point and assessing what has been learned what remains unsettled due to conflicting research findings and what important questions remain largely unaddressed by current research endeavors The Handbook is unique to the field of religion and American politics and should be of wide interest to scholars students

journalists and others interested in the American political scene Congress and the Politics of Emerging Rights Colton C. Campbell, John F. Stack, 2002 Campbell and Stack both in political science Florida International U present seven contributions that explore the evolution of political right in American society as played out in the legislation of Congress the rulings of the federal judiciary and the frequent tension between the two Authors examine the Supreme Court's recent limiting of the power of the Commerce Clause of the Constitution for social reform the unanticipated sexual harassment consequences of the Civil Rights Act of 1964 the judicially created right to privacy the ability of gay rights organizations to bargain with Congress over anti discrimination legislation the recent redefinition of state's rights by the Rehnquist majority of the Supreme Court the role of lawyers in defending the interests or rights of Congress in the courts and a comparative analysis of the differing perspectives of rights between the United States and the rest of the world Annotation copyrighted by Book News Inc Portland OR Family Values and the Rise of the Christian Right Seth Dowland, 2015-12-17 Family Values and the Rise of the Christian Right chronicles how the family values agenda became so powerful in American political life and why it appealed to conservative evangelical Christians **Encyclopedia of American Religion and Politics** Paul A. Djupe, Laura R. Olson, 2014-07 Presents an encyclopedia of religion and politics in America including short biographies of important political and religious figures like Ralph Abernathy civil rights leader and Ralph Waldo Emerson writer and synopses of religious entities like the Branch Davidians and the Episcopal church as well as important court cases of relevancy like Epperson et al v Arkansas having to do with evolution **Fundamentalism, Politics, and the Law** M. Rozell, 2011-02-14 This book studies the phenomenon of fundamentalism in the United States It contains historical and contemporary scholarly analysis of the Christian movements that emerged around the time of the Moral Majority The Christian Right and Congress Matthew C. Moen, **The New Liberalism** Jeffrey M. Berry, 2010-12-01 If you think liberalism is dead think again In this sure to be controversial book Jeffrey M Berry argues that modern liberalism is not only still alive it's actually thriving Today's new liberalism has evolved from a traditional emphasis on bread and butter economic issues to a form he calls postmaterialism quality of life concerns such as enhancing the environment protecting consumers or promoting civil rights Berry credits the new liberalism's success to the rise of liberal citizen lobbying groups By analyzing the activities of Congress during three sessions 1963 1979 and 1991 he demonstrates the correlation between the increasing lobbying activities of citizen groups and a dramatic shift in the American political agenda from an early 1960s emphasis on economic equality to today's postmaterialist issues Although conservative groups also began to emphasize postmaterial concerns such as abortion and other family value issues Berry finds that liberal citizen groups have been considerably more effective than conservative ones at getting their goals onto the congressional agenda and enacted into legislation The book provides many examples of citizen group issues that Congress enacted into law successes when citizen groups were in direct conflict with business interests and when demands were made on behalf of traditionally marginalized constituencies such as

the women's and civil rights movements Berry concludes that although liberal citizen groups make up only a small portion of the thousands of lobbying organizations in Washington they have been and will continue to be a major force in shaping the political landscape

Piety, Politics, and Pluralism Mary C. Segers, 2002-03-20 Piety Politics and Pluralism skillfully confronts the question Is liberal democracy hostile to religion or is it compatible with the rights of believers Prominent scholars analyze the controversy about religious freedom by examining two areas at the intersection of religion and politics in contemporary American society the Supreme Court's 1990 decision in *Oregon v Smith* and the events of the 2000 presidential campaign Their essays remind us that in an increasingly pluralistic society Americans must work continually to reconcile religious commitment and political obligation Piety Politics and Pluralism is a groundbreaking work that will be indispensable to students of religion and politics American politics and constitutional law

Safeguarding German-American Relations in the New Century Hermann Kurthen, Antonio V. Menéndez Alarcón, Stefan Immerfall, 2006-01-01 This volume is concerned with the current state of affairs of the German American relationship the causes and sources of existing discontent and opportunities for safeguarding the future of transatlantic relations The chapters analyze domestic and foreign policies political cultures and compare trends in business relations migration culture education journalism law and religion The book promotes a new understanding and valuation of commonalities and differences of basic values national interests and societal priorities in both nations

The Evangelicals Frances FitzGerald, 2017-04-04 Winner of the 2017 National Book Critics Circle Award National Book Award Finalist Time magazine Top 10 Nonfiction Book of the Year New York Times Notable Book Publishers Weekly Best Books of 2017 This epic history The Boston Globe from Pulitzer Prize winning historian Frances FitzGerald is the first to tell the powerful dramatic story of the Evangelical movement in America from the Puritan era to the 2016 election We have long needed a fair minded overview of this vitally important religious sensibility and FitzGerald has now provided it The New York Times Book Review The evangelical movement began in the revivals of the eighteenth and nineteenth centuries known in America as the Great Awakenings A populist rebellion against the established churches it became the dominant religious force in the country During the nineteenth century white evangelicals split apart first North versus South and then modernist versus fundamentalist After World War II Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent but the civil rights movement and the social revolution of the sixties drove them apart again By the 1980s Jerry Falwell and other southern televangelists such as Pat Robertson had formed the Christian right Protesting abortion and gay rights they led the South into the Republican Party and for thirty five years they were the sole voice of evangelicals to be heard nationally Eventually a younger generation proposed a broader agenda of issues such as climate change gender equality and immigration reform Evangelicals now constitute twenty five percent of the American population but they are no longer monolithic in their politics They range from Tea Party supporters to social reformers Still with the decline of religious faith

generally FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive A well written thought provoking and deeply researched history that is impressive for its scope and level of detail The Wall Street Journal Her brilliant book could not have been more timely more well researched more well written or more necessary The American Scholar Congressional Record United States. Congress,2000 **The Christian Right, the Far Right and the Boundaries of American Conservatism** Martin Durham,2000 Mothers and meaning on the early modern English stage is a study of the dramatised mother figure in English drama from the mid sixteenth to the early seventeenth centuries It explores a range of genres moralities histories romantic comedies city comedies domestic tragedies high tragedies romances and melodrama and includes close readings of plays by such diverse dramatists as Udall Bale Phillip Legge Kyd Marlowe Peele Shakespeare Middleton Dekker and Webster The study is enriched by reference to religious political and literary discourses of the period from Reformation and counter Reformation polemic to midwifery manuals and Mother s Legacies the political rhetoric of Mary I Elizabeth I and James VI reported gallows confessions of mother convicts and Puritan conduct books It thus offers scholars of literature drama art and history a unique opportunity to consider the literary visual and rhetorical representation of motherhood in the context of a discussion of familiar and less familiar dramatic texts

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **The Christian Right And Congress**

In a world inundated with monitors and the cacophony of instantaneous communication, the profound power and emotional resonance of verbal beauty often diminish in to obscurity, eclipsed by the regular onslaught of noise and distractions. Yet, located within the musical pages of **The Christian Right And Congress**, a fascinating function of fictional splendor that pulses with natural thoughts, lies an unforgettable trip waiting to be embarked upon. Penned with a virtuoso wordsmith, that exciting opus guides visitors on an emotional odyssey, lightly revealing the latent possible and profound impact stuck within the complex internet of language. Within the heart-wrenching expanse of this evocative evaluation, we will embark upon an introspective exploration of the book's main subjects, dissect its captivating publishing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers' souls.

The Christian Right And Congress Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Christian Right And Congress free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Christian Right And Congress free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Christian Right And Congress free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Christian Right And Congress. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Christian Right And Congress any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Christian Right And Congress Books

1. Where can I buy The Christian Right And Congress books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Christian Right And Congress book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
