The Christian Single Woman's Guide To Being A Player God's Way:

The Christian Single Woman's Guide to Being a Player God's Way Janice D. Robinson, 2005-04 Written in a warm playful and humorous style The Christian Single Woman's Guide to Being a Player God's Way shows Christian women how they can have a social life filled with fun activities with the opposite sex without getting caught up in game playing or putting a man before their relationship with the Lord According to Robinson one of the most challenging issues that single Christians face is how to develop loving relationships with the opposite sex and still uphold the Lord's standard for love and purity When we devote our lives to living according to the standards of Jesus we give up our worldly standards for dating and our attitudes about the opposite sex and we take on Jesus standards for dating and attitudes about the opposite sex A complete paradigm shift must take place We have to be taught mentored and groomed to assume these roles within this new paradigm As a single Christian woman for over 20 years author Robinson says The Christian Single Woman's Guide to Being a Player God's Way will get you where you and God really want you to be Single sassy satisfied and having a lot of fun *The*
